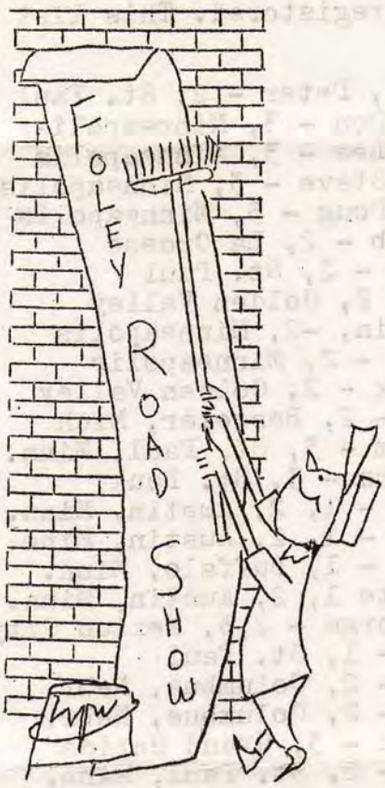
Foley BUGLE

PUBLICATION OF **CAMP FOLEY** PINE RIVER, MINNESOTA

VOL: 17; NO. 1 Director ROBERT E. SCHMID, Editor FEBRUARY 1971



You, your family and your friends are invited to one of these special limited engagement showings of our new camp movies which for the most part were taken during the 1970 season. Destined to win hundreds of Oscars for Best Acting, along with some for Best Setting and Scenery, the movies are rated "G" for general audiences and will thrill you because you were there, and you may even be in them! You won't want to miss it, so mark your calendars right now and plan to attend.

With the exception of the St. Louis and Chicago areas, the meetings will be at private homes. Individuals will be notified personally as to the time and place.

THE ST. LOUIS REUNION WILL BE AT THE CLAYTON COMMUNITY CENTER on Thursday, Feb. 18 at 7:30 PM.

THE CHICAGO AREA REUNION WILL BE AT FAITH, HOPE, & CHARITY SCHOOL on Sunday, Feb. 21 at 2:00 PM. Camp We-Haw-Kee for Girls will show their pictures in a different room at the same time for those interested.

Bob Schmid, your camp director, will be looking forward to seeing all of our camp friends and especially giving a preview of the '71 season. It's your chance to have the inside track!

BOB may be contacted at:

Des Moines	Friday, Feb. 12th	Howard Johnson
Omaha	Saturday, Feb. 13 Sunday, Feb. 14	New Tower Courts
Lincoln	Monday, Feb. 15	Holiday Inn
Kansas City	Tuesday, Feb. 16 Wednesday, Feb. 17	Holiday Inn Mission
St. Louis	Thursday, Feb. 18	Ramada Inn Clayton
Milwaukee	Friday, Feb. 19	
Chicago	Saturday, Feb. 20 Sunday, Feb. 21	Skokie Howard Johnson
Dubuque	Monday, Feb. 22	Holiday Inn
La Crosse	Tuesday, Feb. 23	Holiday Inn

THE TWIN-CITY REUNION WILL BE HELD SUNDAY, MARCH 14. Information will be forthcoming in the March Issue of the Bugle.

DIRECTOR BECOMES COUNSELOR

What's new in camping? Your director, Bob Schmid, assumed the role of regular staff member at Sandborn's Western Camp in Colorado during the month of October. The name of the new game in camping is Outdoor Education or School Camping. All sixth grade students from the Colorado Springs public school system spend one week at camp either in the spring or fall to learn about the out-of-doors. Eight subjects were taught - arts and crafts, local history, animals and birds, botany, field math, conservation, language arts, rocks and minerals, plus one recreation period a day. Bob taught Botany and ran the rifle program which was a repeat of his early days at Foley. Many states have fine programs in Outdoor Education such as Colorado, Michigan, Indiana, California, and New York to name a few. It is one of the coming things in education. Bob sees the program as a possibility before and after the regular season and would like to pioneer the idea in Minnesota.

EARLY BIRD BRIGADE

60 enthusiastic campers representing 8 states and Mexico are members of our 1971 Early Bird Club. The first 24 to register received the Foley flight bags in addition to the special surprise gift. All will have a free canteen treat each day.

We know that many of you will want to get your applications in now, having seen that some of your friens are already registered. This list does not include C.I.T.s.

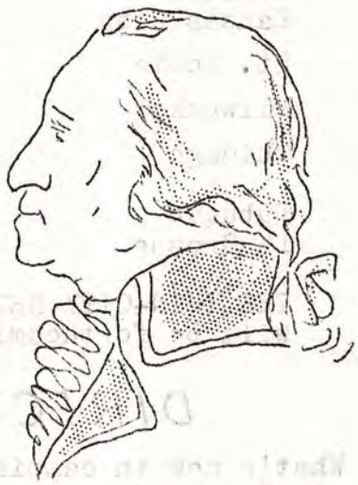
CAMP FOLEY INTERNATIONAL



December 16th marked the first international showing of the Camp Foley films at the Gill residence in Mexico City. Some 24 guests were in attendance to see the new films which were shown again the next evening at the Burillo home to another 22 guests. With 13 boys from Mexico last summer and many of them in the pictures you can well imagine the enthusiasm at these get-togethers. The entire Schmid family personally escorted the movies for these historic events and were certainly given a warm and cordialy reception by all our friends in the capitol city. Campers have been coming from Mexico for the past 18 years, but this was the first personal contact the director ever made in their native country.

NEW WILDERNESS REGULATION

Effective May 1st non-burnable but disposable food and beverage containers will be prohibited in the Boundary Waters Canoe Area. Adoption of the no-can no-bottle rule is expected to reduce the estimated annual deposit of refuse within the Canoe Area by 360,000 pounds each year with a saving of $90,000 for clean-up. Our menus for Canadian trips will have to be revised. We believe that eventually this will apply to all tripping on Minnesota Lakes.

THERE IS A DIFFERENCE IN AN ACA ACCREDITED CAMP - CAMP FOLEY!

HERE AND THERE

by Bob Schmid

From the close of camp until now has been a very different kind of year for me. As you have read, I did have quite an experience for a month in Colorado. Between the camp groups on week-ends, there were wonderful opportunities for mountain climbing and hiking like I have never done before. To participate in a round-up, gave the other staff members a few laughs. Beleive me, the horse I was on could not be controlled like a boat, sailboat, or canoe! - at least to my experience - a real fish out of water! The whole program, in such a contrasting setting, was an adventure and education worth more than 20 camping conventions held in a hotel.

Some of you campers who were with us in 1968 perhaps remember the girl from Mexico, Flor Hernandez, who stayed with my daughter at camp and later went to our home in St. Paul for a total of five months? Well, the Hernandez family invited our family to spend the Christmas holidays with them in San Luis Potosi, Mexico. This was certainly a change from the snow clad holidays spent at camp, expecially with the temperatures in the 70's and sunshine every day of the three and a half weeks spent in Mexico. The real value of the whole trip was to see the country with a native family and live with that family to get to know their customs rather than to go as a regular tourist. We were exposed to urban, rural, and ranch life from San Luis, Leon, Guadalajara, Queretaro, Mexico City to Acapulco. Everywhere people were friendly, kind, and considerate. It was interesting that so many spoke English, especially in the larger cities. I was particularily fascinated by the many small shops where they made furniture, pottery, glassware, etc. before your eyes. Our family delighted in the foods and eating habits of the country as well. Highlights for our family included the many Posados (parties before Christmas), bullfights on Christmas and New Year's day, and scuba diving to explore a sunken ship in the harbor of Acapulco. We all now will have a much better understanding of the boys who come to us from south of the boarder.

While we were enjoying Mexico's hospitality JOHN KOPPELMAN was married on December 28, a total surprise! We are looking forward to having John and his bride, Michelle visit us next summer.

Upon our return there was much correspondence to catch up on. A quick trip to the camp found everything in fine order, not as much snow as in past years.

I know that you are all interested in hearing news of the staff. Many contracts are already in from the '70 staff, but I'll save the news until I see you at the reunions!

NEW BROCHURE

All campers received as part of their Christmas greetings our new brochure which we hope you have enjoyed and will keep as a fine remembrance of your camping experience. Never have we had so many compliments from campers, staff, and parents. Camps often exchange their publications and this was the comment from another director: "I think your new book is the best you have ever done! The size, the layout, the artistry, the color, the cover is 'class' and rates as one of best I have ever seen in my 35 year camping career!"

STAFF NEWS

As previously predicted the number of returning staff including those graduating from the C.I.T. program to Junior Counselor statis will be unusually high in this day of rapid change. Only one third of our staff will find Camp Foley a new experience for them.

DENNY GRIEBEL of Harmony, Minn. and Mankato State College will return as program director for the second year although it is Denny's fourth year on the staff having previously been involved with our trip program.

BOB MC CORMICK will be celebrating his 13th year at Camp Foley, returning for his third year as Marina Director. Bob has been camper, C.I.T., and senior staff member and will be graduating from Creighton University in Omaha this year. He is a native of Minneapolis.

With the return of MARK HOFFMAN for his 8th year as rifle director we can again be assured of an excellent program in this area. Mark teaches in the Eldon, Missouri High School.

Fencing master GEORGE BATTIS of St. Paul and St. Thomas College will be back at his post. George is also an old time camper, C.I.T. and J.C. spanning some 12 years. It will be George's second year as a senior staff member.

JIM COTA will be back for his third year as waterski director. Jim hails from St. Cloud, Minn. and attends St. Cloud State College. After an absence of one year DALE TORGERSON of Duluth returns as swimming director.

Familiar faces in the marina area which of course includes sailing and waterskiing will be four old campers, C.I.T. s and junior counselors, MIKE DRAHOTA of Omaha, ROB SCHMID of St. Paul, MARK BUSSMAN of St. Louis, and MARK NORMAN of Minneapolis.

Some new senior staff have already been added. GERALD FOSTER, a high school teacher in Sheboygan, Wisc. with three years experience in camping as trip director, TOM SMITH of St. Paul as shop director, and JOHN GROVE of Minneapolis as riflery assistant. Both Tom and John are students at the University of Minnesota.

The junior staff to date include four former C.I.T.s and two new men. The members are GREG DEUBERRY of South St. Paul, BRIAN FRANKEL of Downey, California, BOB SNEDIKER of Winnetka, Ill.,TIM TRUDEAU of Mpls., and JOHN RAMEY, TOM BISANZ both of St. Paul.

More to come in the next issue of the BUGLE.

HERE AND THERE by BOB SCHMID

Back from our big 'swing' around the states, Vi and I were greatly pleased with all the reunions and especially with the number of new families who were introduced to Camp Foley life. It was really great seeing all our old campers and the hospitality of many of our camp families hosting the get-togethers was really superb.

We are now 'getting into gear' for the big Twin City Reunion which for the first time in 35 years will change location to the New St. Thomas Academy. It promises to be a great afternoon on Sunday, March 14th and we'll be looking forward to seeing all our campers and friends from the Twin Cities and adjacent areas. See back side for details!

- -

FOR RENT: Modern three bedroom cabin complete with extra sleeping annex and laundry facilities. Accommodates 10 with ease. Located next to camp property on the lake with private dock and beach. Available prior to June 25th and after August 13th. For further information contact the camp office.

VOL. 47; No. 3 Director ROBERT E. SCHMID, Editor APRIL 1971

CAMP TIME IS CLOSER THAN YOU THINK !!

STAFF NEWS

In our last issue of the Bugle we reported on 18 counselor staff for the 1971 season. Seven more can now be added to that list:

FRED STONE former camper, C.I.T., and counselor will return in '71 as assistant swimming director and marina assistant. Fred is a native of Minneapolis and attends the University of Minnesota.

Three graduating seniors from St. John's University are among the most recent additions, PAUL MOUDRY of St. Paul will work with shop and archery, FRANK O'KEEFE of St. Cloud and former Foley camper will add some additional spark to the waterskiing program with trick and barefoot skiing, and BILL MILES from Moscow, Idaho will work with the tripping program and athletics.

Two new assistants in the trip program are JIM CRARY of Fargo, N. D. and Creighton University in Omaha and BOB ALT of the University of Iowa and Dubuque, Iowa. One addition to our junior staff is former camper TOM GREVING of Fargo, N. D.

HERE AND THERE

by BOB SCHMID

Whenever there is any kind of school vacation you can bet your bottom dollar that the Schmid family spends it at camp. Easter vacation was no exception as our lake residence was officially opened for '71. The week spent at camp was most enjoyable as the weather man was certainly cooperative with sunshine. The camp withstood the heavy snows of the winter well although we had some of the worst tree damage in recent years due to the heavy ice and snow storm of February 19th when the whole area was without electric power for five days. JOHN LUDKE, our maintenance man, has been busy clearing away the debris. Traces of the 'white stuff' were still present when we left but going fast with the warmer weather. At present the lake is quite low with approximately 24 feet of beach. The spring rains will, however, bring it back to the normal level and speed the ice break-up. By the time you receive this bulletin, ground preparations will be under way at camp and the Schmid family will be back there for a few days to get things underway for '71 the year you will really want to come to camp!

SUCCESS
is going after what you want.
HAPPINESS
is liking what you get.
CAMPING AT FOLEY
is both Success and Happiness.

'71 THE YEAR TO COME!

Everyone is anxious to know what will be new this summer. Without a doubt a great deal of emphasis will be placed on the VOYAGEUR AWARD. This award provides a real challenge, especially for the returning camper and encompasses all fields of camp endeavor. A silver engraved paddle plaque will be presented to a camper, 12 years and under who completes the requirements for his age group. We had three recipients of this award last summer PAT CONLIN, PETER GEORGE, AND BILL FERLEY. A more advanced set of requirements will apply to campers 13 years and up and the award will be the gold engraved paddle plaque. Many boys are on their way to earning these awards and will want to complete them this summer.

What's new in equipment?

DINING HALL - Perhaps the most noticable change this year will be all new round tables seating eight persons each.

MARINA - 2 new 6½ h.p. motors
2 new Super Sharks

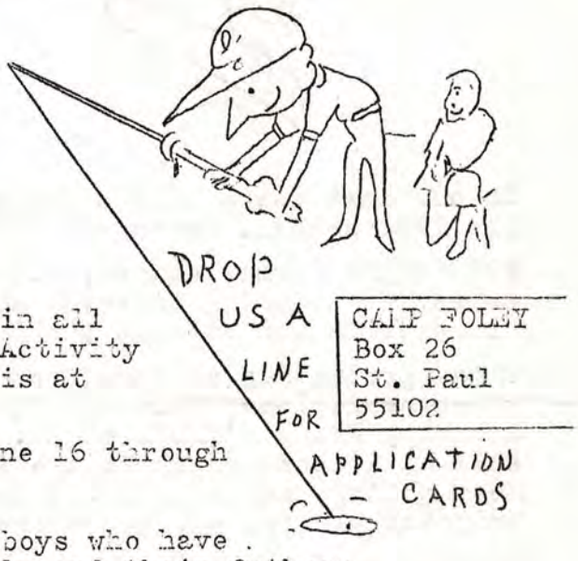
RIFLE RANGE - New shooting mats

KILDARE - New beds

DIVING TOWER - New fiberglass diving board

SIOUX REC ROOM - New Ping Pong Table

FATHER-SON WEEK



* Six wonderful days together at camp for fathers and sons to fish, shoot riflery or archery, sail, canoe, and take short canoe trips, waterski, and hike just to name a few.
* Qualified key staff members available in all areas for supervision and assistance. Activity plans will be made on a day to day basis at the request of the participants.

** Date: Wednesday afternoon, June 16 through Tuesday noon, June 22
** Cost: $75 per person
** Who may attend: Open only to boys who have camped with us previously and their fathers. No age limits!

FAMILY, FRIENDS BID FAREWELL TO 'FATHER JERRY' REPOLA

In a concelebrated Mass of the Resurection, the bishop, priests, lay friends, and family of Father Gerald D. Repola paid their final respects to the young priest who died just after midnight in Denver on Friday, March 5th at the age of 33.

Father Repola in his seminary days was on the Camp Foley staff from 1958 to 1960. It was under his direction that the present wilderness post was organized and established. He had the summer free last year and had intended to return to camp as Trip Director, however, plans changed and he was unable to be back at Foley.

Father Repola was serving as chaplain to the Newman apostolate at Adams State College in Alamosa. He left Alamosa last July. He was working with deprived children in a YMCA sponsored home at Des Moines, Iowa when he became ill. An exploratory operation discovered an incurable and rapidly spreading cancer. Doctors gave the young priest two weeks to live. During his confinement in Des Moines Bob and Vi Schmid were happy to have the opportunity to visit him. They never saw a young man face death with such strength, courage and resignation to God's will. He had a great peace of mind - that during his short life he had accomplished the goals for which God had placed him on this earth.

TWIN CITY REUNION- A BIG EVENT

150 campers, staff, and parents were a part of the 1971 camp reunion held at St. Thomas Academy on Sunday, March 14. It was the first change in location for the event in 35 years. Swimming, basketball, and ping pong provided outlets for some of the stored winter energy, Refreshments were served in the cafeteria. The program and new movies followed. Staff in attendance included DENNY GRIEBEL, FRED STOHL, JIM COTA, MARK NORMAN, BOB SCHMID, GEORGE BATTIS, GREG DEVERRY, JOHN GROVE, AND TIM TRUDEAU.

Foley BUGLE

PUBLICATION OF **CAMP FOLEY** PINE RIVER, MINNESOTA

VOL. 47; No. 4 Director ROBERT E. SCHMID, Editor JUNE 1971

HAVE CAMP FEVER?
'71 IS THE YEAR TO COME!!

It won't be long now! It hardly seems possible! In less than three weeks the north shore of Whitefish will again be alive with the happy voices of campers and in less than two weeks counselors will be starting their training.

IF YOU HAVE NOT AS YET REGISTERED, WE DO HAVE SOME ACCOMMODATIONS AVAILABLE IN EACH PERIOD AS WE GO TO PRESS, SO LET'S HEAR FROM YOU NOW!

TRANSPORTATION NOTES

Now that the summer airline schedules have been published, transportation schedules are being mailed out to all first period campers traveling by plane. Other transportation information regarding special buses will be sent three-weeks prior to the period registered.

MAIL NOTICE

From now until the first of Oct. all camp mail and phone calls should be directed to Pine River. Call area code 218, the number 543-6161. Those who recently sent mail to St. Paul need not be concerned as it will be forwarded to Pine River.

FATHER-SON WEEK

June 9th is the deadline for registration for Father-Son Week, Wed. June 16 to Tues., June 22. This special event is open only to those boys who have camped with us previously and their fathers, (no age limits.)

CABIN MATES

If you have any preference for cabin mates be sure to let Bob Schmid know at least a week before the start of the period, if you haven't already done so. We can't consider bunking boys together who are more than a year apart in age.

ACTIVITIES GUIDE

Activities guides will be given to all campers upon arrival. Any parent who is interested in having one of these guides before your son leaves for camp may obtain a copy by writing to the camp office in Pine River. The GUIDE will give you a better idea of all the program advantages Foley has to offer.

* New round tables in dining hall
* 2 new 6 h.p. motors
* 2 new Super Snarks
* New shooting mats
* New beds in Kildare
* New fiberglass diving board
* New Sioux ping pong table

A FOLEY FIRST

The first "live-in" outdoor education program in the state of Minnesota will be held from June 7 to June 11th involving 6th grade boys and girls from four St. Paul parochial schools. It is the type of a program that is destined to become a part of the regular school curriculum as it has in many other states across the country. The program is to include stops at historical locations to and from camp. At camp outdoor classes in birds and animals, botany, marine biology together with some laboratory work, conservation and weather, field math, rocks and minerals, plus boat and water safety will be taught. Free choice of recreational activities such as archery, boating, canoeing, baseball, basketball, tennis, riflery, Voyager cruises, fishing, group games, and special visits to the forest ranger tower and buffalo ranch.

Camp Foley has the resources to become the Outdoor Education Center for parochial schools of Minnesota. The program and proposal has been presented to all six dioceses and has already been approved as a part of the official curriculum of two, New Ulm and St. Cloud, to be tested on a voluntary basis next fall beginning Sept. 20. This kind of program would not affect the regular camping season, but merely be an extension in the use of our facilities.
