## 68 CAMPERS RECEIVE EARLY BIRD BAGS

68 Enthusiastic campers not including C.I.T.s representing 10 states are members of our 1970 Early Bird Club. Thanks, fellows and parents, for your wonderful support. Here is the complete list. We know that many of you will want to get your applications in now, having seen that some of your friends are already registered.

56 green 16 x 18" bags were mailed to Chippewa, Apache, and Iroquois campers while 12 larger 20 x 32" maroon bags were mailed to the Sioux campers. These bags are going to be a requirement next summer for all boys taking camping trips. They are ideal for all personal gear, so Early Birds you are 'ahead of the game' as the other campers will have to purchase them. The Early Birds can make excellent use of the bags from now until camp time for books, gym equipment, etc. as they have convenient shoulder straps.

## HERE AND THERE by Bob Schmid

The holiday season found the Schmid family enjoying the scenic beauty of Camp Foley in all its winter splendor for two weeks. We were blessed with temperatures that never went below zero - the last two years we had six to eight days with the mercury plunging to the 40 below mark. One drawback was thin ice on the lake as Whitefish did not freeze over until December 13th. While Vi and I took care of some final 1969 details, the younger generation made four trips to the Quadna and Sugar Hills ski areas. We did make an extra trip to the Twin Cities for the big event of the holiday season - the marriage of Jack Schaaf to Molly O'Donoghue at St. Leo's Church on December 27th. It was almost like a Foley reunion with Father Tim Power officiating, Mike Weber the lector, Tom Wenner an attendant, Father Zylla on the altar, and oh yes, Jack Schaaf was the groom! We certainly want to wish Jack and Molly the very best of many, many happy years.

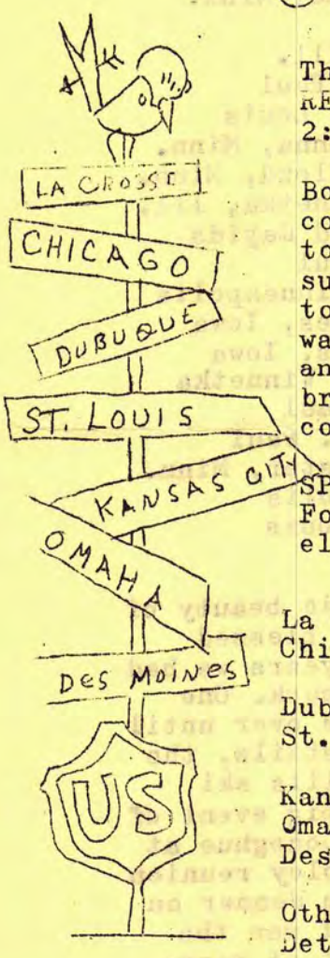
# OUT STATE REUNIONS



The camping spirit of '70 begins with the TWIN CITY REUNION on Sunday, February 1st at St. Thomas College 2:30 P.M. but is far from dying out after the event.

Bob schmid, your camp director will be visiting seven communities besides the Twin Cities to hold get-togethers, show the new camp movies and to reveal the suprises for '70. He will notify all camp families as to date, time, and place for the events. You will not want to miss getting together with your camp friends and reminisce about the good old summer days. Why not bring along several of your friends? Perhaps they could join you at camp next summer!

SPECIAL FEATURE - Drawings at each event for the new Foley bags- All boys of camp age attending will be eligible.

## '70 THE YEAR OF SUPRISES

Everyone is anxious to know what will be new this summer. Without a doubt a great deal of emphasis will be placed on the VOYAGEUR AWARD. This award provides a real challenge, especially for the returning camper and encompasses all fields of camp endeavor. A silver engraved paddle plaque will be presented to a camper, 12 years and under who completes the requirements for his age group; a more advanced set of requirements will apply to campers 13 years and up and the award will be a gold engraved paddle plaque. Only two campers have been so honored, JOE CONLIN of Bismarck received the Gold Paddle Award and TOM SCHMID of St. Paul received the Silver Paddle Award.

New equipment will be stressed in four areas:

SKIING - New Northland Skiis with custom bindings for both rigs. Some of our old skiis will be converted to Northland custom bindings as we feel that these are the finest and safest on the market today.

1 pair of Northland Trick Skiis

~~2 dises~~ [illegible]

New 85 H.P. motor on the Evinrude Boat

SAILING - A new sail for the C boat

- Purchase of a new sailboat is under consideration

TRANSPORTATION - a van type 12 passenger vehicle to replace the tired Travelall or the Great Green Buffalo as it is known to the campers. This new vehicle will permit us to schedule more inter-camp events other than riflery.

SHOP - New tools and power equipment to emphasize woodworking.

### ENTHUSIASM, FUN, SUPRISES, AND NEW MOVIES MARK REUNIONS

Off with a splash was the Foley Twin City Reunion as our campers took command of the O'Shaughnessy Hall Pool at St. Thomas College on Sunday, February 1st while other campers, parents, and staff watched the activity from the gallery.

Staff members present were DENNY GRIEBEL, BILL LEHMKUHL, JACK SCHAAF, MIKE WEBER, JIM COTA, TOM LEACOCK, JOHN LEBENS, AND JOHN LONGTIN.

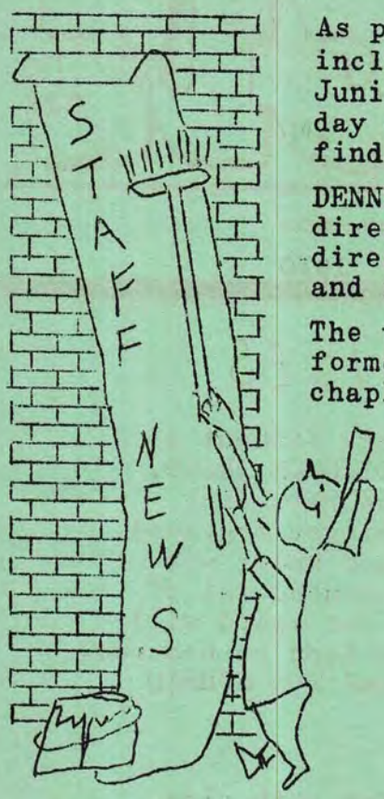
Refreshments were served in Murray Hall where the program was held. Plans for the 1970 season were revealed. The highlight of the afternoon was the new camp movies which among other things showed some unusual archery pictures, tripping contained a whole new sequence while numerous new shots were interspersed throughout the entire film.

Of the reunions around in the midwest in La Crosse, Chicago, Dubuque, St. Louis, Kansas City, Omaha, and Ames, St. Louis and Chicago were obviously the largest. Drawings for the new special camp bags were held at all meetings with BOB MC MAHON the La Crosse winner, in Chicago it was BRIAN BIDWELL and BOB SNEDIKER, while in St. Louis the lucky winners were KEVIN COULTER AND PETER MURPHY. In Kansas City the honors went to BOB REDMOND and in Omaha it was BILL MARCH and JIM CROTTY. At the final stop in Ames, KEVIN FRY was the lucky winner.

### OUR APOLOGIES ! ! ! ! !

Four campers were inadvertently left off the January EARLY BIRD list. We certainly want them to have proper recognition as members of the honor club as their registrations were received before Jan. 15 deadline:

JOHN MYSER - St. Paul - 3
MIKE MYSER - St. Paul - 3
CHIP ISSACSON - Minneapolis - 2
KEVIN Mc CURDY - Winnetka - 1



As previously predicted the number of returning staff including those graduating from the C.I.T. program to Junior Counselor statis will be unusually high in this day of rapid change. Only one third of our staff will find Camp Foley a new experience for them.

DENNY GRIEBEL will take over the top job of program director, quite a change from his position of trip director last year. Denny hails from Harmony, Minn. and is a senior at Mankato State College.

The trip director's job will ably filled by one of our former trip directors who is now FATHER JERRY REPOLA, chaplain of the Newman Center at Adams State College in Alamosa, Colorado. Father Jerry has the summer free and was anxious to return to Foley after spending the years 1960 through 1962 with us. It was in 1962 that our new wilderness post opened and it was Jerry who was responsible for organizing the new facility.

BOB MC CORMICK of Minneapolis and a Junior at Creighton University will return as Marina Director. Bob did a wonderful job last year and is looking forward to spending his 12th straight summer with us. STEVE REDMOND also a former camper and last year's ski director will be the Sioux Director. Steve is a high school teacher in Crystal Lake, Ill. JIM COTA of St. Cloud and a student of St, Cloud State will return to take charge of the waterskiing program this season.

The swimming program will be under the direction of RYAN COLLINS of Aurora, Colorado and a senior at Adams State College in Alamosa, Colorado, Ryan has participated in competitive swimming for twelve years and is teaching swimming at the college. He is a qualified scuba diver and is certified as a NAUI (National Association of Underwater Instructors). Assisting Ryan in the swimming program will be PETE MC CANN of Hollywood, California. This will be a switch for Pete who did an excellent job with tripping last year but now has obtained his WSI and will do some work in all waterfront areas.

The fencing program will resume its former vigor under the able direction of GEORGE BATTIS, a member of the St. Thomas College fencing team. George is a long time camper, C.I.T., and junior staff member. BRUCE HOLCOMB, a sophomore at the University of Minnesota and a resident of Minneapolis, will assist in archery and riflery.

Campers will have an opportunity to learn about the customs, habits, and culture of England through counselor GRAHAM LEATHES of Sussex, England and a senior at Nottingham University in Nottingham, England. He will assist in the swimming program as well as riflery and perhaps will introduce some British games such as rugby. We are in hopes of including another staff member of a European country through personal interviewers who are handling the situation for a group of American camps on that side of the Ocean.

No newcomer to our tripping program is FRED STONE of Minneapolis and a student at Colorado State University. Fred's camp background covers the full route from camper to senior staff member. Fred has interested two of his school friends in the wonders of Minnesota and Camp Foley. MARK BURKE hails from Falls Church, Virginia and will be involved in archery, riflery, and tripping. BARRY HALL of Watertown, S. D. will assist with the athletics and riflery programs with possibly some waterfront activities. This is really a new record to have five from Colorado schools in the same year.

Junior staff members, all old hands around Foley include MIKE DRAHOTA of Omaha, MARK BUSSMAN, St. Louis, MARK NORMAN, Minneapolis, and ROB SCHMID of St. Paul. These four men will spend the major part of their time in the marina area while Rob as a varsity member and captain of the St. Thomas Academy tennis team will assist in this area. JIM REICHERT of Dickinson, N. D. will assist in riflery and shop while MIKE MILLINGTON of Philadelphia will help with sailing and riflery.

Three former staff members who still have a good chance of joining us this summer are MARK HOFFMAN, BILL LEHMKUHL, and JOHN LONGTIN.

We have some other staff suprises too, but they will all be resolved by the next issue of the Bugle in May.

# FATHER-SON WEEK

Many dads have asked to have the facilities of the camp made availabel to them; to go sailing, take a short canoe trip, to shoot on the rifle or archery range, to fish, to try athletic skills, to swim, to waterskii - just to name a few - to do these things with their boys has been an ambition of many. This will be the 6th year we have made this program available. Qualified key staff members will be on hand in all areas for supervision and assistance. Activity plans will be made on a day-to-day basis at the request of the individuals.

DATE: WEDNESDAY AFTERNOON, JUNE 17 through TUESDAY NOON, JUNE 23.

COST: $75 per person

WHO MAY ATTEND: Open only to boys who have camped with us previously and their fathers. No age limits

REGISTRATION: Write to camp office, Box 26, St. Paul 55102 for further information and registration cards.

# CAMPERS WHERE ARE YOU?

If all the registrations were in from all the boys planning to attend camp this summer, Camp Foley would have very few openings, if any, at this time.

Don't put off having mom or day mail the application, you could be disappointed as many boys were last year! It is later than you think!

Early registrations are a benefit to the campers in that it aids efficient planning for the summer in staff, program, and supplies.

REMEMBER! ABSOLUTELY NO MORE THAN 16 SIOUX CAMPERS (boys who will be going into 9th grade next fall) WILL BE ACCEPTED IN EACH PERIOD. From our experience of last summer it was found that the program can only be operated effectively with two cabin groups.

# HERE AND THERE

by BOB SCHMID

The winter has passed rapidly between extended week-ends at camp, reunions, and seeing many of our old camp friends. Besides seeing campers and parents, a great number of potential staff were interviewed. The prospects look great. There is an old saying that I firmly believe, "A CAMP IS NO BETTER THAN ITS STAFF". This is the first time that Vi and I have made all the reunions together. In the past few years she has joined me for part of the trip.

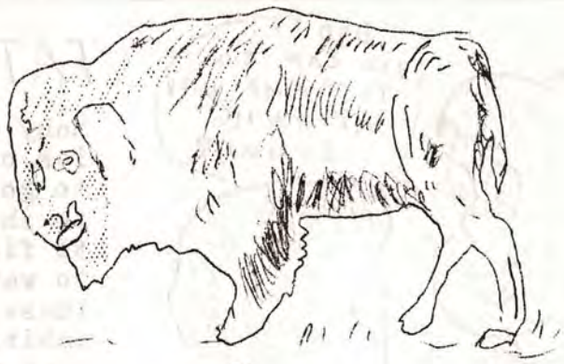
Our travels included six days of the American Camping Association convention in St. Louis from February 24 to February 28th. It was a great experience for both of us as approximately 1,800 gathered for this exposition. Many interesting new ideas were exchanged, some of which you will see in our program next summer. There were some 110 displays of camping products which certainly contributed to new ideas as well. Of all our convention sites St. Louis has the reputation of organizing one of the best meetings in the country - both Vi and I can see why!

As you read this Bugle the Schmid family will be spending the Easter holiday at camp, opening their cabin and making preparations for the start of the spring work. I hope that you are all as anxious to get back to the north shore of Whitefish as we are.

BECAUSE OF THE POSTAL STRIKE YOU WILL NOT RECEIVE THIS ISSUE OF THE BUGLE ON SAT. MARCH 21st AS PLANNED. WE HOPE THAT YOU ALL MADE AN EXCELLENT OBSERVANCE OF HOLY WEEK, TAKING ADVANTAGES OF THE RELIGIOUS SERVICES IN ORDER THAT YOU MIGHT REAP AN ABUNDANCES OF GRACES TO MAKE IT TRULY A

HAPPY EASTER

# THE GREAT WHITE BUFFALO



Continued from November

EDITORS NOTE: The Great White Buffalo was bogged down in the January snow so he didn't make that issue as scheduled.

He circled around to Kildare where JOHN EGAN was swinging from the rafters and TIM MACHO was talking about finally pouring a glass of milk without spilling it. He then curved back to theMid-Washo where he heard tha t the "secret of Little Crow" had finally been divulged to JACK SCHAAF. He heard HART CARDOZO talking about his daily five letters from his girlfriend, which he shared with the rest of the cabin. He heard about Bob Schneider's big appetite from the biggest talker of Little Crowe - - John Barzen. He'd had enough, so the Great White Buffalo left the Mid-Washo heading for the Sioux area. The big White Buffalo interrupted a conference between JOHN (the leader) DINGES, STEVE (the swamper), REDMOND, and KEVIN (Red) REGAN. They were so involved in discussing some of the Sioux campers that they did not notice the Big White Buffalo. They were labeling some of the Sioux campers and came up with - - JOSE (the ping-pong champ) CHARLES, RILEY (cool camper) MC CARTEN, CHRIS (future rifle range Colonel) WEAR, MARK BUSSMANN (A sailor in the erratic style of Steve Nightingale, RAY (the wicked witch of the West) SCALLEN, KEVIN (save your spoons) SMITH, ED (bowie knife) CORRIGAN, BRIAN MC NEIL and his unforgettably contagious enthusiasm, TIM (Zorro)TRUDEAU, LORENZO (Poncho Villa Dela Noche) BRAUN, TOM (Fugs) MITCHELL, BRIAN (the champion greased watermelon eater) FRANKEL, BOB LEBENS, who will next year try a dive off the roof into a wet dishrag, MIKE (jibe) SHEPHERD, BOB (the sailor) SNEDIKER, STEVEN (Johnny Carson) WILLIAMS, TED (Teddy Bear) WHITAKER, PAUL (one-leg) JOHNSON, TOM (Groovin') DOUGHERTY, ADOLFO (no comprende) Hammeken, Alejandro (broken glasses) ROMERO, JOHN (the Shingwako disk jockey) MEIER, JIM (burn the left over oatmeal) REICHERT, JOHN (future leader of Hidden Lake trips) NILLES, TOM (fastpillow) NOVAK, CHUCK TAMBORNINO who spent two weeks trying to learnthe siesta, BOB JEUB ( the student of choice Spanish phrases), JOHN REICHERT who had to leave camp a day early to catch the stagecoach back to North Dakota, CLARK (the sanddunes dipper) LILLEHEI, LARRY (Fickle finger of Fate) FRYKLUND, ED (motor boat) DESLOGE, PAT (the silent one) O'BRIEN, and GREG (Club Lehetepe) Deuberry . . . .

Dizzy from all the Sioux names and labels, the Great White Buffalo leaps over the white fence and lands in the inner crib of the swim dock where Dale Torgerson is practicing the cross-chest carry with Pancho Warpeha. As they are practicing, Dale is telling Poncho all about the great accomplishments of the campers at the swim dock. Let's listen in with the Great White Buffalo.

"Did you know, Pancho, that DAVE FALLON, CHARLIE VAUGHN, ERIC LARSON, WALLY KRAUS, JIM SIMONS, BILL BROWN, AND JOE TAMBORNINO all went from the sinkers' class to the intermediate class?" exclaims Dale.

"That sure takes a lot of work," says Pancho, "Why I can even remember when I got rid of my red ribbon and all of the work that I had to go through last week."

"Say, by the way, remember all of those lucky swimmers who braved the cold water during the first period?"asked Dale. "I remember one day when JIM CORBETT went in and felt so much at home that he wouldn't come out."

One thing that is really unbelieveable is how in the world did ROB SCHMID, MARK BUSSMANN, BRIAN MC NEIL, BRIAN 'Hulk' FRANKEL, TOM 'HANDS' MITCHELL, MIKE 'Sam' MILLINGTON, and DANNY ALBI ever become Senior Lifesavers?" questions Pancho. "I don't believe that they could save a dead fish."

"Maybe not, but RUSTY LEANDER AND SENTER TIMMONS who became Junior Lifesavers sure could, " adds Dale.

"Oh, yes, a new Foley record was set in the third period when I managed to give beach duty to nine campers in one day," concludes Dale.

As the conversation goes from campers to girl friends at Ruttgers, the Great White Buffalo tromps over to the "C" boat to pick up on some local marina gossip. Gracefully jumping over the Marina fence the great white beast does a jig on the roof of the Voyager and bounds into the water.

"What did you do now Quast?" cried Bob Mc Cormick as he surveyed the damage done to the Voyager.

"Who me," replied the baffled LOU QUAST who had just finished teaching TOM SWORDS, JOHN BACKER, PAT CONLIN, TOM KEMPNER, AND the 'Des Moines Kid' TOM NAUGHTON an entire two week course on motor boating in just 27 minutes.

But before Mac received a straight answer-after all, would you believe that a Great White BUFFALO could tap dance on the top of the house boat? JOE CONLIN, TOM NIESEN, AND RILEY MC CARTEN were playing "chicken" with the three X boats. All three claimed they had at one time passed their skippers. After thorough investigation by "COUNTRY KEVIN RED REGAN' it was found that their skippers licenses had expired in January of 1968. Actually that was no major problem because JOHN DINGES, the chief of skippers' licensers had just finished rewarding NEIL 'the Longhair' SEITZ and the famous sailboat racer BILL TAUFIC their skipper licenses and out of the goodness of his heart and because it was the day after his night off he renewed RILEY'S, JOE'S AND TOM'S licenses. But still Mac had received a satisfactory answer and began to ask his question again when the five Mexicans - JORGE ARRANGOIZ, LORENZO BRAUN, ADOLFO HAMMEKEN, AND FEDERICO GIL related to him the entire story in approximately three and a half minutes in Spanish. The English translation lasted two and a half hours.

Amid all the confusion the Great White Buffalo settled back in the water and listened. It seems that BOB POWER enjoyed his little trip in the "C" boat through the outer crib of the swim dock. Kevin smiled alot when the 'Viola' self-destructed. The rudder kind of fell off and the mast decided to go swimming all within five minutes time. John Dinges remembered some of those super-windy sailing days better than anyone as he was the only counselor to tip a sailboat this year ruining Mac's perfect record on the last day of the camping season. Mac had his troubles on the Voyager when he was attacked by TIM BOULAY, BRIAN GIDDINGS, BEAU HOWARD, JOHN KNOX, PAUL REICHERT, AND JOE TAMBORNINO.

After getting a little chilled in the water, the Great White Buffalo decided to move on. As the sun sets in the west and the great beast heads out over the lake, leaving a trail of broken seaweed and buffalo chips, he left Camp Foley behind with many fine wonderful memories. It is also a time that we must stop and gratefully thank Our Lady of the Snows for a safe and rewarding summer.

The last night draws out of light
As if to say farwell,
To all the Foley campers
Both here and gone.

Youthful voices
Fade away on the wind
Not to be heard again
For today is night
And night turns to greet tomorrow.

The trees have only themselves for company
They await the next coming when
Again the Great White Buffalo
Will climb Misquito Hill
And come thundering down
To the awakening of a new camp season.

IT IS LATER THAN YOU THINK ! ! ! !

Summer is almost here! Camp will be open before you know it.

IT IS ADVISABLE
To get your reservations in now if you haven't already done so

OTHERWISE
You may be disappointed as many sections of camp are reaching their capacity.

HOWEVER
As this Bugle goes to print, there is still space in each period.

## NEW JOHNSON M-16 TO BE FEATURED

Heading the list of new equipment for '70 will be the New Johnson M-16 ordered last week. This is a relatively new class of sailboat that has taken top priority on Minnesota Lakes during the past few years. It is larger than an X and smaller than a C. It features main sail and jib, side boards and double rudder. The M-16 will really add a fine new challenge to the sailing program. For the C boat sailers, remember we have a new sail that will place our boat back in the racing competition.

Skiing is the second area of equipment emphasis with a new 85 h.p. motor and new Northland skiis, both regular and slalom for both boats plus a trick skiis and saucer to be used where requested. We are certain that some of you will still want to do shoe skiing as well.

The third big area for equipment will be an Aquanaut, a floating air station that supplies air for two divers at depths to 25 feet. Two compressors, powered by a compact 2-cycle engine supply a continous flow of air. You breathe easily and naturally from your full-face mask, which is constantly filled with air. It's great for exploring, spear fishing or just looking for adventure. It will be planned as a special Sioux activity.

You will also be suprised in the changes making the craft shop building more adaptable to wood working projects with especially the addition of power tools.

The Library will have a new home in Foley Hall and the fencing program will occupy the old library quarters. New equipment will be found in the fencing program as well.

TEKAWITHA (former sisters' quarters) will become the camp infirmary.

### FATHER-SON WEEK

June 10th is the deadline for registration for Father-Son-Week, Wed. June 17 to Tues., June 23rd. This special event is open only to those boys who have camped with us previously and their fathers, (no age limits.) Write or call for further information.

AIRLINE INFORMATION WILL BE MAILED TO PARENTS AND CAMPERS OUTSIDE OF THE STATE OF MINNESOTA AS SOON AS THE SUMMER SCHEDULES ARE AVAILABLE.

### ACTIVITIES GUIDE

Last year for the first time activities or program guides were mailed out to all campers, so that mom and dad could get an idea of all the program advantages Foley has to offer. Our campers were to bring these guides with them to camp where they would be most helpful, but most campers forgot to pack them. It was decided this year to give them to our campers upon arrival. If parents would like to have a copy before camp time, please let us know and we shall be happy to mail you one.

# STAFF TALENT ----FOLEY HAS IT !!!

Our staff prospects are the brightest in over a decade. From all indications the 1970 staff will really have outstanding talent. After all it is the quality of the staff that makes the camp! In last month's Bugle we reported on 19 staff members. Here are seven additional ones.

MARK HOFFMAN after an absence of one year, will return for his sixth summer as rifle director. We are most happy to have Mark back with us. Of course his wife, Leone, and daughter will be with him. Mark is a high school teacher at Eldon, Missouri.

BILL LEHMKUHL will return for his third year and take back his position of Athletic Director that he so ably performed in '68. Bill teaches at the Fort Dodge, Iowa Senior High School.

EARL JOHNSON, a student counselor at the Pine River High School joins our 1970 staff. Earl's academic background is Biology which well qualifies him for the position of Wildlife-Evironmental Explorations at Echo Lake. Earl will also be working on special projects with the Sioux program.

In tripping we have a new man, JOHN KOPPELMAN, of Lidgewood, N.D. and a student at the University of North Dakota. John is Mark's brother. The only reason Mark will not be back with us this summer is that he will be spending the summer in Europe.

Our wood shop director will be BOB JOVANOVICH, a student at the U of M and a resident of St. Paul. Assisting in the Marina area and especially waterskiing will be JOE TUMMERS of Mankato and a student at Mankato State. One additional junior staff member will be JOE RADCLIFFE of St. Paul. Joe will be the "man of all jobs" - you name it - Joe will help out!

Of the total staff so far 15 have been with us previously and ten have been former campers.

FATHER PAUL ZYLLA, chancellor of the St. Cloud Diocese, will return for his third year as camp chaplain for the first period. FATHER ALLEN SPEICER, also a priest of the St. Cloud Diocese and teacher at Cathedral High School in St. Cloud will take over as chaplain for the second period. A former staff member in the late 40's, FATHER ROBER VOGL of the Dubuque Diocese and Loras College will serve as camp chaplain in our third period.

# HERE AND THEIRE by BOB SCHMID

As I prepare this BUGLE, I am writing it in the living room of our lake cabin. It is mighty quiet here now as I look across the still ice-covered lake, but the warm sun is rapidly causing the ice to disintegrate. How great it will be when the old camp grounds again come to life. The first forms of life will be the hum of spring clean-up of our grounds scheduled to begin in a few days.

Perhaps the biggest change this year will be the loss of the sisters who have staffed our kitchen for the past 19 years. We will, however, have one Franciscian Sister, Sister Leonette, who will be in charge of the camp bakery to insure the Camp Foley tradition of all that good home made bread. Sister Leonette has been at camp for four summers. The cooking department will be headed by Mrs. Frances Berg of Eden Valley assisted by Mrs. Marie Fink of St. Cloud. Their aides will be three boys from Eden Valley, Steve Theicher, David Doechmen, and Bruce Weber. We are confident that the traditional fine food will be maintained with these two most qualified women.

Due to ill health of our camp caretaker, Oliver Flategraff, will resign as of June 1st and will be replaced by Mr. Jack Boda of Pine River. After three summers and four winters we are disappointed to see the Flategraffs leave, but they will not be very far away as they will be moving to Pine River.

---

FOR RENT: Modern three bedroom cabin complete with extra sleeping annex and laundry facilities. Accommodates 10 with ease. Located next to camp property on the lake with private dock and beach. Telephone. Available prior to July 3 and after August 28.

MAY IS THE MONTH OF OUR MOTHER. SINCE THE CAMP IS DEDICATED TO THE BLESSED VIRGIN THIS IS A VERY SPECIAL MONTH FOR ALL OUR CAMPERS AND STAFF WHO SHE HAS SO WELL PROTECTED OVER THE YEARS. THE LEAST YOU CAN DO IS TO REMEMBER HER WITH ONE OF THOSE 'OLD FASHIONED ROSARIES'.

PUBLICATION OF **CAMP FOLEY** PINE RIVER, MINNESOTA

VOL: 45; NO. 5 Director ROBERT E. SCHMID, Editor JUNE 1970

## WE'RE READY FOR YOU!!

The big day, Wednesday, June 24th will be here before you know it. You don't have to be told that this is the day the old camp grounds officially come to life with the thrill, excitement, and anticipation of our enthusiastic campers. 26 counselors will be on hand to greet you.

The activity really gets underway on the 14th of June; Denny Griebel and Bob Mc Cormick arrive for the preliminary planning. The entire staff will be on hand by the 17th of June for the regular pre-camp training week. This is also the date for the beginning of the father-son week. By the time the opening day is at hand we will be ready to give you the best that camping has to offer.

### IMPORTANT TRANSPORTATION NOTES

Bus departure from OUR LADY OF GRACE parking lot will be at 11:30 A.M. This change was necessitated by revised airline schedules. Airline information has been mailed to those concerned for first period. All other transportation information will be mailed three-weeks prior to the period registered. Ozark has established a new satisfactory service between Dubuque and Mpls. - St. Paul and North Central now has good connections from and to La Crosse. May we suggest that Chicago area boys make their plane reservations early. Presently we have from this area 11 in the first session, 25 in the second session, and 5 in the third session. We are using Northwest Flights 47 and 442.

### MAIL NOTICE

From now until the first of October all camp mail and phone calls should be directed to Pine River. Call area code 218, the number 543-4455. Those who recently sent mail to St. Paul need not be concerned as it will be forwarded to Pine River.

### FATHER-SON WEEK

June 10th is the deadline for registration for Father-Son Week, Wed. June 17 to Tues., June 23rd. This special event is open only to those boys who have camped with us previously and their fathers, (no age limits.)

* NEW M-16 SAILBOAT
* 2 NEW SAIL SNARKS
* ALL NEW NORTHLAND WATER SKIIS
* AQUANAUT FOR DIVING
* NEW WOODCRAFT PROGRAM AND IMPROVED SHOP.

### CABIN MATES

If you have any preference for cabin mates be sure to let Bob Schmid know at least a week before the start of the period. if you haven't already done so. We can not consider bunking boys together who are more than a year apart.

### ACTIVITIES GUIDE

Activities guides will be given to all campers upon arrival. Any parent who is interested in having one of these guides before your son leaves for camp may obtain a copy by writing to the camp office in Pine River. The GUIDE will give you a better idea of all the program advantages Foley has to offer.

* INTERCAMP BASEBALL GAMES AND SWIM MEETS WILL BE FEATURED.
