## LAKE SUPERIOR SAIL TRIP

Sailors who took part in the 1986 Lake Superior Sail Trip were so enthusiastic upon their return to camp that they sparked great interest in the 1987 Sail Trip. Interest is so great that we've had seven campers sign up for the trip before any information had been sent out!

Two sail trips are planned for this summer - one departing June 24, the other June 28. On each trip five campers and one Foley staff member will spend four days aboard La Plongeon, a forty-two foot ocean-going ketch. Campers will explore the Apostle Islands and learn the skills of large boat sailing with Skipper Ted Gephardt.

Cost is $240.00, which covers the boat charter, food, and transportation. This cost excludes regular Session I tuition and personal expenses of the camper throughout the trip. Campers will be responsible for the purchase of two meals enroute from and to camp, and any snacks, etc., purchased during the trip.

Any camper 13 years of age or older who has some sailing experience is eligible for the sail trip. Preparations for the trip will be made in the early part of Session I and all participating campers will have ample opportunity to work on their sailing skills prior to the trip.

If you are interested in participating in the sail trip, please contact us. Your registration deposit must be in the camp office to confirm participation. Seven spaces have already been confirmed by the following campers: Betsy Holtzermann, Kate Fitzsimmons, Hilary Pfau, Rolph Blythe, Johann Peterson, Phil Hawken, and Meaghan Hickok. Don't miss the opportunity to sail with other Foley campers on Lake Superior and to explore both the waters and lands of the Great North!

## CRUISING ON WHITEFISH

The latest addition to the Foley fleet is a Canadian built, 22 foot, Tanzer keel boat. Equipped with spinnaker gear, an outboard motor, and instrumentation, it is an excellent boat to introduce campers to cruising techniques. Campers may use the boat during sailing activities. Groups may cruise Whitefish to explore the islands and learn anchoring and spinnaker techniques. Overnight sail trips will be possible on the chain of lakes! This boat opens new options for our campers and adds even greater variety to the Foley sailing program. Experience the fun and adventure of cruising Whitefish at Foley in '87!

Of course, the boat needs a name! Enter the "Name the Boat Contest". Send your entries to the camp office or bring them to the Get-Together near your home this winter. The winner will christen the boat during a special ceremony.

## SCRAPBOOKS

Campers enjoy taking memories of their summer with them to share with family and friends and to look back on as they grow older. Each camper at Foley in '87 will receive a Camp Foley Scrapbook to hold those camp memories and momentos. There will be plenty of space to put in awards, photos, camp letters, and autographs of friends, cabin mates, and staff. Each session, a special time will be set aside for staff members to help campers with their scrapbooks. These books can hold a lifetime of memories of a special summer for our campers.

In response to parent and camper comments and requests, 1987 will see a new program area opened for the boys. The art program will expand to include boys interested in working on projects like: calligraphy, charcoal sketching, painting and lanyard making.

## 50's DANCE

Once each session, Foley campers will go back to the 50's. That's right, a genuine 50's dance will take place at camp. So girls, bring your bobby socks, saddle shoes, poodle skirts, and rolled up blue jeans. Boys, bring the Brill Cream, white t-shirts, and blue jeans. Get ready to dance your socks off when Foley campers "Rock Around the Clock"!

## ANNOUNCING

What do Todd Geller, Betsy Holtzermann, Gina LaGrange, Andy Mullin, John Mullin, Matt Pedrolie, Hilary Pfau, Paul Pirner, Tess Acuff, Inger Hansen, Jennifer Scott, and Melissa Johnson have in common? They are all members of our 1987 work crew. Each member of the work crew spends time working in the kitchen in addition to participating in camp activities. These campers provide an important service at camp helping to prepare meals and to keep the kitchen and dining room clean. More importantly, work crew members take on responsibilities as role models for our younger campers. They read stories, play games, and talk with the younger campers as well as help out with laundry, folding clothes, and the "nitty gritty" of cabin life. Our eight, nine, and ten year olds look up to members of the work crew and truly enjoy having them in the cabins.

Beth Burnett and Shannon Huneke may join the ranks of the '87 work crew. There is still an opportunity for another camper to join the crew for one or two sessions. Contact the camp office for more information.

## 1986 SPECIAL AWARDS AND RECOGNITION

The '86 camping season was special in some way for each of our campers. New friends, new skills, greater independence, and special moments made our campers summer special. Every camper set goals for his/her stay at camp. This summer some special goals were reached: getting up on skiis for the first time, achieving the Mate award in sailing, passing the intermediate swim level. We congratulate each camper who met or exceeded his/her goals for the summer.

Special recognition goes to some of our campers who worked to achieve in several areas at camp. The Birchbark Award was presented to five campers this summer. These campers have completed at least half of the requirements for a paddle award - the highest award presented at Foley. Pat Flynn, John Sweet, Chris Pflanz, Chrisy Barnett, and Michelle Rossmiller have each demonstrated skill in various activities as an all-round camper and are recognized as campers who are enthusiastic and supportive of the camp program and are helpful to other campers. We congratulate these recipients of the Birchbark Award.

One Silver Paddle was awarded in '86. The Silver Paddle is the highest award presented to campers age twelve and under. The recipient of the Silver Paddle has demonstrated skill in a variety of activities, has taken part in a canoe trip, participated in inter-camp competitions, and is a helpful, happy, enthusiastic camper. Joel Benton, a second year camper, received his Silver Paddle during session I. Joel worked very hard to achieve this award in only two years. Congratulations, Joel!

The Anchor Award is now in its third year of existence. This award is given from the campers to two individuals, one girl, one boy, who exemplify the attribute of an all-round camper. These individuals are enthusiastic, caring, concerned participants in all aspects of the camp program. The following campers were honored in '86 by their fellow campers: Session I - Beth Berger, Luis Calderon: Session II- Jenny sborn, John Sweet; Session III - Chrisy Barnett, Todd Geller.

Once again, our congratulations to these and all campers who achieved their goals in '86!

Many of our '86 campers achieved high awards in the various activities at camp. We are proud to announce the achievements of campers in the following areas:

ARCHERY: Silver Bow Archer: Pat O'Keefe, Dan Barnes, Eduardo Meckelein.
Silver Bow Archer First Class: Eduardo Meckelein.

CANOEING: Advanced Canoeing: Chrisy Barnett, Betsy Gianini, Emily Murphy, John Haley, Eduardo Meckelein, Charlie Mullin, Chris Pflanz, John Sweet, Eric Bailly, Beth Berger, Melissa Johnson, Michelle Rossmiller.

BOARDSAILING: Force Four: Mary Burnett.

SWIMMING: Advanced Swimmer: Tom Albus, Chris Pflanz, John Sweet.

TENNIS: Advanced Intermediate Tennis: John Haley, Andy Mullin, Andy Murphy, Chris Pflanz, Dan Schuster, John Sweet, Lance Wahl, Brian Kaveney, Ron Hoeper, Eduardo Meckelein, Inger Hansen.
Advanced Tennis: Michelle Rossmiller.

SAILING: Skipper: Chrisy Barnett.
Advanced Skipper: Martin Perez.

RIFLERY: 6th Bar: Louis Calderon.
8th Bar: Todd Geller.

# KEEP UP THE GOOD WORK IN 1987!

## THANK YOU!

A special thank you to parents and campers who are helping to promote Camp Foley! You are our best promoters and we appreciate your confidence in us to tell neighbors, friends, and relatives about our program. Our promotional travels in January and February have been successful and enjoyable as we have visited with camp families. We are appreciative of our families who have made meeting arrangements, hosted meetings, prepared home cooked meals and opened their homes to us. Thank you! Keep promoting Camp Foley!

# Swim Test ?!

Upon arrival at camp, each camper is required to take a swim qualification test. Each camper who passes this test is considered an intermediate swimmer and is not required to take swim lessons while at camp. Those who do not pass are required to sign up for swim class until they pass the Intermediate swim level of the Red Cross swim program. Campers who can complete the test but are out of practice will be assigned to a three day review class.

With the large number of waterfront activities offered at Foley, we feel that it is very important that your child be a skilled swimmer. In order to participate in some waterfront activities a camper must have attained specific swimming skill levels. All waterskiers must have passed Red Cross Intermediate swim class and all boardsailors and snorkelers must have passed Red Cross Advanced Beginner swim class. All other waterfront activities are open to all campers regardless of swim level.

Practicing swimming skills over the winter or enrolling in a swim class may give your child the endurance and skill necessary to pass the swim test in the lake and therefore not be required to take swim lessons while at camp. Please help us in assigning your child to the proper swim class by sending copies of their cards from past swim classes. Please remember that swimming in a lake is very different than swimming in a pool.

Ten minute swim:
- front dive into the lake
- one minute of back float
- two minutes of survival float
- two minutes treading water
- five minutes of staying afloat, using any method

Campers are also tested on the basic swim strokes for a distance of fifty feet per stroke. The swim strokes tested are: front crawl, elementary backstroke, sidestroke, and back crawl.

SAILING!SAILING!SAILING!SAILING!SAILING!SAILING!SAILING!SAILING!SAILING!SAILING!SAI

There is only ONE opening on the Lake Superior Sail Trip, and that opening is for a GIRL! During Session I, two sail trips are planned to explore Lake Superior and the Apostle Islands. Five campers and a staff member will join Skipper Ted Gephardt for four days aboard La Plongeon, a forty-two foot ocean-going ketch.

Cost is $240.00, which covers the boat charter, food, and transportation. Thi cost excludes regular Session I tuition and personal expenses of the camper throughout the trip. Campers will be responsible for the purchase of two meals enroute, and any snacks, etc., purchased during the trip.

Any GIRL thirteen years of age or older who has some sailing experience is eligible to fill this last opening. If you are interested in participating in the sail trip, please contact us. Your camp registration deposit must be in the camp office to confirm participation. Don't miss the opportunity to sail with other Foley campers on Lake Superior and to explore both the waters and lands of the Great North!

# PINE CAR DERBY

This year in wood working shop, boys and girls will have the opportunity to build a pine car for our Pine Car Derby. Pine cars are small wooden race-car models, built to specific demensions and raced by gravity down a regulation track. Good luck to all of you SPEED DEMONS!!!

# TORPEDO TUBE!

What's this?! Another exciting activity at the water front.... It's a "Torpedo Tube"!!! This is an inflatable rubber tube that six campers can ride while being pulled behind one of our ski boats. The best thing about it is there will be no required swimming ability so everyone will be able to try it. Life jackets required!

# PITCH, HIT & RUN...

BATTER-UP!

Here's a chance for campers to match their baseball skills against each other, against campers across the U.S.A., and against their own personal best. It's the 1987 Pitch, Hit and Run competitions from Kelloggs.

Every camper who enters Pitch, Hit and Run wins a certificate of merit. Entrants compete only within their age group, in the three skill catagories: pitching, hitting and running. Winners are determined by the highest score achieved during individual camp session competition. The two highest scores in each age group across the nation advances to the National finals in Chicago.

# CAMP FOLEY A R TRAVEL INFORMATION AND STRUCTIONS

RESERVATIONS AND TICKET PURCHASES: Parents are responsible for making and paying one-way or round-trip reservations for their child. Schedules are subject to change by the airlines. Below are suggested flights. You may choose another flight arriving on Wednesday before 10:30 a.m. and departing Minneapolis on Tuesday between 2:00 p.m. and 5:00 p.m. Return tickets will be collected.

SUPERVISION: Camp Foley Representatives will meet all planes at arrival gates and escort campers to their departing flights. Overnight accommodations in the Twin Cities will be made if necessary.

BAGGAGE: Please send all duffel bags with campers. Be sure to use Camp Foley luggage tags on everything checked and carried on.

CALL US IF YOU NEED FURTHER INFORMATION:
St. Paul Office before April 24 - (612)633-4881
Pine River (Camp) after April 24 - (218)543-6161

TO MINNEAPOLIS - Wednesday, June 17, July 8, and July 29 before 10:30 a.

## OUR CAMPERS WRITE ABOUT FOLEY

The girls of MicMac I and II of session I wrote some poems and articles about camp, cabin living, and camp activities. Below are samples through the eyes of the camper!!

### CABIN LIFE

Cabin life may seem boring and blue to you,
But to Foley's campers it is exciting and true.

We start our day by cleaning up
Wishing we could have a 7-Up.

But even though we don't have pop
We still have fun that doesn't stop.

We come to our cabins like its home
Wishing though we could use the phone.

But even though we can't make a call
All of us still have a ball.

We share so much with our cabin and friends
That our unique relationship never ends.

We are all so different in many ways
Which makes 1st session fun Foley days.

There is a special part of each day
that we spend in our cabins resting and
writing letters that say "How much fun
we are having each day"

We come to our cabins
After campfire and get into
Bed in which we retire.
We dream about the goals
We have accomplished and
The many more to come
In the next future days.
We hope your amazed by
What we've said because
We lived this cabin life
With nothing to dread!

Val Kirke & Liz Waters

### CAMP FOLEY STANDS FOR FUN!

C is for C-scow.
A is for aiming for your goals.
M is for morning stretch.
P is for perfect summer.

F is for friends.
O is for outdoors.
L is for learning new things.
E is for exciting.
Y is for YOU SHOULD COME.

Amy Vosburg

## SAFE FUN IN THE SUN

We always hope for sunny, warm summers. Camp is always more fun when when the weather is good. Not many things are better in the eyes of our campers than being aboard a sailboat with a nice breeze blowing and the sun overhead. We couldn't agree more! However, we would like to encourage parents to help us protect their children from the harmful effects of the sun that we all so enjoy.

Recent studies suggest that much of the sun damage that predisposes individuals to malignant melanoma skin cancer occurs during the first ten years of life. Some studies have shown that a history of painful or blistering sunburns BEFORE THE AGE OF TWENTY more than doubles the risk of developing malignant melanoma later in life.

The results of these studies may seem frightening, but there is much you can do to help your child reduce his/her risk of skin cancer. Some children are at greater risk than others. Individuals who burn easily and rarely or never tan are more susceptable to skin cancer. Instilling good skin care habits at an early age can prevent premature wrinkling, aging, and cancer of the skin. Listed below are some suggestions from the Skin Cancer Foundation:*

- Use sunscreens with SPF of 15.
- When in direct sunlight, cover up with a hat, long-sleeved shirt, and long pants
- Beware of reflected light. Water can reflect ultraviolet rays up to 100%.
- Consult your physician if your child is under medication. Some medications produce side effects when reactions with the sun occur.
- Examine the skin regularly. Watch for any new raised growths, itchy patches, nonhealing sores, changes in moles, or new, colored areas.

Skin cancer is extremely rare in children and uncommon in teenagers. Concern for the health of their skin needs to be taught from an early age. The cumulative effects of overexposure to the sun will not be seen until your child has grown to adulthood.

We make every attempt at Foley to help protect your children from overexposure to sunlight. Help us by sending a sunscreen to camp with your child. We will also have sunscreen available in the canteen. Our staff are always on alert for signs of sunburn and overexposure.

* To obtain a free copy of the brochure "For Every Child Under The Sun", send a stamped, self-addressed business-size envelope to: The Skin Cancer Foundation, Box 561, New York, NY 10156

## SIX AND SEVEN YEAR OLDS COME TO CAMP FOLEY

For one week, June 17 - June 23, six and seven year olds will have the opportunity to attend Camp Foley. We will be offering a variety of activities in small group settings with plenty of individual attention. Some of these activities include:

| | |
|---|---|
| SWIMMING LESSONS AND PLAY | CAMPFIRES |
| ART / SHOP | COOKOUTS |
| ARCHERY | NATURE STUDIES |
| FISHING | BOAT RIDES |
| SAILING | GROUP GAMES |

Each junior camper will receive a camp T-shirt, stamped postcard to send home, certificates of accomplishments, candy and pop from the camp store, art and shop supplies as a part of their $300.00 tuition. The only extra expenses would be transportation to and from camp and additional items purchased at the camp store.

- WATCH FOR FURTHER INFORMATION AND REGISTRATION FORMS IN A FLYER COMING YOUR WAY -

# RENAISSANCE DAY

A special day for 1987 is going to take us back into the Renaissance, the time of kings, queens, and knights. The activities will begin with a Royal Procession led by the King and Queen and their royal court followed by the lords and vassels. The King will read a special proclamation to his people to begin the festivities. Brave lords (staff) will lead the vassels (campers) in fearless competitions and struggles to win the King's favor. The vassels will fight bravely and skillfully in various events. A King's banquet will be served to the loyal kingsmen. In exchange, the kingsmen must provide the King with an evening of entertainment.

Traditionally at Camp Foley before retiring to the cabins, the entire camp family gathers at the evening campfire for announcements about activities, acknowledgement of camper achievements, songs, and skits. To add interest and fun this year, the campfires will be planned by cabin groups to reflect a monthly theme. Will you be the best dressed New Year's Baby? Have you gone carolling in July or on an Easter egg hunt in mid-summer? To which friend will you send your Valentine? There's sure to be fun for everyone involved! The monthly themes are:

January - New Year's Eve
February - Valentines Day
March - St. Patrick's Day
April - Easter/Passover
May - Spring Fling
June - Final Banquet

July - Independence Day
August - Foley History Day
September - County Fair
October - Halloween
November - Thanksgiving
December - Christmas/Hanukkah

Campers are encouraged to bring small items to help carry out the themes. Some possibilities include: "formal attire" for banquets/dances ( ties, scarves, hats, skirts), Halloween costumes, party hats and blowers, mittens, hats and scarves, and holiday colored clothing. Again, campers are encouraged to bring some items to enhance the campfires, but are not expected to bring all of the items listed.

NEW to Camp Foley is the exclusive Monthly Birthday Club! Each month will be assigned to a day in which we will acknowledge campers whose birthdays fall within the chosen month. The celebration will begin with a rousing "Happy Birthday" to these special campers and end with a shared cake.

To highlight the day, the birthday campers will elect and "dress up" a staff member for the birthday walk into the lake! Everyone's birthday is important at Camp Foley.

Campers with actual birthdays during camp will not be forgotten. The traditional singing, dive into the lake, phone call from Mom/Dad, and a cake to share with cabin mates will still be a part of Foley!

Once each session, Foley campers will go back to the 50's. That's right, a genuine 50's dance will take place at camp. So girls, bring your bobby socks, poodle skirts, rolled up blue jeans, and saddle shoes. Boys, bring the Brill Cream, white t-shirts, and blue jeans. Get ready to dance your socks off when Foley campers "Rock Around the Clock"!

# FAMILY CAMP

Father - Son
Mother - Daughter
Father - Daughter
Mother - Son
Grandparent - Grandchild
Family Groups

Consider the fun filled camping opportunity to spend one to seven days with family members at Camp Foley, on the shores of Whitefish Lake. This program has shown a steady increase in the 1980's as adults value the quality time spent with their children in a relaxful, informal setting. Each day is filled with unexpected excitement.

## ACCOMMODATIONS/MEALS

Participants will sleep in clean cabins used in Foley's summer program. Each cabin can sleep approximately 9 people; in some buildings, up to 18 can be accommodated. Family friends may request shared living quarters. Limited suitable cabins for co-ed families.

## ACTIVITIES

| On Land | On Water |
|---|---|
| Tennis | Sailing |
| Archery | Waterskiing |
| Target Riflery | Kneeboarding |
| .410 Trap Shooting | Swimming |
| Basketball | Boardsailing |
| Volleyball | Canoeing |
| Badminton | Fishing |
| Cookouts | Sauna |

## LOCAL ATTRACTIONS

Golf at Driftwood Resort
Western Riding at Trout Lake
Trail Rides
Browsing in local towns
Movies in Brainard
Waterslides, amusement parks
Restaurants
Museums

## EVENING PROGRAMS

Organized by Foley Staff which may include campfires, group games like soccer, capture the flag, volleyball, an evening boat ride to the Dairy Queen, exploring Echo Lake, Foley's private wilderness reserve of 160 acres.

Foley staff will supervise the safety on the rifle range and archery range. They will pull skiers, skipper sailboats, and provide activity instruction upon request. Additional charges will be made for ammunition used at rifle range and for waterskiing. The following activity equipment is not provided: lifejackets, tennis racquets and balls, fishing poles and tackle.

## DATES

Wednesday, June 10th, through noon Tuesday, June 16th.
