Anchor Award

The Anchor Award is an award that honors outstanding campers who demonstrate qualities of being friendly, well mannered, respectful, and enthusiastic. All nominees for the award must have attended camp for a minimum of 5 weeks. The recipients are chosen by written vote of both the campers and staff during each two-week session. The 1998 Anchor Awards were presented to the following campers:

In *archery*, Silver Bow Archer 1st Class – **Blair Young**
In *boardsailing*, the Daggerboard – **Drew Dowling and Carolyn McGarvey**
In *canoeing*, Advanced Canoeing - **Tony Goodman and Brendan O'Brien**

Many other awards, far to numerous to list, were given to other hardworking campers. Congratulations to every camper who worked for and received an award or achieved a personal goal this summer!

New Beginner Awards Added

Along with the more advanced awards that many of our older campers achieve, Camp Foley added four new awards this summer that were available for any camper to try. The *Novice Board Award* in boardsailing, the *Opti Award* in sailing, the *Novice Fencing Award* in fencing, and the *Intro to Canoeing Award* in canoeing were all awards that encouraged campers to try their best and challenged them to gain valuable knowledge about the specific activity.

Thank You for 1998

As we welcome in the New Year, we can't help but reflect back to the summer of 98. What a great year with over 520 campers spending part of their summer at Foley! A special thanks to each of our campers and their parents for helping to make this past summer one of the most fun ever! Smiles and positive attitudes were plentiful and there always seemed to be a spirit of fun in the air. We hope you can join us again for another summer of fun and excitement.

1998 In Review

On **January 1st** Camp Foley was missing something – massive amounts of snow! With warmer than average temperatures and not much snow on the ground, Foley was a winter wonderland of brown and gray!

January 12th was the start of camper reunions. Before the travels were finished, Foley had been represented in 13 different cities and even Camp Snoopy in the Mall of America.

We also began our search for counselors in **January** and visited 14 Mid-Western colleges to select our 36 counselors. A lot of tradition and history were represented with this year's staff team with 20 members having been past campers or counselors!

On **April 27th** Whitefish Lake was ice free and warming rapidly as the first of over 500 Minnesota fifth and sixth graders joined us for our Environmental Education Program. During their weeklong stay, students could be found handling snakes, learning about eco-systems at Echo Lake, and swimming! Yes, it was warm enough for students to take a quick dip!

May 16th found twenty couples spending their weekend at camp preparing for marriage as Foley was again host for the Weekend for the Engaged Retreat.

On **June 6th** our summer camp staff arrived for eleven full days of training. Their days were spent in seminars, practicing emergency drills, training in activity areas, and planning for the arrival of the first campers. The Bible Camp Program was back on **June 10th** with many children staying through **June 12th** to participate in a typical camp day.

Our summer officially started on **June 17th** when the first of over 520 campers arrived in camp by car, bus, and even boat! Campers came from all over the United States and many different countries, including, France, Mexico, and The Netherlands.

With so many campers and staff in camp, there was never a dull moment! Every day was action packed with campers busy at activities, leaving on trips, or returning from trips. On a tripping note – 268 campers participated in 29 overnight camping trips. Foley campers could be found canoeing the Crow Wing River, backpacking the Savannah State Forest, or biking to Echo Lake. Many lasting and positive memories were made as campers conquered their challenges.

Back in camp, activity was everywhere you looked! The Marina was kept at a busy pace with sailing classes for 420 and Opti sailors as well as sailboat riding classes for our younger campers. Boardsailors, playakers, water-skiers, and canoers could be seen adding to the activity on Whitefish. All of this commotion must have stirred up the waters and caused the fish to migrate towards camper poles as record sized fish were caught right from Foley docks! This fishing frenzy caused quite the excitement that resulted in full fishing classes and many early morning trips all in anticipation of catching the "Big One". The eastern shore of Foley was also quite busy as campers swam, dove, and snorkeled.

On land, campers were having just as much fun creating masterpieces from wood in the Shop building and from beads in the Art tent. Campers learned about birds and reptiles in nature as they observed Foley's own Red-tailed Hawk, Great Horned Owl, and collection of snakes and turtles. Targets were on the minds of many campers as they aimed their bows or guns at them in hopes of hitting a Bull's Eye at the Archery and Riflery ranges. Cheers and encouragement could be heard from all the sports fields and courts as campers learned how to serve an ace, shoot a free throw, spike a ball, or kick a goal. The entire camp community was treated to special productions from the drama classes of "The Wizard of Oz" and "Annie".

In the evenings campers could be found in their smaller cabin groups going on sleepovers or playing games. Fun campfire themes ranged from C.I.B.'s at Lower Mosquito to Jumanji at Upper Mosquito to Pirates at the Point. Slimy Thursday, a new and messy evening, was a favorite for all involved. As one parent wrote, "I'm glad you do messy things that aren't allowed at home." Eggs, mustard, ketchup, flour, oatmeal, pudding, peanut butter, and whipped cream were just some of the things that could be found **on** both campers and staff at the end of the evening. The Grand Dance Festival was another hit this summer as campers and staff enjoyed singing along with the new Karaoke machine, playing badminton or bocce ball, or dancing!

Our Family Camp troupe of the Revord Family was back again on **August 12th** for another busy yet relaxing stay.

As the last camper left on **August 16th**, there was a distinct silence throughout the grounds. The tranquility of camp was only a shocking reminder of all the fun, laughter, and friendships that had been created in the past ten short weeks. Another summer had come and gone and brought with it a whirl of lasting memories.

Although our last summer camper had left, we were still busy with other various groups. On **August 16th** we switched gears to get ready for hosting Vocation camp for boys first and then girls. On **August 20th**, 22 seminarians from Fargo, North Dakota joined us for a four-day retreat.

On **August 25th** we said good-bye to Ka-Kaik, our Red-tailed Hawk, and Goo, our Great Horned Owl as they were returned to the Raptor Center in St. Paul, MN.

September and **October** found camp filled with the echoes of hammers, saws, and paintbrushes as many camp buildings were given face-lifts of fresh paint or new siding. Mic Mac and Sacajawea were prepared for the building of wooden bunks, the basketball court got a brightly painted three-point line, and the Mid-Washo got a new roof!

On **October 20th** 75 third graders from the local school of Pine River visited Foley. They learned about wolves, micro-invertebrates, snakes, skulls, and even had the opportunity to sit in the Tipi that was relocated to Foley Green!

By **November 15th** 243 campers were registered for 1999! That is a new early registration record! **November** and **December** found us with unseasonably warm weather and busy preparing for the summer of 1999.

1998 Scholarship Donors

We'd like you to meet a few of our friends. They come from many walks of life. They live in different cities. They may not know each other. They probably think differently and feel differently about many things with the exception of one very important common interest that binds them - Camp Foley.

In some way or another, Camp Foley has touched their lives. Maybe they were a camper and now send their children or grandchildren. Maybe they were a staff member, parent, or camper who understands the benefits associated with Foley. Maybe they own a summer cabin in the area and attend Mass at the camp chapel. They not only share their love of Foley but also have contributed to our Camper Scholarship Fund through the American Camping Association. This program enables a few children that would not be able to afford a residential camping experience to come to Camp Foley.

Our warmest **thank you** to our 1998 donors. Your names will be inscribed on a yearly plaque proudly displayed on the bell stand in the center of camp. If you would like your name listed differently than printed below, please contact us.

We think of you every time we see a child that has benefited from your generosity. We think of you when we receive their letters of gratitude expressing the importance of camp in their lives - camp friendships, new skills and experiences, and personal growth. You can and did make a difference. Thank you to the following:

Camp Foley would also like to thank the numerous parents of 1998 campers who contributed $10.00 or less of their remaining Canteen balance to our scholarship program. Every bit helps to make a difference.

Would you like to help make a difference in the life of a child?

As we begin our 75th summer, many children are in need of our financial assistance to make Foley an important part of their lives. Investing in the life of a child does make a difference and we hope that you will help us with our goal in providing scholarships for children to attend Foley. These children would not otherwise be able to have the experiences that numerous other campers so fondly remember. Through the American Camping Association Camper Scholarship Program, Camp Foley is able to use your tax-deductible gift to provide youngsters with a camping experience. ***Your contribution will go directly toward a child's tuition*** and is not lost in administrative costs. Perhaps your place of employment has a Matching Gift Program or would be interested in our goal of increasing our scholarship program.

Tax deductible gifts from alumni and friends can be deposited in a special account through the American Camping Association. Your check, payable to ***ACA Camper Scholarship Program*** and designated for use at Camp Foley, can be sent directly to us and we will forward it onto ACA. Help us continue this special scholarship fund.

What's Happening at Foley in 1999?

New Beds on Girls End

Exciting news for our girls! Both the cabins of Mic Mac and Sacajawea are being remodeled and new beds are being built in place! Both cabins have a cool new look to them and you'll be surprised at how different they are! We can't wait for you to see them!

New Property Extends Bike Trails

Camp Foley recently purchased an additional 120 acres that borders Foley. Not only does that more than double our size, but it gives us lots of land for cool new Mountain Biking trails and new on-camp camping sites!

Different Trips set for this Summer

Where will the tripping program lead us this summer? The Mississippi River, Kathio State Park, Itasca State Park, and the Crow Wing River are just some of the locations being scouted for possible tripping options! Combination trips such as backpacking/fishing or canoeing/snorkeling are also being set up!

Camper Leadership Program for 15 and 16-Year Olds

A new program has been designed specifically for our campers who are at least 15 years old by June 1st of the upcoming camp season. The Camper Leadership Program is open to campers who meet the age requirement and stay for a two-week session or longer. It is the perfect program for those campers who are looking for more of a leadership role in the camp community and for those who would like to eventually become a CIT.

Counselor-In-Training Program for 16 Year Olds

The Counselor-In-Training program is a leadership program designed to train campers into successfully becoming Foley counselors. This is limited program is available through application only and to campers who are 16 years of age by June 1st. CITs gain leadership skills by attending seminars, actively teaching in activities, and assisting in a younger cabin throughout their four-week stay.

Work Program for 14, 15, and 16-Year Olds

Looking for a work experience but still want the fun of camp? Check out the Work Program options! Campers age 14 or older are eligible to become either a dishwasher or a kitchen aid. Come and work with your peers, receive a discount from your tuition, and have a ton of fun doing it!

North Shore Trip for Long Term Campers

This awesome adventure is available to campers who register for the four-week sessions. This summer the adventure for the first term will be Whitewater Rafting on the St. Louis River in Jay Cooke State Park. The second term North Shore adventure will be Rock-Climbing at Carlton Peak at Temperance River State Park. Both trips will be lead by Foley staff but the University of Minnesota-Duluth Outdoor Program staff will teach the adventures. We have used the UMD Outdoor Program staff in the past and have been very pleased with both the expertise and experience offered to our campers.

Special Clothing Reminders!

Don't forget to pack your polyester wear and disco gear for the Disco Inferno Final Banquet! Also if you'll be in camp over the Fourth of July, red, white, blue, and stars are a must!

Lake Superior Sail Trip

Do you want to have an experience of a lifetime? How does sailing around the Apostle Islands of beautiful Lake Superior on a private 38.5' Pearson with four other Foley friends for four days sound to you? (Sounds like a tongue twister to me!) All you have to do is register for camp for three weeks June 23 – July 13 or for four weeks June 16 – July 13. There is an additional trip cost of $440.00 that covers the boat charter and transportation. If you are interested in joining this awesome adventure, please contact us soon. There is only one spot available!

Counselors for 1999

We are excited to be having so many returning counselors sign on for another summer!

Jenny Dowling returns for her eleventh summer at Foley! Although only four of those years have been spent as a counselor, Jenny's camp spirit and her "Boom Chicka Boom" leave no doubt in anyone's mind where her heart is! Jenny will return to the glory of sailing and boardsailing this summer. Jenny is a junior at Dayton University.

Alli Faricy after 11 years of being a camper is donning the role of Junior Counselor! Her excitement and passion for the waterfront will be evident as she leads sailors and boardsailors around Whitefish Lake. She will also be found leading campers on camping trips. Alli will be a senior at Pine River-Backus High School in Pine River, MN.

Al Hofstede returns to Foley as a Senior Counselor. He brings 5 years of camper/CIT/Junior Counselor experience back with him. His activities will change a bit this summer, as Al will be more active down at the waterfront instructing in diving and skiing. Al is graduating this May from Totino-Grace High School in Minneapolis and will be attending St. Thomas University in the fall.

Melanie Pflug returns to Foley as a third year veteran. Melanie is once again being pulled to live with the younger girls in cabin Ishtakaba. Ishtakaba will rock! She will be instructing swimmers and snorkelers down at the swim dock. Melanie is a junior at Creighton University in Omaha and is studying to become a nurse.

Ryan Richardson joins us for his second year as a Foley counselor. Ryan's off-season competitive sailing and archery experience will help him as he returns as both a sailing and archery instructor for Foley. Ryan graduates from Iowa State University in May with his teaching certificate and a degree in Engineering.

Rodrigo Roldan brings 5 years of camper and counselor experience with him as he returns for his second year as a counselor. Rodrigo is currently studying to become a doctor in Mexico City and due to this obligation, he will only be found at Foley for the last half of the summer.

Eric Torkkola return as a fourth year counselor. The Torkster will once again be found at his favorite location on Foley grounds - the Riflery Range! He is excited and happy to be returning to lead "Chilli, Chilli" and campfires and to be a counselor in the older boys' cabins. Eric is studying to be a teacher at Bemidji State University.

Jason Ward and his blue tuxedo return to Foley for a second year. This summer Jason can be found leading camping trips and helping to keep all those camp bikes in tiptop shape. Jason is a junior at the University of Northern Iowa in Cedar Falls.

KC Williams comes back to Foley for her third summer. KC will again be the fearless leader of all CITs for the summer. She will also be found teaching snorkeling and helping to lead camping trips. KC is a senior at Macalester College in Minneapolis and will graduate in May with a teaching certificate and a degree in English.

Guess What?
Chris Kaskie, Tom Dolan, Debbie Speer, John Stielow, Annie Current, and John Dowling have all expressed interest in 1999!

...and we have heard rumors that Rich Voelbel, Sara Maday, Sarah Smith and Anne McCormick are thinking of coming back also! Will we see them? You should write a note to all these people and encourage them to return!
