Introducing Our Associate Directors

Hello Camp Foley,

We are the Rauch/O'Grady family of four and two of us have recently joined Camp Foley as year round Associate Directors. You might be wondering what the other two of us will be doing. Four year old Zachary and two year old Lucas have enthusiastically accepted the positions as "sidekicks to Marie and Jeff's little Peter". We are all glad to be here.

We are no strangers to camping, Minnesota, or Foley. Michael and I have a combined 35 years of residential camping experience mostly at Camp Thunderbird in Bemidji, Minnesota. It is also how we came to know of Camp Foley. Foley was one of Thunderbird Regatta rivals. Thunderbird was usually defeated in sailing but held their own in riflery! Rifle matches between the two camps go back as far as the 1940's. Marie's parents and Thunderbird founders were close friends.

Now, we are excited to be working with our friends, Marie Schmid and Jeff Beltz. And if you've had some trouble processing their individual names, get ready for this. We are Michael O'Grady and Kathy "Scout" Rauch with our sons, Zachary and Lucas. My camp name of 20 years is "Scout" and I am bringing this nickname with me to Foley. It's a fun easy name to remember for campers, parents, and staff so don't hesitate to call me "Scout".

Michael, Zachary, Lucas and Scout

What do we plan to bring to Camp Foley? We're planning to bring a tripping program combined with outdoor learning skills in the areas of biking, backpacking, and canoeing. The possibilities in these areas are endless and potentially available to all age groups with trip progressions being a strong incentive. We plan to bring additional fun and creative ideas to Foley and help Marie and Jeff in their quest to provide you the very best camper opportunities available. We're looking forward to getting to know each of you and sharing the skills that we possess. Whether it be building a magical campfire, putting up a tent or playing a instrument called an dulcimer, you can be assured that we will do our very best to provide Foley campers with memorable camp experiences. It will be easy for us to do as we love camping in northern Minnesota!

Looking forward to meeting you,

Scout, Michael Z/ B

Scout, Michael, Zachary and Lucas

All New Family Camp

Why not take the hassles out of family vacations by eliminating the planning, driving, restaurants, motels, parking fees and long lines? Simply replace all these headaches with two simple words... Camp Foley. A step out your cabin door in the quiet northwoods opens up a variety of activities sure to please everyone in your family. Camp Foley's family camp also provides an enthusiastic and talented staff that will supervise the safety on the riflery and archery ranges, pull skiers, skipper sailboats, and provide activity instruction upon request. So, whether it be waterskiing, canoeing, or perhaps that peaceful walk along Whitefish Lake that you are envisioning, park your car, hang up your keys and join us for a long weekend you're sure to enjoy with your family. Our Foley hospitality and spirit awaits you.

Accommodations/Meals:

Participants will sleep well in rustic cabins used in our camp program. Each cabin can accommodate approximately nine people; in some buildings up to eighteen can be housed. Family friends may request shared living quarters. There are centrally located washroom facilities. Three wholesome meals are served family style each day.

Dates/Costs/Registration:

A family may register to attend Family Camp from breakfast on August 26 to lunch on August 29, opting to stay from two to four days. The rate per day is $45.00 per person or $150.00 for all four days. Children five and under are $30.00/day with those age two and under free. Extra charges are made for items purchased in our camp store and for ammunition used on the rifle range. Family Campers are welcome to arrive after 7:00 p.m. August 25. Our program officially begins with breakfast August 26. Approximate arrival and departure times are requested to assist us in making your stay enjoyable. A $25.00 deposit per person is requested.

What to bring:

Sleeping bags, pillows, towels, lifejackets, fishing poles, tennis rackets, bathing suits, and informal clothes. A warm jacket or sweatshirt for cool evenings is recommended.

Activities offered at Foley:

Archery	Riflery
Basketball	Sand Volleyball
Boardsailing	Sailing
Canoeing	Swimming
Fishing	Tennis
Kneeboarding	Waterskiing

Local Attractions:

Golf
Movies
Museums
Restaurants
Waterslides, amusement parks
Western Riding

Family Camp

Thursday, August 26 through Sunday, August 29

Cost: $45.00 per person, per day. Children five and under, $30.00/day. Age two and under free.

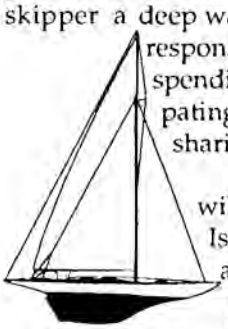
What's Happening in 1993

Lake Superior Sail Trips

Camp Foley will be offering Lake Superior Sail Trips during the three and four week sessions. Participants in the four day sail trip will learn to safely crew and skipper a deep water cruising sailboat. Campers will be responsible for rigging and unrigging the boat, spending time at the helm as skipper, participating in dinghy launching and landing, and sharing in galley duties.



In addition to the sailing, campers will explore some of the 22 Apostle Islands. These islands are rich in history and wildlife. Known for their hiking trails, lighthouses, and secluded wildlife habitat, the islands provide campers a unique opportunity to experience the beauty and history of a truly extraordinary part of our world.

Any camper, age thirteen or older, who has some sailing experience can participate in this special program. Cost will be approximately $350.00.

We have had a wonderful response to this trip. One trip is filled departing in our Three Week Session (June 30 - July 21). Foley sailors include: **Andy Bussman, Colin Corcoran, Courtney Flick, Joe McNearney, Brett Stringer,** and perhaps **Tim Goldman.** Another trip is being planned in the two weeks after after July 21. **Mike O'Keefe** and perhaps **Mike Mahoney** have expressed interest.

If you are interested in this limited opportunity, please make a note on your application or contact the camp office.

Dishwashers

Are you an enthusiastic camper looking for a work experience with other young adults while still enjoying camp? Then, this is for you! Campers who are fifteen or sixteen years of age can do dishes once per day and work off $50.00 per week of their camp tuition. If you are interested in becoming a dishwasher, contact the camp office and/or indicate your interest on the application.

The following campers have joined the dishwashing crew: Alyssa Dotson, Mary Beth Kalkbrenner, Joe McNearney, Jenny Dowling, Courtney Flick, Katherine Monge, Kristen Moorhouse, and Colleen Finn. The camp application and deposit must be in the office to hold a place.

Camper Leadership Program

The Camper Leadership Program is a varied experience for individuals who are sixteen or seventeen years of age. Experience is gained assisting staff with younger campers, working in our camp kitchen on a rotational basis, and being a positive role model. It is a four or five week commitment at half the tuition rate.

We have several individuals committed for '93. From June 16 -July 20 Mauricio Graf and Maren Krebsbach are registered and from July 21 - August 17 are Libby Broekemeier, Glenn Doyle, Dan Lenmark, Mike Monge, Elizabeth Turner, and Michelle Turner. Several others have expressed interest and we are looking at scheduling and other details. If you are interested, please contact the camp office for more information and a special Camper Leadership Application.

Incredible Fun Events

*1993 **Closing Banquet Theme** will have a nautical twist. Bring your cruise clothes or that unique sailor outfit. Join us in the fun Foley version of the "Love Boat" and/or "Gilligan's Island". It is a fun meal spent with camp friends before departing from camp.

*Throughout the nine weeks of summer camp, there will be at least five special all camp theme days or evenings. Bring costumes and other fun items to enrich the event. Check the dates that you will be in camp for the theme day or evening of your session.

June 20 - As a **Pirate,** you can create a simple costume out of sweat pants or ragged jeans, a white t'shirt and a colorful bandanna. A patch, a hook, or a fancy hat may be added. Once clad, your adventures may include a treasure hunt, a trip on a pirate's ship, or having your counselor walk the plank.

June 27 - For **Sherlock Holmes,** a private investigator theme will prevail. Do you have a fake nose with glasses, a calculator that squirts water or other undercover gimmicks? Bring a costume to disguise yourself. Be prepared for a fun time decoding messages, solving mysteries, and more.

July 4 - **Fourth of July** will be a celebration of our independence. Campers and staff will be wearing red, white and blue throughout the day. History will come to life during skits. There will be relay races and crazy fun filled competitions. Ice cream sundaes and fireworks will end our day.

August 1 - **Paul Bunyan** day will bring the north woods legendary figure alive. Dress will be of the lumberjack such as a flannel shirt, suspenders and jeans. The day could include a flapjack eating contest, log rolling, drawing Babe the Blue Ox and a Paul Bunyan look alike contest. Bring tales of this legendary figure.

August 15 - Join the rush of the **Gold Diggers** clad in jeans, boots, suspenders, a hat and a bandanna. Bring your pan to dig for gold. The day will take us out west in a search of gold, jailing your camp counselor and the fun of the times.

Staying 4 weeks or more?

Campers attending Foley for four or more weeks will be charter participants in an all new outdoor adventure program. **"Quest"** is being designed exclusively for the long term camper looking for adventure, challenge, and the freedom to be out of camp for up to a week. Trips being explored are biking or backpacking in the Chippewa National Forest, canoeing some rivers and lakes in northern Minnesota or Canada, or perhaps sailing and camping on a lake off the Whitefish chain. These experiences will be unique only to our long term campers. Watch for further details in our February Bugle.

Outdoor Leadership Skills

Coming to Foley use to mean enjoying all the exciting and wonderful in-camp activities offered on any given day. Now it means more... This summer's campers will be able to experience Camp Foley OUT OF CAMP even more than last summer. Tripping will continue to expand and have new twists at Foley. In order to offer extended wilderness experiences in such areas as canoeing, biking and backpacking, a new activity, Outdoor Leadership Skills (OLS) is being introduced that will prepare campers for these tripping adventures.

OLS will teach you such skills as firebuilding, proper use of stoves, cooking AND BAKING over a campfire, planning a trip, safety and first aid, equipment knowledge, knifemanship, putting up tents and most importantly, how to have fun exploring our wilderness while preserving it for future generations.

OLS also involves an opportunity to earn awards and progress to various levels of proficiency. Some trips will be based on achieving these OLS levels. There are five recognition levels which are named after elements in nature: Earth, Sun, Water, Weather, and Stars. You can even obtain an OLS Tracker which is a personal record book of your accomplishments. Campers can complete the various levels at their own pace, in one summer or over many summers. That's the exciting part of this program. You can start with shorter camping trips and progress to longer experiences. Cabin groups can work on OLS together or individual campers can choose this as an activity.

If you're ready for a new, challenging experience at Camp Foley this summer, then you won't want to miss our new tripping program. Skills learned in OLS will last you a lifetime.

New Stuff for 1993

*At mid summer, two plastic kayaks joined our waterfront. These fun crafts were such a hit that four more will be added. Another fun experience at the waterfront.

*Two areas will be set aside for cabin group enjoyment. One in our boy's cabin living area and one on the girl's end. These spaces will enrich cabin living by creating a special space for games and socializing. Surprises await our cabin groups!

*Three or four new elements will be added to our low initiatives course to challenge new and returning campers.

*Waterskiing doubled in excitement last summer with the addition of a boom or bar. This device aided novice skiers in learning to ski and challenged campers to try barefooting. Both ski boats in 1993 will have this boom.

*By popular demand Dennis Keffer will run his special Soccer Clinics each session. Watch for details in the February Newsletter.

Look Who's Coming to Camp!

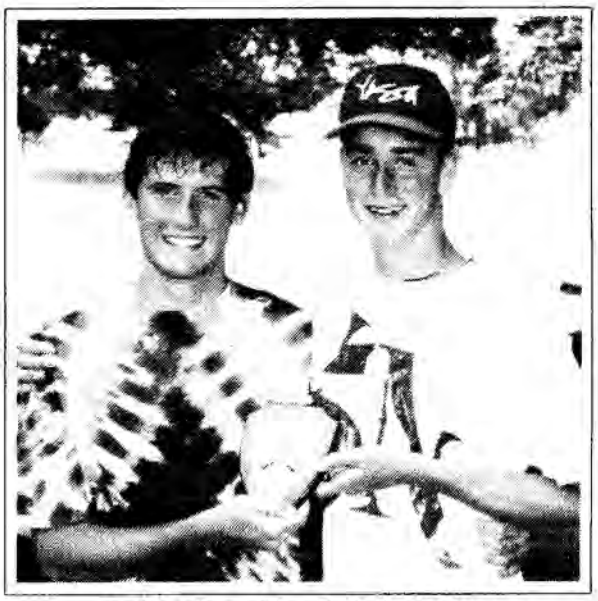
Awards

Andy Dotson & Pat O'Keefe

Two talented young men received their Gold Paddle during the 1993 Season. This is the highest honor that an individual thirteen years of age and over can earn at Camp Foley. In order to receive this award, one must master skills in a minimum of 11 activity areas. In addition, he or she must display strong positive characteristics such as leadership skills, respectfulness and enthusiasm for the camp program. The honor goes to **Pat O'Keefe** and **Andy Dotson** who received their Gold Paddles during a silly Camper versus Staff Olympic event in the Third Session. Pat was first a camper in 1983 and progressed through Foley's leadership program. Andy began his camping experience at Foley in 1984 and was also in the leadership program. Both were Assistant Counselors last summer. Our congratulations to both of them. It is an honor and the camp community is proud of their accomplishments.



Andy & Pat with a Gold Paddle plaque.
☺ Yes, they both got their own.

The **Anchor Award** is an award that honors outstanding campers who demonstrate qualities of being friendly, well-mannered, respectful and enthusiastic. All nominees for the award must have attended camp for a minimum of 5 weeks. The recipients are chosen by written vote of both the campers and staff. The 1992 Anchor Awards were presented to the following campers:

1st Session - Mauricio Graf and Holly Werth
2nd Session - Andy Wubbels and Betsy McGlynn
3rd Session - Chris Besinger and Courtney Cummins

We would like to recognize the following campers who, through hard work and goal setting, have achieved some of the highest activity awards at Camp Foley.

Boardsailing: Daggerboard - Nicole Moore, Dan Lenmark, and Tony Stone
Riflery: 9th Bar - Trish Ribaudo, 8th Bar - Glenn Doyle, Lindsay Field, and Laura Merrick
Sailing: Skippers - Andy Dotson, Mate - Katie Aspnes, Claire Benton, Libby Broekemeier, Kelly Caldbeck, Courtney Cummins, Amy Felkner, Chris Juelich, Becky Kimmelman, Anne Lewis, Debbie McCabe, Kristen Moorehouse, Nellie Pearson, Kristen Pederson, Mike O'Keefe, Joe Stickland, and Andy Wubbels
Skiing: Expert - Bridget Strand, Advanced - Lauren Hartzell, Suzanne Moore and Nicole Moore
Swimming: Emergency Water Safety - Renee Ducker, Christophe Kempe, Dori Lang, Rachel Linstroth, Andrew Mc Garvey and Kelsey O'Connor
Tennis: Advanced Intermediate - Libby Broekmeier, Aneel Damle, Emilio Doporto, Mauricio Doporto, Jack Gillard, John Kelly, Anne Lewis, C.J. Lind, Luis Jose Martinez, Pat O'Keefe, and Tony Stone

Congratulations to every camper who worked for and received an award or achieved a goal this summer!

Newsy Notes

The Bugle welcomes a new monthly column that is for the express usage of you the campers and staff. Here is an opportunity to share with the entire Camp Foley grapevine any news about you or your camp friends. Tell us of your school or extracurricular activities, any awards or accomplishments, or a new address. Say hello or send a message to that Foley friend that you just haven't gotten around to writing. Call us or drop us a note at our New Brighton office 633-4881. It's a great way to keep in touch with everybody and, in some cases, saves a long distance phone call... During our Summer Camp Kick-Offs, we gave staff and campers an opportunity to kick off our new column. This is what they said... **Colleen Finn** and **Jennie Dowling** want to say hi to all their Foley friends of 2nd session...To **Mollie Juelich** from **Anne Blanke**, "So when are you moving here"?...**Kara Sime** saw **Courtney Cummings** at Buck Hill Ski Area two week ago. She is on her high school racing team...Five Foley campers were in a play at their school. In The Taming Of The Shrew, **Asha Bandal** played "Gremio",**Lauren Sperry** played "Haberdasher", **Julie Allen** played "The Tailor", **Brynn Kresbach** played "Baptista", and **Alli Faricy** played "Hortencio"...To **Colleen Finn** and **Jenny Dowling** from **Anne Blanke**, "What are you doing? Bugle?"...**Michelle Rossmiller** has a new address: 265 Shelard Parkway #204, St. Louis Park, MN 55426, 612-546-3905. Michelle recently passed her CPA (certified public accountant) examination. Congrats Michelle!...**Anne Blanke** recently relocated from St. Louis, Missouri to Minneapolis and already has two jobs! You can reach her temporarily at Michelle Rossmiller's address. ...**Sean Fleming** is doing missionary work and would love to hear from his Foley friends. Please write to him at: Instituto de Ididmas/Padres de Mary Knoll/Casilla 550/ Cochabamba BOLIVIA.

Camp Foley's Poem

Camp is a place where we can share all our feelings with those who care.
Friends gather here from states afar and arrive by plane or car.
Memories here never fall apart, as long as you keep them deep in your heart.
Smiles are given here and hugs galore, at Camp Foley on Whitefish's shore.

by **Emily Culp**, St. Louis, age 10

When I Went to Camp Foley

At camp there are lots of things you can do. There is board sailing, riflery, archery, sailing, tumbling, biking, tennis, nature, swimming, water skiing, and other things too.

My favorite thing is nature because they have a nine foot long Burmese Python and it weighs 20 pounds. It is not poisonous. It eats rabbits and mice.

In riflery I got my Promarksman and my Marksman awards. Those are just some of the awards up at Camp Foley.

by **Justin Klauer**, Dubuque, age 10

Come on all you guys and girls send in or call in your news to share with everyone!

1993 Programs

Soccer Clinic

Do you want to concentrate on developing your soccer skills? Do you want to combine a couple hours of soccer with all of the other advantages of being at Foley? If you answered "yes" to these two questions than this soccer clinic is for you.

Increase your skill level in the fundamentals of passing, shooting dribbling, heading and throwing. Condition your body through stretching and exercise. Practice team work skills during daily skirmishes and drills. Players will be divided by age. Don't miss the fun. Sign up will take place during the first evening of the session. Dennis Keffer who plays for his college soccer team and has experience coaching youth will once again lead this clinic.

Sailing & Sail Racing

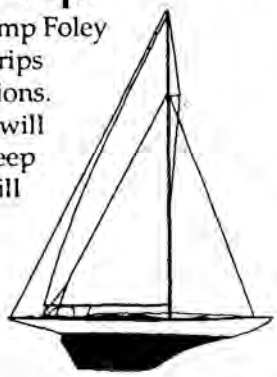
Sailing at Camp Foley is more than just traditional. It is fun and challenging for both skippers and crew. Nothing can quite compare to the excitement of sailing with the wind in your face and the sun at your back. It is absolutely wonderful. Campers young and old are coming to Foley to sail!

We are calling all sailors who want to race. Last summer an introductory class to sail racing was a great success. Campers new to racing received an orientation to the race course including starts, tacking and other skills to crew competently. They practiced their new skills by crewing for the Foley sailing staff. All went on to crew for other campers and some began skippering their own boats as their skills progressed. You can join this racing group too!

Races are being planned. Foley will be more involved than ever before in races with other camps. Hope to see you sailing at Camp Foley.

Lake Superior Sail Trips

Want to sail even more? Camp Foley will be offering Lake Superior Sail Trips during the three and four week sessions. Participants in the four day sail trip will learn to safely crew and skipper a deep water cruising sailboat. Campers will be responsible for rigging and unrigging the boat, spending time at the helm as skipper, participating in dinghy launching and landing, and sharing in galley duties.



In addition to the sailing, campers will explore some of the 22 Apostle Islands. These islands are rich in history and wildlife. Known for their hiking trails, lighthouses, and secluded wildlife habitat, the islands provide campers a unique opportunity to experience the beauty and history of a truly extraordinary part of our world.

Any camper, age thirteen or older, who has some sailing experience can participate in this special program. Cost will be approximately $350.00.

We have had a wonderful response to this trip. One trip is filled departing in our Three Week Session (June 30 - July 21). Foley sailors include: **Andy Bussman, Colin Corcoran, Courtney Flick, Joe McNearney, Brett Stringer**, and perhaps **Tim Goldman**. Another trip is being planned in the two weeks after July 21. **Mike O'Keefe** and perhaps **Mike Mahoney** have expressed interest.

If you are interested in this limited opportunity, please make a note on your application or contact the camp office.

Dishwashers Needed

Dishwashers are needed for our First Session, from June 16 - June 29. If you are an enthusiastic camper looking for a work experience with other young adults while still enjoying camp, this is for you. Campers who are fifteen or sixteen years of age can do dishes once per day and work off $50.00 per week of their camp tuition. If you are interested in becoming a dishwasher, contact Marie Schmid or indicate your interest on the application.

CLP's Needed

Camper Leadership Program is a varied experience for individuals who are sixteen or seventeen years of age. Experience is gained assisting staff with younger campers, working in our camp kitchen on a rotational basis, and being a positive role model. We have openings from June 16 - July 20. If you are interested, please contact Marie Schmid.

Outdoor Living Skills

If you read the January issue of the Bugle, you know that a new program, OLS (Outdoor Living Skills) has come to Foley. You also know that it has something to do with camping, cooking over a fire, putting up tents, planning trips, packing out foods,
respecting the wilderness as well as receiving some awards. We'd like to now tell you what the first skill level is called and what you need to accomplish.

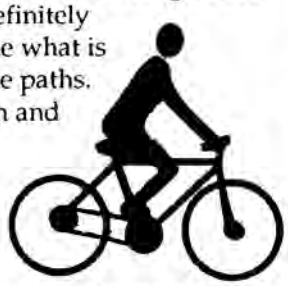
In OLS, accomplishing Skill Level 1 called "EARTH",

you must satisfy 22 requirements which will be taught to you by the activity head. All of these can be easily mastered by anyone genuinely interested in enjoying the camping and tripping aspects of camp life regardless of age. In "EARTH", you will learn to: plan a half-day hike and be able to show your group what you will wear and what you will take with you in order to be prepared for thirst, hunger, and changes in the weather; pack a day pack for a half-day hike; go on a hike and be able to look for signs of the seasons and special natural treasures; make some firestarters for charcoal; use a trowel, rake, paring knife and peeler safely and show how to put each away; list safety rules for outdoors and for a hike; practice what to do if someone gets hurt; tie knots that are used the most in camping; find your direction; take care of your outdoor area and use your sense of sight, touch, smell and hearing; identify nuisance plants, discuss how to stay found and practice "hug a tree"; talk about what you would need in a first aid kit and why you would need to use them.

As you can see, "EARTH" deals with the basic safety and conduct skills necessary to enjoy the out of doors . Watch for Skill Level 2 in the March issue which will involve more of the actual hands on camping skills.

Biking

What do bikes plus a new bike trailer plus willing participants equal? You guessed it, a Foley summer of biking with overnight opportunities that we're calling "bikepacking". Off the road trails are abundant in Northern Minnesota and in fact they are considered to be one of those best kept secret kinds of places to enjoy. Surrounded by pristine pine forests, Foley campers will bike down miles of logging trails, picking berries along the way and catching glimpses of white tail deer frolicking in the woods nearby. Bikepacking will definitely open up your eyes to a world unlike what is seen along your hometown city bike paths. Foley's bike trips will vary in length and distance. Some will leave from camp and others will be transported by way of our van and bike trailer. You can expect to have a bike progression of varying lengths to help you build up all those muscles needed for the longer distances. Getting to bike trip means getting to lunch along side a lake, cooling off in a discovered swimming hole, and having that golden opportunity to ride into the sunset. Join us this summer for this program. You will want to be along.



Coming to Camp - With or Without Friends ?

One of the most frequently asked questions from parents of prospective campers is "Will my child be okay if he/she comes to camp without a friend?"

YES! Every session many campers do venture to Foley without a friend for many different reasons.

Sometimes a camper may elect to have an independent experience away from school and neighborhood friends or the parents may want a camper to branch out and meet new people. Other reasons may include a family tradition of going to Foley, attending with a sibling or a scheduling conflict with friends.

YES! Campers do make friends!

How do we at Foley provide campers with opportunities to make friends?

1. Foley will assist parents in arranging for children to meet, write or call another camper by providing phone numbers and addresses.
2. Prior to opening day, careful attention is given to composing cabin groups. One important consideration is creating a blend of campers conducive to formulating new friends.
3. On the bus campers are introduced to others who are of similar age and many times to their cabinmates.
4. Cabin counselors personally welcome each camper upon arrival to camp and introduce them to their cabinmates. The first day is spent as a cabin unit getting acquainted and acclimated to camp life.
5. Each cabin participates in a variety of events actively involving the entire cabin.
6. Campers participate in an evening program stressing respect, acceptance and cooperation amongst all members of the group.
7. Many camp events foster friendship building including: camp banquets, friendship campfire, autograph signing and dances.

As a young person between the ages of 7 and 15, I experienced attending camp with and without a friend. My best experiences were when I independently ventured out and made long lasting "camp friends". I have strong memories of my parents trusting me to fly alone and attend camp without a friend. This created a lasting feeling of independence and self-reliance. These successful experiences left me knowing that I was a very capable person. Most importantly, I made new friends in a new environment. As Director of Camp Foley, I repeatedly hear the tales from Foley campers of making special camp friends. These range from simple, "Don't worry Mom, I have a new friend," to complex explanations on the importance of camp friends. Remember, there is a special unique bonding between friendships established and rekindled at camp.

By Marie Schmid

Scholarship Program

For the past few summers, through the generosity of many giving individuals, we had the opportunity to provide camping experiences for several children whose families were not able to afford the entire camping fee. Our campership recipients truly enjoyed their camping experience. They established friendships, developed new skills both socially and in their activities, and became part of our camp family. These children felt secure and happy in Foley's environment. **A tremendous thank you to all of you who brought happiness to these campers. We know that you helped to make a difference in their lives.** 1992 was exciting as we reached a record high in the amount donated. Of course it was the young people who benefitted from these generous donors.

A special thank you to last year donors. Their names will be placed on the yearly plaque. This plaque will join the others on the bell stand in the center of camp.

Meet Part of Our 1993 Staff

Throughout the years, Camp Foley has maintained a reputation for quality staff. This tradition of caring, talented and enthusiastic counselors has not been by accident. When we choose our staff, we are selecting adults who will be positive role models for our campers. As directors, we have to be able to answer "yes" to the following question, "Would I trust this person with my own son or daughter in the camp environment?"

With great enthusiasm, we would like to introduce a few of our staff that will be joining us in 1993!

Sarah Craft joins us for her second year at Foley. She will be instructing tennis and waterskiing. Sarah's sense of humor will add spark to her cabin as she returns to work with the 11 and 12 year old girls. The 1992 Third Session girls of Pocahontas have wonderful memories of Sarah's love for bananas! Cabin living is not the same with Sarah in camp. Sarah is attending St. Mary's College in South Bend, Indiana.

Jill Doerr will add a new twist to her second year at Foley as she returns to be Foley's Program Director. Jill's creativity and enthusiasm will bring new ideas to cabin groups, special days, and evening tribal times for all ages. Jill will graduate from Northeast Missouri State in August of 1994. If you have some new ideas, please let us know and we will pass them onto Jill.

Dennis Keffer returns as a third year counselor. He will be co-sharing administrative responsibilities with Michelle Wood which includes overseeing the campers doing dishes and those participating in the Camper Leadership Program. Dennis will continue to pull water skiers and is anxious to add new talent to his Bonsai Barefoot (Waterskiing) Club. His expertise will also be apparent on the soccer field. Dennis attends St. Norbert College in DePere, Wisconsin and is currently studying in France.

Brad Yerhot joins us for his third summer on our staff. Brad will be sharing the responsibility of overseeing the many fun, safe, and quality programs on the waterfront. Brad will be encouraging campers of all ages to join him for waterskiing, boardsailing, canoeing, and fishing. Sailors beware as Brad increases his sailing ability! Remember, that Brad also will have a fleet of plastic kayaks to fill with enthusiastic campers. Brad attends St. Cloud State University.

Michelle Wood returns for her fourth year at Foley. She will be working with Dennis with our older campers involved in the Dishwashing and Camper Leadership Program. In addition, Michelle will oversee our swim program which includes swimming lessons, recreational swimming, snorkeling, and diving. Michelle is a graduate of Notre Dame and is currently doing some volunteer work in Appalachia.

Reverend Richard Zwicky joins us for his sixth year as our camp chaplin. In addition to offering Mass in the chapel, Father assists in the camp kitchen and runs many errands purchasing the little and not so little items that we need. Father enjoys visiting with our campers and watching their many activities. Father lives near the University of St. Thomas when not at camp.

Health Care

Providing quality health care to our campers is extremely important. This summer, four qualified and experienced Registered Nurses who are also mothers will job share our camp nurse position. Three of the nurses, **Ginger Geifer** from St. Paul, Minnesota, **Valerie McCandless** from Wrangell Island, Alaska and **Karen Rauenhorst** from Long Lake, Minnesota have been nurses at Camp Foley in the past. **Ann Kelly** from Des Moines, Iowa will join us for her first summer. We welcome all of our nurses and their children to Foley.

Our health care team would not be complete without the assistance of **Steve Schmitz, MD** and **Mary Schmid, RN**. Both are available for consultation throughout the summer. Dr. Schmitz is frequently in camp working with our camp nurses and accessing the medical needs of our campers. Mary Schmid is available for emergencies and to give necessary assistance to the other nurses.

Outdoor Living Skills

The OLS Pledge:
to be among the animals and plants,
and in providing for my comfort and safety,
to respect my natural neighbors and their homes;
to step carefully and travel gently,
finding friendship and beauty in my natural world.

In the February issue of the Bugle, we introduced you to the first level, Earth, of our new Outdoor Living Skills Program, a program that will help you better enjoy and appreciate your time in the out-of-doors. Level 1 is aimed at those just beginning to enjoy out of camp experiences.

Level 2, Sun, is for those who have had a minimal amount of camping experiences and are ready to enjoy more! There are 29 requirements that will be taught. Some of you may already be skilled in several of these areas and may only need a refresher. All of these skills can be easily mastered by anyone genuinely interested in enjoying the camping and tripping aspects of camp life regardless of age. In "Sun", you will plan an all day hike or overnight, go on an all day hike, and discuss all aspects of preparation for the trip. Pocket knives, saws and other camp tools will be identified, demonstrated, and used by all participants. Participants will plan, pack, and cook out meals, learn about clean up, proper use of water sources, building campfires and other heat sources, and proper storage of foods to avoid animals visiting during the night. You will learn about knots and how to use them, compasses for direction, and discuss staying found. You will learn about minimum impact camping and why it is so important, necessary, and appreciated.

Depending on your skill level, you will enter Level 2 Sun directly or after completing Level 1 Earth. Patches are available for each level upon completion. Level 3 Water follows Level 2 and involves more in depth use of skills acquired in Earth and Sun.

1993 Preview

Introducing Some Staff

It is with pleasure that we continue to introduce our 1993 summer staff to you. Camp Foley maintains a reputation for quality staff. This tradition of caring, talented and enthusiastic counselors has not been by accident. When we choose our staff, we are selecting adults who will be positive role models for our campers. As directors, we have to be able to answer "yes" to the following question, "Would I trust this person with my own son or daughter in the camp environment?"

Amy Anderson joins us for her first year at Foley. She is a senior at the University of Iowa majoring in Elementary Education. We have hired Amy to work with our 11 and under girls as a cabin counselor and to instruct in the areas of skiing, tennis, and arts and crafts. Some of the qualities we find attractive in Amy happen to be the very qualities she describes of herself: outgoing, responsible, positive, friendly and fun!

Andrea Anthony will be returning to Foley for her seventh consecutive summer. She too, has progressed through many of the activities developing and finetuning her skills along the way. Andrea will be an assistant counselor with a cabin group of younger girls and will assist in the areas of sailing, riflery, and soccer. Andrea attends high school in her home town of Lenexa, Kansas.

Keely Doyle is a veteran Foley camper of seven years returning for her first summer as a full counselor. During her years as a camper, she participated and developed her skills in a number of activity areas. Keely will be working with the 12 and under age girls as a cabin counselor and will be instructing and pulling skiers as well as teaching sailing and boardsailing. Keely's enthusiasm for Camp Foley and her desire to pass on her skills, experience, and love to her campers makes her a wonderful addition to the Foley Family.

Missy Lenmark spent five years as a camper and one year as an assistant at Foley in 1989. She is looking forward to returning to camp. She is majoring in International Relations at the University of Denver and is currently in France as part of her training. Missy will work as a cabin counselor with our ten and under girls and will instruct in the areas of sailing, boardsailing, and biking. Missy plans to share her years of experience and camp memories with this summer's campers.

Joy Shutters joins us for her first year at Foley. She will be instructing in our swimming program and will also be teaching snorkeling and canoeing. Joy holds a YMCA Lifeguarding Certificate and has instructed classes previously. She has spent many years camping with her family in the Scouting Program. Joy will be a cabin counselor working with 12 and 13 year old girls. They are sure to enjoy her cheerful, easy going, and caring personality. Joy attends Iowa State University majoring in English.

Soccer Clinic

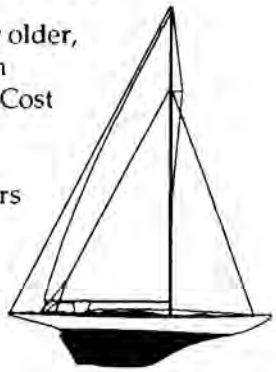
Do you want to concentrate on developing your soccer skills? Do you want to combine a couple hours of soccer with all of the other advantages of being at Foley? If you answered "yes" to these two questions than this soccer clinic is for you.

Increase your skill level in the fundamentals of passing, shooting dribbling, heading and throwing. Condition your body through stretching and exercise. Practice team work skills during daily skirmishes and drills. Players will be divided by age. Don't miss the fun. Sign up will take place during the first evening of the session. Dennis Keffer who plays for his college soccer team and has experience coaching youth will once again lead this clinic.

Lake Superior Sail Trips

Want to sail even more? Camp Foley will be offering Lake Superior Sail Trips during the three week session, June 30 to July 20. Participants in the three day sail trip will learn to safely crew and skipper a deep water cruising sailboat. Campers will be responsible for rigging and unrigging the boat, spending time at the helm as skipper, participating in dinghy launching and landing, and sharing in galley duties.

In addition to the sailing, campers will explore some of the 22 Apostle Islands. These islands are rich in history and wildlife. Known for their hiking trails, lighthouses, and secluded wildlife habitat, the islands provide campers a unique opportunity to experience the beauty and history of a truly extraordinary part of our world.



Any camper, age thirteen or older, who has some sailing experience can participate in this special program. Cost will be approximately $262.00.

We have had a wonderful response to these trips. Foley sailors include: **Andy Bussman, Colin Corcoran, Courtney Flick, Trisha Lampert, Mike Mahoney, Joe McNearney, Kristen Moorehouse, Mike O'Keefe, Drew Stringer**, and **Leah VanLandshoot**

If you are interested in this limited opportunity, please make a note on your application or contact the camp office.

Camp Foley

Dear Parents,

As camp season draws near, it is time to start thinking about air transportation arrangements for your child/children.

We are very pleased to announce that Camp Foley has established a travel relationship with Travel One, Inc. of Minneapolis to administer and coordinate air transportation for our camp families.

Travel One, Inc. is a major Twin Cities travel management company with over 20 years of experience in the camp transportation business. We have asked Travel One to service your needs and those of your children while providing for us overall arrival and departure coordination. We are excited about our new relationship with Travel One and support our decision for the following reasons:

The Minneapolis/St. Paul International Airport has grown dramatically over the past few years, making it increasingly difficult to meet and assist multiple arrivals and departures. It is, therefore, important to coordinate and control flight arrangements to reduce the number of flights as much as possible.

Travel One will arrange flight schedules that best correspond to camp's bus transportation requirements. Additionally, Travel One will have all campers from each city travel and sit together and will provide us with detailed manifests of all arrivals so all campers can be met upon their arrival.

Travel One has a preferred working relationship with Northwest Airlines which, as the dominate carrier in the Twin Cities market, provides the most frequent and convenient flights into the area. This relationship manifests itself through exclusive negotiated discounts on applicable airfares, waving the unaccompanied minor charges, and complete luggage handling both on arrival and departure. Travel One will, of course, make every effort to accommodate each camper with the lowest airfares available.

Travel One has assigned to Camp Foley an experienced camp transportation agent who will attend to our needs while providing you with responsive and cost effective travel service. A toll-free 800 number is also included in their correspondence to facilitate the reservation process.

We feel confident that our new relationship with Travel One will prove beneficial to Camp Foley, to our camp parents and especially to our campers themselves. We strongly encourage you to make use of their service whenever and wherever possible. By doing so, you will assist us in managing this very important function.

Our best wishes,

Marie Schmid & Jeff Beltz
Directors

TRAVEL INC

ONE APPLETREE SQUARE
MINNEAPOLIS, MINNESOTA 55425

March 15, 1993,

Dear Camp Foley Parents,

Travel One is pleased to be working with Camp Foley to provide air transportation arrangements for your child/children.

Travel One normally prepares a transportation packet for camp parents that includes a schedule of air flights from the major cities of travel, with the applicable best air fares available. We will again do so and expect Camp Foley to be sending you this transportation information in early April.

My reason for contacting you at this time is to bring to your attention that some airlines may offer, for short time periods, opportunities to purchase air tickets at special prices. When this happens, other airlines often match the fare, but limit the opportunity of purchase to only three to five days. These opportunities occur without notice and may occur prior to mid-April when our transportation packet becomes available. If you would like to take advantage of such an opportunity, if it becomes available, we urge you to complete the attached travel reservation form, using your credit card as form of payment, and return promptly to Travel One.

Travel One cannot be of assistance unless we have your reservation form and credit card information.

For your information, the least expensive airfare often seen advertised in your local newspaper, has a 30 day maximum stay provision. We plan to use this fare for the campers where applicable. If your camper is attending a longer session, we will use the next least expensive fare, which is approximately ten percent higher.

If you choose to respond at this time and the opportunity arises to issue a ticket for your child/children, we will then mail you a copy of the itinerary so that you will know that transportation has been secured.

Sheila Sigel

CAMP FOLEY AIR TRANSPORTATION RESERVATION FORM - 1993

Camper(s) Name _____ Age _____
Camper(s) Name _____ Age _____
Departure Date _____ Return Date _____
Leaving From: _____ Returning To: _____
Parents Name: _____ Address: _____
City: _____ State: _____ ZIP Code: _____
Telephone: (_____)_____
Travel One encourages the use of and accepts the following credit cards for your convenience: American Express, Diners Club, Carte Blanche, UATP, VISA, Mastercard and Discover.
Your Name as it Appears on Card: _____
Card Number: _____ Expiration Date: _____

NOTE: Travel One will only issue your ticket early if there is a fare war that results in a significant savings over current fares or if there is pending a significant air fare increase.

Travel One knows the appropriate arrival/departure time schedule acceptable to Camp so as to properly meet your child/children at the airport.

Once your air ticket is issued, there is a mandatory $50.00 penalty imposed by the airlines, to change and/or cancel your ticket.

Dishwashers Needed

Dishwashers are needed for our First Session, from June 16 - June 29. If you are an enthusiastic camper looking for a work experience with other young adults while still enjoying camp, this is for you. Campers who are fifteen or sixteen years of age can do dishes once per day and work off $50.00 per week of their camp tuition. If you are interested in becoming a dishwasher, contact Marie Schmid or indicate your interest on the application.

CLP's Needed

Camper Leadership Program is a varied experience for individuals who are sixteen or seventeen years of age. Experience is gained assisting staff with younger campers, working in our camp kitchen on a rotational basis, and being a positive role model. We have openings from June 16 - July 20. If you are interested, please contact Marie Schmid.

Send in those items for the Newsy Notes section!

Foreign Travel

Campers flying from Mexico and France should arrive into the Minneapolis/St. Paul International Airport late afternoon or evening prior to the beginning date of their session. Please notify the camp office of travel plans. Campers will spend the night with Foley staff before taking the special camp bus the next morning.

Tripping Information

Are you planning to go on a backpacking, canoeing or biking trip this summer? Are you enrolled for three or more weeks? Start preparing now for some wonderful experiences. Below are some thoughts about equipment.

- Sleeping Bag - Fiberfill, rated for 20°F
- Ensolite Pad
- Rain Suit - jacket with hood and pants
- Hat, sunglasses, sunscreen, lip protection
- Light wool jacket (mackinaw), or a heavy wool or synthetic (bunting) sweater, or a medium weight pile jacket.
- Waterbottle with leakproof cap
- If backpacking, broken-in hiking boots or high top tennis shoes
- Two pairs wool socks and sock liners

First Day Swim Qualification

Learning to swim is a valuable lifetime skill and safety on the water is a primary concern both at camp and throughout one's lifetime. Because campers typically spend at least half of their day at camp on or near the lake, testing gives us the security of knowing if they have the strength and composure to handle themselves in an emergency situation. Providing swimming instruction has two other benefits; it enhances the child's ability and helps improve their coordination. For these reasons, we test campers to either pass them out of swimming lessons or place them in the appropriate class according to their skill level.

In order for a camper to test out of swim lessons, they must possess Red Cross Intermediate swimming skills. The first part of the swim test will include a lifejacket check, watercraft safety information and a five minute interval of treading water to evaluate endurance. The second part is a stroke check. There are five strokes that will be tested; the front crawl, elementary backstroke, sidestroke, breaststroke, and back crawl. In order for a camper to pass out of swim lessons, they must complete the five minute tread and be able to demonstrate complete proficiency in three out of the five strokes. Campers must also show adequate ability in the other two strokes.

All campers who have been to Foley in the past and have passed the intermediate skills test will not be required to retake the stroke check. Everyone else who has not completed that level of swimming at Camp Foley, both new and returning campers, will be tested. Notes from swim coaches and copies of certification from other aquatic facilities will be taken into consideration when evaluating camper's swimming abilities. We encourage parents and campers to send copies of awarded certifications to the camp office before the camper arrives. This prevents the originals from getting lost or damaged.

All New Family Camp

Why not take the hassles out of family vacations by eliminating the planning, driving, restaurants, motels, parking fees and long lines? Simply replace all these headaches with two simple words... Camp Foley. A step out your cabin door in the quiet northwoods opens up a variety of activities sure to please everyone in your family. Camp Foley's family camp also provides an enthusiastic and talented staff that will supervise the safety on the riflery and archery ranges, pull skiers, skipper sailboats, and provide activity instruction upon request. So, whether it be waterskiing, canoeing, or perhaps that peaceful walk along Whitefish Lake that you are envisioning, park your car, hang up your keys and join us for a long weekend you're sure to enjoy with your family. Our Foley hospitality and spirit awaits you.

Accommodations/Meals:

Participants will sleep well in rustic cabins used in our camp program. Each cabin can accommodate approximately nine people; in some buildings up to eighteen can be housed. Family friends may request shared living quarters. There are centrally located washroom facilities. Three wholesome meals are served family style each day.

Dates/Costs/Registration:

A family may register to attend Family Camp from breakfast on August 26 to lunch on August 29, opting to stay from two to four days. The rate per day is $45.00 per person or $150.00 for all four days. Children five and under are $30.00/day with those age two and under free. Extra charges are made for items purchased in our camp store and for ammunition used on the rifle range. Family Campers are welcome to arrive after 7:00 p.m. August 25. Our program officially begins with breakfast August 26. Approximate arrival and departure times are requested to assist us in making your stay enjoyable. A $25.00 deposit per person is requested.

What to bring:

Sleeping bags, pillows, towels, lifejackets, fishing poles, tennis rackets, bathing suits, and informal clothes. A warm jacket or sweatshirt for cool evenings is recommended.

Activities offered at Foley:

Archery	Riflery
Basketball	Sand Volleyball
Boardsailing	Sailing
Canoeing	Swimming
Fishing	Tennis
Kneeboarding	Waterskiing

Local Attractions:

Golf
Movies
Museums
Restaurants
Waterslides, amusement parks
Western Riding

Family Camp

Thursday, August 26 through Sunday, August 29
Cost: $45.00 per person, per day. Children five and under, $30.00/day. Age two and under free.

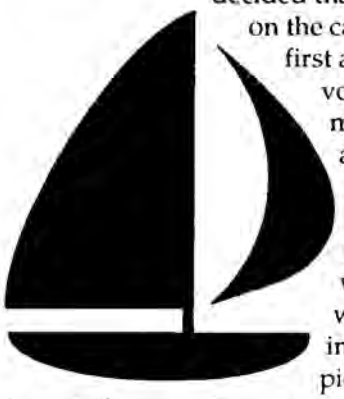
From the eyes of a camper

As the wind hits the sail and the waves crash against the hull of the boat, I feel the exhilaration of sailracing. I sit with independence at the tiller of the boat as I give commands to my crew, and my competitive streak shows through as I race to be the first across the finish line. After attending Camp Foley for ten years, sailracing is just one of the many skills that I have learned. Camp has, in fact, helped to shape me as an individual by developing my personality, filled with independence, cooperation, creativity, and leadership.

During the eighth summer of my life, my parents decided that I was old enough to embark on the camping experience. When I first arrived at Camp Foley, I was very excited to meet my cabin mates and counselor. I was able to learn all types of new activities like sailing, skiing, archery, sail boarding, and many more. I was so excited with my new abilities that I wasn't aware of the other important qualities that I was picking up, like the independence to be away from my parents, initiative in making friends and trying new activities, and cooperation in getting along with the rest of the campers. I was acquiring valuable skills that would help me to succeed throughout my life. However, to an eight year old, the most important things were whether or not our cabin won at skit night, and who I got to sit by at dinner.



Once home from camp I couldn't stop talking about all of the friends I had made, and everything I had learned. I am sure that my parents got more than enough of the new songs I sang continuously. I counted the days until I would be at camp again. Over the next few years at camp, I began to find myself as a person and the qualities that became me were developed. Through living with nine other girls, I was forced to learn skills like cleaning up my cabin, sharing with others, including everyone in the group, and cooperating in order to get our work done. My abilities in the various activities also began to take shape. I was actually learning how to sail and how to ski. I became very committed to improving at the activities and earning the different awards. Camp showed me not only how to handle responsibility, but also showed me how to have fun and to try new things.

As I continued my camping career, the most important opportunity camp provided for me was the everlasting friendships. The same people continued to return to camp each summer just like I did. We all shared so many memories and special experiences with one another like overnights, canoe trips, and our first sail races and trips. Developing my friends at camp taught me how to be a good friend by being a good listener, being supportive, and accepting people for who they are. After living with these people twenty four hours a day for weeks at a time, I have formed wonderful friendships that will continue forever.

As a younger camper, I always looked up to the counselors and assistant counselors, as I hoped to one day be a counselor. At age fifteen, I began to go through the camp leadership program and did some work in the kitchen. At age sixteen, I did babysitting and helped out in cabins at night. Last summer when I was seventeen, I got my big chance to be an assistant counselor. I looked back at the great counselors I'd had in the past, and now I finally had the chance to give to other children the wonderful experiences that had been given to me. I was able to teach others the skills that I had been taught and watch them get excited as they were able to steer the sailboat for the first time. I was the one teaching the songs and giving children the memories to take home. My creativity was brought out through making up skits or different ideas on how to get the campers to bed. Through being a counselor, I was able to develop friendships with people older than me and to strengthen the ones I already had. I learned to take on the responsibility of being in charge, while still making the experience fun for the campers. As a counselor I was able to look at all of the important skills and attitudes I had picked up over the years.

My parents' decision to send me to camp was probably the best thing they ever did for me. Learning to be independent, a good friend, creative, and a good leader are all skills that will help me throughout my life. This experience helped me to develop into a well rounded individual. As I sail through the sailrace of life, I will now have the ability to survive through the storms and heavy winds, smile on the no-wind days, and enjoy the perfect breezes.

Help us Find our Alumni

Camp Foley is leaving no stone upturned... and of course, we're asking for your help. We're actively pursuing lost alumni. Since computers found their way to Camp Foley in the early 80's, we have been making a conscientious effort to find our campers from the earlier years. If you know of anyone not currently on our mailing list, please send us their name, address and phone number. They also could contact us directly.

In the upcoming months, we will begin planning our Alumni Newsletter that we hope will assist alumni in getting back in touch with each other. We will provide such information as history facts, stories from different eras, profiles on those Foley people that no one can forget. Send us your most memorable stories and events that you recall, and any classic photos that you might have to compliment the story. We will return all photos. Write or call us as to who you might be looking for and we'll help you find that person. Let us know what articles you would like to see in the newsletter and what you might like to know about the Foley of today.

We are anxiously awaiting all of your camp memories. We are hoping to publish our first comprehensive newsletter in the fall of 1993.

1993 Sessions

Five week sessions
Wednesday, June 16 - Tuesday, July 20
Wednesday, June 30 - Tuesday, August 3

Foley in the 1990's

- In 1992 a Group Initiatives Course was built to help our groups develop stronger relationships among its individuals.

- A pontoon boat was added to the fleet and is used in our fishing program and for special cabin events.

- Ski booms have been added to assist campers in learning to get up on two skis or to try some barefooting.

- Each year we are replacing the beds in a couple of the cabins. Last summer the campers thought the new beds were fantastic.

- Sailboats are constantly getting replaced. New names like Truckin', Banshee, or P'zazz. Last summer our campers once again sailed in the Whitefish Chain Regatta.

Printed on 100% recycled paper

Scholarship Program

For the past few summers, through the generosity of many giving individuals, we had the opportunity to provide camping experiences for several children whose families were not able to afford the entire camping fee. Our campership recipients truly enjoyed their camping experience. They established friendships, developed new skills both socially and in their activities, and became part of our camp family. These children felt secure and happy in Foley's environment. **A tremendous thank you to all of you who brought happiness to these campers. We know that you helped to make a difference in their lives.** 1992 was exciting as we reached a record high in the amount donated. Of course it was the young people who benefitted from these generous donors.

A special thank you to last year donors. Their names will be placed on the yearly plaque. This plaque will join the others on the bell stand in the center of camp.

Tax deductible gifts from alumni and friends can be deposited in a special account through the American Camping Association. Your check, payable to ACA Camper Scholarship Program and designated for use at Camp Foley, can be sent directly to us and we will forward it onto ACA.

Help us continue this special scholarship fund. Send your tax deductible donations to: Camp Foley, 160 Windsor Court, New Brighton, MN 55112.

Alumni - Making a Difference

It is no surprise to anyone that Camp Foley relies on its dedicated Alumni population for support, whether it be word of mouth promotion of our camp to families with camper age children, assistance with staff recruitment, or generous donations to our ACA Scholarship Program.

Because we believe in providing opportunities for children to attend our camp who would not otherwise be able to experience what so many of you have fond memories of, we have been searching for other methods of building up our Scholarship Fund. For Camp Foley, having diverse populations of children and staff together growing and learning from each other for a summer camping experience is our contribution to Building Bridges of Understanding.

You can now make a difference in the life of a child year round by using our Tribute envelopes. Honor a friend, relative, staff member, birthdays, anniversaries, First Communions, Confirmations, Bar Mitsvahs or remember a loved one. It's an easy way to make a lot of people happy.

Envelopes are available by contacting Camp Foley, 160 Windsor Ct., New Brighton MN 55112 612-633-4881.

Printed on 100% recycled paper.

Introducing Our Associate Directors

Hello Camp Foley,

We are the Rauch/O'Grady family of four and two of us have recently joined Camp Foley as year round Associate Directors. You might be wondering what the other two of us will be doing. Four year old Zachary and two year old Lucas have enthusiastically accepted the positions as "sidekicks to Marie and Jeff's little Peter". We are all glad to be here.

We are no strangers to camping, Minnesota, or Foley. Michael and I have a combined 35 years of residential camping experience mostly at Camp Thunderbird in Bemidji, Minnesota. It is also how we came to know of Camp Foley. Foley was one of Thunderbird Regatta rivals. Thunderbird was usually defeated in sailing but held their own in riflery! Rifle matches between the two camps go back as far as the 1940's. Marie's parents and Thunderbird founders were close friends.

Now, we are excited to be working with our friends, Marie Schmid and Jeff Beltz. And if you've had some trouble processing their individual names, get ready for this. We are Michael O'Grady and Kathy "Scout" Rauch with our sons, Zachary and Lucas. My camp name of 20 years is "Scout" and I am bringing this nickname with me to Foley. It's a fun easy name to remember for campers, parents, and staff so don't hesitate to call me "Scout".

Michael, Zachary, Lucas and Scout

What do we plan to bring to Camp Foley? We're planning to bring a tripping program combined with outdoor learning skills in the areas of biking, backpacking, and canoeing. The possibilities in these areas are endless and potentially available to all age groups with trip progressions being a strong incentive. We plan to bring additional fun and creative ideas to Foley and help Marie and Jeff in their quest to provide you the very best camper opportunities available. We're looking forward to getting to know each of you and sharing the skills that we possess. Whether it be building a magical campfire, putting up a tent or playing a instrument called an dulcimer, you can be assured that we will do our very best to provide Foley campers with memorable camp experiences. It will be easy for us to do as we love camping in northern Minnesota!

Looking forward to meeting you,

Scout, Michael Z/ B

Scout, Michael, Zachary and Lucas

All New Family Camp

Why not take the hassles out of family vacations by eliminating the planning, driving, restaurants, motels, parking fees and long lines? Simply replace all these headaches with two simple words... Camp Foley. A step out your cabin door in the quiet northwoods opens up a variety of activities sure to please everyone in your family. Camp Foley's family camp also provides an enthusiastic and talented staff that will supervise the safety on the riflery and archery ranges, pull skiers, skipper sailboats, and provide activity instruction upon request. So, whether it be waterskiing, canoeing, or perhaps that peaceful walk along Whitefish Lake that you are envisioning, park your car, hang up your keys and join us for a long weekend you're sure to enjoy with your family. Our Foley hospitality and spirit awaits you.

Accommodations/Meals:

Participants will sleep well in rustic cabins used in our camp program. Each cabin can accommodate approximately nine people; in some buildings up to eighteen can be housed. Family friends may request shared living quarters. There are centrally located washroom facilities. Three wholesome meals are served family style each day.

Dates/Costs/Registration:

A family may register to attend Family Camp from breakfast on August 26 to lunch on August 29, opting to stay from two to four days. The rate per day is $45.00 per person or $150.00 for all four days. Children five and under are $30.00/day with those age two and under free. Extra charges are made for items purchased in our camp store and for ammunition used on the rifle range. Family Campers are welcome to arrive after 7:00 p.m. August 25. Our program officially begins with breakfast August 26. Approximate arrival and departure times are requested to assist us in making your stay enjoyable. A $25.00 deposit per person is requested.

What to bring:

Sleeping bags, pillows, towels, lifejackets, fishing poles, tennis rackets, bathing suits, and informal clothes. A warm jacket or sweatshirt for cool evenings is recommended.

Activities offered at Foley:

Archery
Basketball
Boardsailing
Canoeing
Fishing
Kneeboarding
Riflery
Sand Volleyball
Sailing
Swimming
Tennis
Waterskiing

Special Alumni Information

Hello Camp Foley Alumni

This past summer was my first summer at Camp Foley, and my first opportunity to witness the many Foley alumni that flock back to relive some of those magical feelings. It might be mass at the chapel, a stroll to the marina, hearing the bugle, seeing their cabin, or hearing the call of a loon. Whatever your reasons, you like coming back to Foley and you like knowing that, for the most part, it is as you remember it. We're glad you come!

For many years, we have been asking you to help us find our alumni, and slowly but surely, we are making progress. We have found many of you via your friends and from alot of you that dropped in this summer for a visit. We'd like to find more of you, so please keep calling us, and keep giving us more names! Let us know what you would like to see us include in this newsletter as well.

Kathy "Scout" Rauch.

Dear Mom,
Camp is great! I've been taking backpacking this session and now I get to go on a 3 day trip with all my friends. First we had to stop at the ranger station. We ate lunch there. Then we drove to the trail and started backpacking. We hiked and hiked. It was hard work but worth it. When we got to the campsite, we took a swim. The water was cold but boy did it feel good! The next morning we ate breakfast then set out a little bit farther down the trail. We went down to a different lake and had lunch there. Then we hiked back to the campsite and played some games. That night, it rained-hard! The next morning it was time to leave. Just as we were leaving, it poured down rain. It was a dirty and soggy mess hiking back and travelling in the van. Then, there we were at last, good old Camp Foley.

Love,
Your Camper

An unedited letter from a ten year old scholarship camper.

Promote Foley

We're looking for alumni that would be interested in helping us promote Foley. As a promoter, you would receive videos, brochures, and all current information on camp. This would make it more convenient for prospect families in your area to acquire our information and a nice way for a new family to meet some alumni. If interested, contact our New Brighton, MN office at 612-633-4881.

Tripping Returns to Foley

When alumni start talking about camp memories, one activity that frequently is mentioned in the fondest category is their tripping experiences. Today at Foley, canoeing, biking, and backpacking overnights are still of great interest to our campers. Many times, however, the popularity of our in-camp programs forces a child to have to choose between missing activities and experiencing longer trips. For this reason, we have introduced a new program that begins after camp ends on August 16. A BWCA (Boundary Waters Canoe Area) Trip is planned for August 17 - 25 for those camper and alumni between the ages of 14 - 17. To qualify for this trip, campers must pass their basic canoe instructional level, and have the physical ability to paddle six hours a day and assist in portaging equipment. This trip promises to be a fun filled adventure with Foley friends that will leave campers with those same memories to last a life time and great sense of accomplishment that you remember. Should you have family members or friends interested in the BWCA Tripping Program, contact our Foley office at 612-633-4881.

Scholoarship Program

We'd like you to meet a few of our friends. They come from many walks of life. They live in different places, may not know each other, probably think differently, and feel differently about many things. With the exception of one very important common interest that binds them...Camp Foley.

In some way or another, Camp Foley has touched their lives. Maybe, they were a camper, and now send their grandchildren. Maybe, they were a staff member or participated in the Foley Environmental Educational Center, or maybe their child is now attending camp. These "Foley Friends" have contributed to our Camper Scholarship Program. This program enables Camp Foley to "reach out and touch" those children that would not be able to afford a residential camping experience in the northwoods with other youth.

Our warmest THANK YOU to this year's donors. Your names will be placed on a yearly placque and will join the other on the bell stand in the center of camp. If you would like your name listed any differently than we've shown above, please contact us.

We think of you every time we see a child that benefitted from your generosity. We think of you when we receive their letters of gratitude because of their camp friendships, newly developed skills and self potential. WE THINK OF YOU! AND WE THANK YOU!

Give the Gift of a Lifetime

This Christmas, give a child a chance to experience your fondest camp memories... Consider adopting a camper or helping to sponsor a child's camping experience at Foley.

After the first of the year, our phone begins to ring with many requests for camper scholarships. The need is great and it is always difficult for us to say no. Because we believe in providing opportunities for children to attend our camp who would not otherwise be able to experience what so many of you have fond memories of, we appeal to you. Your contributions will go directly toward a child's tuition and is not lost in administrative costs. Our Scholarship Program is set up through the American Camping Association and therefore your gift is tax deductible.

Your check, payable to the American Camping Association Scholarship Program may be sent directly to us.

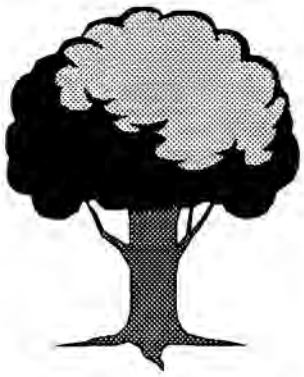
Last year, we introduced our Tribute envelopes, which gave our Foley Alumni an opportunity to adopt a camper, honor friends, relatives, staff members, birthdays, anniversaries, First Communions, Confirmations, Bar Mitsvahs or remembering a loved one. It's an easy way to make a lot of people happy. Additional envelopes are available by contacting Camp Foley.

Keep your camp memories alive...

More than a Camp

Many times, we hear alumni speak of a desire to return to camp to experience their wonderful childhood memories. But, did you know that you still can return for a stay at Camp Foley?

Late August and September can be a wonderful time to hold retreats, seminars and family reunions at camp! The Foley staff provides wonderful hospitality, wholesome meals, scheduling assistance, and recreational supervision. Participating groups can enjoy our hiking trails and campfire sites, athletic courts and fields. Depending on the time of year, other options may include canoeing, sailing, swimming, archery, and a team building course. Foley can easily accommodate smaller numbers or groups up to 150 individuals. Of course, Family Camp in August is also a great time to enjoy camp with family and friends. Your camp memories await you!



Family Camp...August 17 - 21

Why not take the hassles out of family vacations by eliminating the planning, driving, restaurants, motels, parking fees and long lines? Simply replace all these headaches with two simple words... Camp Foley. A step out your cabin door in the quiet northwoods opens up a variety of activities sure to please everyone in your family. From the Ground Looking Up

My Mom pronounced today that she was "brain dead" and that the holiday greeting card was a blur of snowflakes. Perhaps it stemmed from Dad telling her that she was a "tape deck nerd" because she couldn't find "Baa, Baa, Black Sheep" for by brother Peter. Why does an almost three year old listen to the same song over and over again? But then again, those teenagers at camp listen to the same stuff over and over again too. Kids now days!

Well, my name is Kylie and I am fifteen months. I can walk, suck my thumb, smile and/or squeal my way through almost everything. My eleven old sister, Alli, gets her way too. She is playing ice hockey this winter. Dad is coping pretty well. Maybe he is a "sports nerd". Who knows, nerd isn't in my picture dictionary book. Can you send me a nerd picture?

Did you know that my Mom and Dad, or Marie and Jeff, are camp directors? It's true! I saw their pictures on hundreds of brochures as I scattered them across the office floor. Just because I am an infant by age in the state of Minnesota, it doesn't mean that I'm ignorant on what's going on at camp. I was a true camp baby and do I have tales to tell. Here are the facts from the year 1993:

Michael O'Grady and Kathy "Scout" Rauch started working in the camp office in January. Soon thereafter, Michael ran over a large rock in Colorado which he thought was an ice chunk when he and Dad were promoting camp and broke the gas gauge. Silly Michael!

In May, every sixth grader in the Environmental Program made a dream catcher. Mom had given me one for Christmas. Some students saw a fawn on the orienteering course and a timber wolf was sighted at Echo Lake, Foley's nature reserve of 160 acres. All of the students saw the bald eagles with the last groups in May seeing an eaglet in the nest. It drizzled. Peter and I had a fun spring playing with Zack and Lucas, Michael and Scout's preschoolers.

I had to learn over 400 names of campers who participated in the summer camp program. That was tough for an infant. We had our first camper from Germany and from Sweden. A new activity came to camp, called backpacking. Several one to three day backpacking trips challenged campers of all ages. I should have gotten an award for backpacking because I used mine more than anybody else. It rained.

Did you know that campers still drink pop or, as they say in St. Louis, soda from bottles? How weird, I don't even drink out of a bottle. Did you know that campers and staff used 864 Hershey bars to make smores and Mom didn't let me have any? Did you know that the highlight of my first 4th of July was watching the docks come apart with the high winds and waves all within a couple of hours? Both Mom and Dad got wet. Did you know that it rained last summer?

There was a four hour baseball game against Camp Lincoln. I think Foley looked impressive with their cool baseball shirts and new equipment, but somehow I got the feeling that we needed to practice a little bit more. Next summer! The favorite meal at camp was stir fry. At the rifle range, Mary Beth Kalkbrenner defeated Glenn Doyle in a shoot out - maybe someone sabotaged Glenn's .22. Foley boys held there own with some tough competition during the traditional 4-way rifle match. Two groups of girls sailed on Lake Superior for three days each. Another group of girls paddled for five days in the Voyager National Forest. Foley campers did well competing in several classes of sailboats in the Whitefish Chain Yacht Club sponsored regattas. I also learned that when I get big enough to take my skippers test, a top sailing award, it is best to be on Beth Berger's boat. It rained some more at camp.

Between sessions, the campers staying over went up to Itasca State Park and had a great time. I certainly liked those delicious strawberries that they brought back - the office floor now has red spots on it from me drooling. It's okay. The office screen door still has marks on it from Alli rubbing lye soap all over it when she was a toddler and Zack put a "Z" on the canteen shelf last summer. It rained some more and washed out the boat landing. Dad didn't mind too much since it was a perfect opportunity to get a cement landing. He doesn't get stuck any more pulling the boats up and down. Maybe he'll get bored now.

Scout celebrated a big birthday at camp and she didn't turn four either. My friend Lucas had a Barney party for his third birthday and they threw him in his wading pool! Camp got really quiet when everyone left in August, but it still managed to rain some.

There are certainly a lot of other camp memories but I have to go and take my nap. Do you remember the campfires, songs, nautical banquets, friends, soda bread, laughter, special days, awards, new experiences, rain, tennis matches, archery teams, fun, sunshine, pizza, double canteen, sand volleyball, art and shop projects, cabin activities, talking, smiling, biking, skiing, boardsailing, friendship bracelets, hugs and tears as campers departed, and your very own special memories?

Well, there you have some of the 1993 Foley trivia! I certainly hope that you have enjoyed my version of camp. Maybe next year Mom will have her head out of the snowflakes and will have something sensible to say. Did you know that I will soon be a toddler by definition?

- Kylie Beltz, 15 months.

A Camp Foley Tradition is... Soda Bread on Sunday morning.

SODA BREAD

4 cups flour
1 1/2 tbsp baking powder
1 1/8 cups sugar
1 1/2 tsp salt
2 eggs
1 1/2 cup milk or buttermilk
1 cup lard

Mix all ingredients together. Sprinkle with cinnamon and sugar. Pour into a 8 1/2 X 11 cake pan. Refrigerate overnight. Bake at 350 for 40 minutes.

Peter, 3 years *Alli, 11 years* *Kylie, 15 months*

May the gentle falling of snowflakes remind us of the joy and peace found in this holiday season.
May the uniqueness of each snowflake remind us of the beauty found in all mankind and in our natural world.
May your wishes and dreams for 1994 be carried into the new year upon your own special snowflake.
And when it snows this holiday season, we will think of you...

Jeff Marie Alli Peter Kylie
