

Reunions and Future Camper Meetings Coming Your Way

For those of you looking to possibly join us at Foley this summer and would like to meet either a director or an assistant director you are invited to attend one of the gatherings nearest you, learn more about us, and have your questions answered.

For our friends who have been campers you are invited to come to one of the gatherings to see some of your camp friends, find out what is new for 1997 and pick up your 1996 video. You should also bring any friends that might be interested in coming too.

Camp Foley

A Word About Air Transportation

Camp Foley will once again be using the services of Travel One, a professional travel agency to facilitate the air transportation to/from Minneapolis for the transfer to camp. The Minneapolis/St. Paul airport has grown so large in size that it is now imperative that campers traveling to/from camp on the same dates travel together. This is the best way that we at camp can successfully meet and assist each arriving or departing camper. We have limited staff at the airport and want to provide you with the best possible supervision and security. If campers are grouped together, our staff can provide a better service to you and your children and connect more efficiently with camp transportation. It is also a wonderful way to meet other campers and parents and relinquishes some of the anxiety of traveling alone, even if just meeting a few minutes before boarding at the airport.

The second reason to use Travel One is that they have negotiated with Northwest Airlines special camp air fares that should be competitive with any summer air fare promotion.

Complete travel information will become available to include suggested air flights and times, as well as the negotiated camp fare pricing and will be mailed to you in early April. It would help all camp families and us at Foley, if you respond promptly to this mailing and use Travel One. Call Travel One and ask for Judi Bestler who works directly with Foley families. 1-800-245-1111.

Unaccompanied Minor Service

Northwest Airlines as well as all other airlines, are entitled to impose a \$30.00 per way fee in exchange for unaccompanied minor service, to anyone under the age of 12, if they so desire. Please note that this is no longer free. If you are booking through Travel One, Northwest has agreed to not impose this requirement to campers traveling under blocked space. This can be of savings for our parents especially from areas like St. Louis. Foley's policy is that if a camper comes to camp flying unaccompanied minor, we will return the camper unaccompanied minor. We will also use the unaccompanied minor service for campers under 12 who are transferring planes and traveling alone or with a group of all young campers. Foley reserves the right to charge the parent for any unaccompanied minor fees needed to secure travel for their child. The single charge applies to one or more children traveling together on the same itinerary. Unaccompanied minors will also be assisted through customs by an airline agent. Please check with your travel agent for more details.

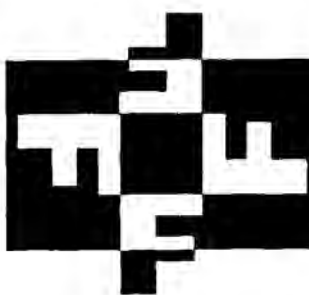

Air Travel Changes/Reminders

1. All campers will call home collect or with their own calling card at the airport upon being met by a Foley counselor.
2. Campers should have \$1.50 in change to secure a cart to transport baggage from baggage claim to camp transportation. Campers traveling together could share in this cost.
3. Upon return home, camp will give to each camper from his or her account \$10.00 to cover the cost of lunch and snacks at the airport and to obtain a baggage cart.
4. Campers arriving after 9:30 a.m./10:00 a.m. may be transported in camp vans, as buses will most likely be departing after the arrival of the Northwest flight from St. Louis. Please note that if your child arrives around 10:15 a.m., for example, that she or he may be at the airport until 1:00 p.m. waiting for delayed flights or late arrivals from campers who have limited choice in their air travel. We will always do our best to move campers to camp as quickly as possible, efficiently using staff and vehicles.

Menu Changes on Camp Transportation

Camp transportation will no longer be stopping at McDonald's for lunch and will be providing campers with another lunch option such as a box lunch or submarine sandwich when traveling to camp. On the return, a snack & beverage will be served allowing campers to eat with their parents in the Minneapolis area or choosing their own food at the airport.

Fun and Friendships Forever at Foley

Special Events Happening in 1997

Winter Holidaze

Still swirling in the spirit of the holidays, we have decided to extend it to the summer months! That's right, trees will be trimmed, songs will be sung, cookies will be consumed, and who knows, maybe even the Summer Santa will visit! A special Sunday schedule will be made to include "sleigh rides", "snow" crafts, and pictures with Rudolph. All-camp costume contests will be held with such categories as best winter character, most red, green or white, and sparkly snowflake. The spirit of the season will be here without the snow, what a great way to celebrate! So bring your winter holiday costumes and decorations for camp's Winter Holidaze!

Camp Carnival

Due to high demands for fun and excitement, the Foley Camp Carnival returns for its third consecutive year! Held the Thursday before departure in the two and three week sessions, the Carnival is beginning to become a Foley tradition. This year however, you--the camper--will become more involved in how the carnival is run! You, your cabinmates, and your counselors will be able to choose or create your own carnival booth to operate throughout the night. All of the booths will be judged, some of the categories include: theme creativity, best decorations and most tickets won. So start thinking now! Which booths do you like best at carnivals? What carnival booths would be fun and cool to have at the Foley carnival? Come to camp with ideas or write us to let us know!

Fourth of July

At camp, the Fourth of July is always a festive time. If you have never spent a Fourth of July at camp, you should try it! Throughout the day, there's always a certain spirit in the air of enthusiasm and excitement. A special schedule of crazy contests at activities is created to add to the thrill of the day. In the evening, a talent show, cabin contests and an ice cream social make for a fun ending to a great day. If you are coming to camp for the Fourth, remember to bring your red, white, and blue clothing and any other patriotic items that you may have. Practice those incredible talents for our annual talent show and come ready to have a great time!

Mardi Gras Theme

Dig out your most colorful costumes! Grab your beads and bells! We're getting ready for the party of the season, that's right, Mardi Gras is hitting Camp Foley at full force! Unlike the big Mardi Gras held only once a year in New Orleans, our smaller version will be held four times--at the end of every session as our final banquet theme. Both campers and staff will be encouraged to help add to the festivities by wearing bright colorful costumes, bringing beads to wear or trade, and of course having a mask of sequence and feathers. Don't worry if you don't have a mask, you will be able to create your own in art!

Attention Boys in Seventh Grade and Older

Do you want to have an experience of a lifetime? How does sailing around the Apostle Islands of Lake Superior on a private 38.5' Pearson with four other Foley friends for four days sound to you? To commit to this trip, all you have to do is register for the three week session and let us know that you want to go on this terrific trip. There is an additional cost of \$380.00 for the trip that covers the boat chartering, and transportation. If this sounds like something you want to do, please contact us before January 31. We need five male Foley campers committed to this otherwise we will close this awesome trip to boys and open it for girls only!

Look Who's Registered

These kids are set for a super summer having their camp registrations into our office by January 9, 1997. If your name is not on the list, talk to Mom or Dad. Is your friend's name missing? Give him or her a phone call!

Online Campers!

Have you wondered why some of your camp friends seem to have the edge on Foley info? Could it be that they have internet access and are receiving the popular "Foley Clips"? What are "Foley Clips" you ask? "Foley Clips" are tid-bits of information about the happenings of camp that we have been sending to campers via email about once a week. The "Clips" also include information that campers pass on to us in their email, like what they are doing in school and what their plans are for next summer. It is great to have such a better way to communicate with our campers! Do you have an email address? Let us know and we can add you to the "Clips" list! Camp's email address is: sbfhouse@uslink.net

Shop Races

You may have already witnessed the thrill and excitement of the Foley Derby Car Races. In addition to holding races on a plywood race track, races will be held in an eight foot long gutter full of water. You are right if you are thinking that Derby Cars don't move very fast in water, that's why we won't be using the cars. Instead you will be able to create and design your very own sailboat in shop class for the new Foley Sailboat Races! The races, held once a session, will take place, not on Whitefish Lake, but rather on land in the more shallow Whitefish Gullies. Unlike the sail racing activity that you can take, our sailboat races will have guaranteed racing winds--a high powered fan will be strategically placed at the end of the Gullies for the best wind speed!

CIT Update

If you are at least 16 years of age and would like to help teach activities, assist counselors of younger campers, and join one of the best teams at Foley--then the CIT Program is for you! As a CIT, or Counselor-In-Training, you will assist Foley counselors in various activities and in our younger cabins with evening activities. You will also be able to participate in daily leadership meetings where you will gain knowledge, skills, and experience in a wide variety of topics. Come join our team! There are a few spots left for both male and female CITs during the July 30 through August 12 session, so apply TODAY! The CIT team members already include: Erica Davis, Brian Girgen, Ryan Grelle, Lauren Hartzell, Al Hofstede, Katie Lundell, Pat Ramey, Kathleen Schmitz, Michael Sluis, and Kyle Young.

North Shore Trip 1996

Back row left to right: Eric Shroeder, Alli Faricy, Anjali Godbole, Max Holtz, Michael Sluis, Ryan Grelle, Sophie Benoist, K.C. Sullivan, Drew Stringer, John Sullivan, Kyle Young, John Dowling, and Liz Kuebel.

Front row left to right: Kathleen Schmitz, Lauren Hartzell, Ale Labastida, Heather Matthews, Mike Mahony, Blair Bachman and Adarsh Godbole.

Northern Exposure

Last year's completely awesome Northshore trip has prompted us to plan another adventure for our long term campers. During the shorter session breaks, the campers staying four weeks or more will be off for three days exploring some of the coolest and best kept secrets of Minnesota. Hiking and camping in the beautiful parks, and perhaps even sea kayaking under the direction of experienced instructors from the University of Duluth are other parts of this wonderful trip led by Foley staff. Are you interested in going on this awesome adventure? Register for the 1997 summer for four weeks or longer and be ready to have a great time! These campers are already signed up: Ellen Adams, Sophie Benoist, Alli Faricy, Molly Frank, Ryan Grelle, Zoey Hartzell, Lauren Hartzell, Al Hofstede, Martha Kaskie, Katie Lundell, Kristi Pflanz, Pat Ramey, Kathleen Schmitz, Sarah Schmitz, Michael Sluis, Kyle Young, Matt Bussmann, Sarah Rhomberg, Mark Baldwin, Chris Bannister, Tommy Bannister, Erica Davis, Brian

Girgen, Melisa Girgen, Fernando Labastida, Sofia Leal, Ignacio Medina, Fernando Mendez Munoz, Priscilla Sheridan, Rodrigo Vargas, Ernesto Vargas, Carla Villalobos, and Ricardo Villalobos.

Hall of Fame Campers

We want to give special recognition to those campers who have been coming to Foley summer after summer. Did you know that some of our Foley campers and staff have been coming here for 10 years?! That's a long time. There are going to be three categories that a long-term camper can fall into: Stepping Stones, Bridge Crossing, and Hall of Fame. To be inducted into the Stepping Stones, you need to have spent three summers at Foley. A member of the Bridge Crossing has spent five summers at Foley. In order to be a member of the Foley Hall of Fame, a person needs to have spent 10 summers at Foley. A person doesn't necessarily have to have spent all those summers as a camper at Foley. He or she can have a combination of camper, CIT, Junior Counselor, and Senior Counselor years at Foley. What do you have to do to be in these prestigious groups? As a member of the Stepping Stones, you need to have been at Foley for three summers. That's it. You are automatically a member! In order to join the Bridge Crossing however, you need to do some work. If you have been at camp for at least five years, you need to write an essay of at least 500 words of "What Camp Foley Means to You". A Hall of Fame member needs to complete even more work. A biography sheet needs to be completed and a few short questions need to be answered. Induction into these groups will be acknowledged at a special time during each summer session.

These campers have been to Camp Foley for four years and if they come for the 1997 summer, will be eligible to become a member of the Bridge Crossing: Derek Adair-Smith, Peder Arneson, Erin Bresnahan, Nate Combs, Ben Corcoran, Jane Dalee, Erica Davis, Colin Dougherty, Maggie Enz, Willy Enz, Brian Girgen, Melisa Girgen, Greta Goerss, Molly Hagerman, Chase Hanson, John Iverson, Martha Kaskie, Lauren Kelly, Carolyn McGarvey, Chad Messer, Devin O'Brien, Brendan O'Brien, Christian Papayanopulos, Martha Petkovich, Matt Pluimer, Megan Propheter, Amy Ritchie, Pat Rockwell, Sean Scallen, Jim Snediker, Robby Stofer, Diane Thompson, William Urion, Molly Wack, Tara Ward, Jamie Werthwine, and Anne Wolken.

These campers are already eligible to become a member of the Bridge Crossing: Matt Bussman, Mitch Confer, Nate Confer, Kyle Doyle, Jenny Glessner, Matt Goad, Zoey Hartzell, Elisha Hoffmann, Natalie Johnson, James Klaas, Tim Knutson, Tim Lohmann, Ben Minor, Katie Minor, Christine Mullarkey, Caitlin O'Keefe, Maddy Otis, Claire Rabun, Michael Rabun, Sarah Rauenhorst, Michael Scallen, Erica Schmid, Laura Schmid, John Michael Stielow, Jeff Strobach, Katie Weber, and Kevin Weber have all been to camp for five years. Stephen Boulware, Andrew Brown, Tom Dolan, Drew Dowling, Daniel Graf, Tom Kelly, Justin Klauer, Monica Olson, Pat Ramey, John Rasch, Sarah Rhomberg, Dan Ritchie, Mike Ritchie, Kristine Rauenhorst, Michael Sluis, Devon Wiewel, and Kyle Young have all been to camp for six years. Mary Dalsin, Noah Johnson, Steve Schmid, Mike Schmid, Sarah Schmitz and Rachel Tierney-Chavez have all been to camp for seven years. Megan Cahill, Colleen Cahill, Anjali Godbole, Elizabeth Ingram, Kristina Pflanz, and Kathleen Schmitz have all been to camp for eight years!

In 1997 these campers will complete their tenth year at Camp Foley and are eligible to become the first inductees into the Foley Hall of Fame: Alli Faricy, Lauren Hartzell, Jana Schmid, Megan Tauer, and of course Andy Dotson if he returns.

Congratulations campers! If you are interested in becoming members in the categories in which you are eligible, sign up for the 1997 summer today!

Meet Some of Our 1997 Staff

We are proud to introduce some of our 1997 summer camp staff. These are the individuals who will make camp come alive for our campers. They are caring, talented and enthusiastic adults who the directors feel will be positive role models for young people. Each Foley staff member will bring to camp their special talents. All are accepting the challenge to spend their summer working with children in the camp environment.

Brad Beske joins us for his second year at Camp Foley. He will be joining us in April as a member of our core staff for our Environmental Education program. During the summer months, Brad will be instructing fencing and riflery. Brad recently graduated from the University of Wisconsin - Madison with a B.A. in English.

Jeanna Bonello is very excited to return as a counselor in the younger girls cabin and as a snorkeling and swimming instructor. She will also add her energy and spirit to our tripping program. Jeanna is a freshman at the University of Minnesota - Twin Cities studying Child Psychology.

Eve Broekemeier returns for her second year as a Foley counselor. Her humor and laugh will once again be carried in the wind as she pulls skiers and leads campers on trips throughout Minnesota. Eve will also be helping us in a supervisor position to help us accomplish the many goals we have for the summer. Eve will graduate from Colorado State University with a B.A. in English and History.

Jill Dittberner returns with her generous amounts of enthusiasm and laughter! With her past experiences at the Foley waterfront, Jill will be great in her position of running the swim dock activities and as a swimming and snorkeling instructor. Jill is a junior at Moorhead State University studying for a degree in Child Development.

Camp Foley Health Care Team

Providing health care for our campers while away from their accustomed support of family and doctors is challenging and very important to us at Camp Foley. Our camp nurses, all RNs from 1996 will be returning in 1997 to provide the care and support needed while campers are at camp. Not only are they RNs, but mothers with children at camp! We all gain in professional care, parental understanding, and experience in working with youth. Please welcome back **Lily Dougherty, Ann Hagerman, Anne Kelly, Ann Messer, Sharon Quast and Karen Rauenhorst.**

Emily Hofstede returns for her second year as a counselor, but for her fourth year as a member of the Foley community. With her contagious smile, she will continue to share her knowledge and experiences in her two favorite areas of tennis and boardsailing. Emily graduates from Totino-Grace High School in May.

Pete Kowal returns for his third year at Foley. He is anxious to start his new position as a riflery instructor. Pete will also be displaying his artistic talents by leading special sixth activity period shop classes. Once again, he will be working with our 12 and 13 year old boy campers. Pete is a junior at the University of Minnesota - Twin Cities studying Biology.

Matt Little joins us for his first year at Foley all the way from England. He brings with him his expertise in tennis and soccer. (Don't be surprised if our British staff start having campers call soccer balls "footballs"! He is an avid player and an experienced and certified youth coach in both sports. Matt is currently attending Portsmouth University.

Kathleen Williams comes to Foley for her first summer. She will be busy at the swim dock teaching snorkeling and swimming. Kathleen will also be able to help catch toads and grasshoppers during her nature classes. With her background in track and field, she will help to organize a Foley Track and Field Day. Kathleen is a sophomore at Macalester College.

Darran Wrighton also joins us from England but for his second summer at Foley. He is excited to come early as a core staff member for the Environmental Education program. During the summer he will be found once again on the tennis courts and on windy days at his new activity of boardsailing. Currently Darran is working office jobs in England and anxiously anticipating the chance to work outside and teach tennis again!

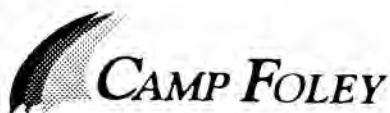

Dishwashers Needed

We want you to join our dishwashing team! Where else can you play all day, hang out with your friends, and gain the experience of working? Work off money from your camp tuition by washing dishes once each day rotating meals every three days. Come and experience a summer at Foley as a dishwasher! If you are interested or would like to find out more information, please contact our camp office for a Work Program application.

Foley Meetings Coming Your Way

Are you thinking of camp for this summer? You are invited to join us to learn more about Camp Foley. Have you been to camp before? Bring a new friend to a camp meeting and share the excitement and fun of Foley. We will be showing a video and visiting about what is new for 1997. There will be lots of pictures, an opportunity to visit with a director about Foley, and cookies!

FUN, FUN, FUN!

Camp is fun! Fun is camp! Being a kid means having fun in the summer. Foley is fun! Did you know that at Foley before our campers arrive that staff spend hours on creating fun, being fun, and playing! Wow! It's raining, how about a gigantic fort in your cabin? How about flashlight tag after the lights are turned out in your cabin? It's a super hot day and all of the sudden all of the activities are closed and the entire camp is down swimming and playing in the water! It's fun dressing crazy. It's fun putting zinc oxide on your nose when 100 other kids are doing the same. How crazy is your cabin skit? Fun is getting up on water skis for your first time. Fun is designing and constructing your own car for the Pine Car Derby races. Fun is the giggles and laughter of being silly with your friends. Fun is playing capture-the-flag or blind soccer. Fun is singing silly songs at a campfire. Fun is eating a gooey smore, getting soot on your face, or making Rice Krispie treats over a fire.

CIT Openings...7/16 to 8/12

Please check:

- ☐ Yes, I want to help teach activities at Camp Foley!
- ☐ Yes, I want to be a positive role model for younger campers!
- ☐ Yes, I want to be on one of the greatest teams at Camp Foley!

If you are going to be at least 16 years of age by June 1st and have checked any of the preceding responses, then you are just the person we are looking for! As a CIT, or Counselor In Training, you will assist Foley counselors in various activities and in our younger cabins with evening activities. You will also be able to participate in daily leadership meetings where you will gain knowledge, skills, and experience in a wide variety of topics. There are a few spots left for both male and female CITs during the July 16 through August 12 session, so register TODAY!

Cabin Living

Living in a cabin with a group of kids is a new experience for most of our first time campers! Our cabin counselors know this and prepare to welcome you with signs, posters and other colorful decorations. Two counselors live with a group of 8 to 12 campers in the cabin. We try to create a cabin group that has both new and returning campers, campers from different states and perhaps a foreign country, some who come with friends and some who are coming to camp on their own and are eager to meet new kids. Fun starts on the first day as groups play games to get to know each other. It continues as cabin mates plan and do cabin activities together ranging from an overnight, to challenging another cabin to a game of basketball, to making friendship bracelets, to an evening swim and sauna. There is so much to do in such a short time. Cabin living is friends. It is sharing your dreams, laughing at your mistakes, exchanging addresses, and promising to return to camp next year. It is talking late into the night, playing Monopoly, and dancing! A cabin group makes camp special!

Aweome Waterskiing

Do you know what campers most frequently tell their parents in letters or when they get home? "I got up on skis for the first time!" Who wouldn't write home about barefooting for the first time or skiing around the lake on one ski? Foley has a great ski program. Kids get to ski! You can ski almost every day if you want. This isn't true at all summer camps. Did you know that our water ski program was ranked as one of the top 100 summer camp water ski programs in the United States? Did you know that our program was specifically noted as one of the TOP eleven summer camp water ski programs in the United States? We were written up in the March 1996 issue of *WaterSki*. With two boats, booms for instructional work, quality skis and trained instructors our campers are off for an experience of a lifetime. And parents, there is no extra cost for this great program - all just part of the Foley experience.

Cool Counselors

Camp is full of counselors. These are not ordinary college students. These are young adults prepared and willing to give their best to each camper. They have gigantic hearts. They know that safety and good health are very important. They have to play, play and play some more. They need to laugh and sing. They also need to listen, comfort, encourage, and smile! They need to put campers' needs first. They know that quality instruction is important. They know that campers look to them to be leaders and friends. They have a tough job. A counselor becomes a parent and a friend when you arrive. Counselors are indeed special!

Super Sailing

Camp Foley is the only camp in Minnesota and perhaps the Midwest that offers its campers, ages 6 to 16, sailing lessons using a fleet of all new Johnson 420's and Club Trainers, an Optimist type boat. You do not need to attend a special session to gain expert instruction taught by U.S. Sailing certified instructors using U.S. Sailing's "Little Red Book" as an award system. Every camper at Foley can sail from 1 1/2 hours to 3 hours every day. Sailors are given some land instruction via videos and land drills and under the careful guidance of Foley staff, able to rig their boats and sail! What makes this teaching technique so unique? The kids are doing the sailing! They are the ones in control! You don't learn to play tennis by sharing one racket between four to five people and at Foley you don't learn how to sail that way either! At many camps, there are four or five campers on a boat with one counselor. In this situation, the kids are not learning as rapidly because they are sharing the time spent controlling the boat. At Foley, there are one or two kids per boat with our staff supervising and giving encouragement from small motor boats. It is the same technique used at sailing schools throughout the country. For those of you who want technical information, a 420 is a two man dingy that is widely used as a collegiate racer and is also sailed internationally. WOW! Don't you want to sail at Camp Foley this summer?

A Peaceful Place

Camp is all sorts of animals and critters. Each year brings us new surprises! Last summer, the kids helped to feed and care for an abandoned fawn who has now grown up and won't leave! One night last summer, a group of sixteen year old boys, flashlights in hand, had a blast catching frogs and toads. Campers have even seen bear cubs roaming aimlessly through camp. In captivity numerous snakes and turtles and a Red-Tail Hawk all add to the camping experience. Camp is star gazing on a clear night, swimming in a crystal clear sandy-bottomed lake, hiking or biking through the birch and pine trees, and sitting with a group of friends in the silence of the night. Foley brings a new dimension to being outside and away from the city. Come and enjoy!

Terrific Trips

Sure living in cabins at camp may not be as rustic as tent camping but you can add that experience by going on a biking, canoeing or backpacking trip. What an awesome experience of spending two to four days with your friends exploring, cooking, and camping in the beauty of Minnesota! Younger campers are off on over-nights building skills for longer trips. A night in a Sioux style tipi or in a tent with your cabin mates is fun. All kids, old and young, are thrilled with roasting marshmallows and eating smores. Tripping is awesome!

A Sample Activity Sign-up

At Camp Foley, the camper chooses his or her own activities! As opposed to some camps where a schedule is created for the entire cabin, Foley campers create their own individual schedule. Look at a sample of the activity offerings that happened in just one of the three day sign-ups last summer! Did you know that you can choose a new schedule every three days? You can try new activities or take your favorites over again. Each three day sign-up changes somewhat to give variety and make camp fun. Look at all that you can do!

Campers are divided into two groups by age for some activities and for evening programs. Campers twelve and under are Coyotes and campers 13 (8th grade in the fall) and over are Wolves. The Wolves have an additional 6th Period after supper while the Coyotes begin their fun evening program.

Fun and Friendships Forever at Foley

What Camp Foley Means to Me

by Rachel Tierney, Eighth Year Camper from Minnesota

Camp Foley is a place deep up in the woods that come summertime is filled with smiles, laughter and new friendships. It's a place where you can forget all your worries and put all your troubles behind. A place to seek new challenges you hope to overcome and to finally see what some of the best qualities that lie deep within you. You can sail Whitefish Lake or bike the wilderness trails. You can cheer on the soccer team as they try for another win against camps biggest rival, Camp Lincoln. Or you can just relax on Foley Green.

Camp Foley is my home away from home during the hot sunny July days. It's a time to meet new friends and fill two weeks with memories that will never end. It's a time to go on trips, to get to know all the new faces but most of all just walk on the land I have walked on each summer for the past seven years.

As I look back I realize what special place camp holds in my heart, for I have learned new and great things. The first time I learned to snorkel, water ski, even sail. To canoe, to boardsail or to build a fire on my own. To win awards, sleep up in Teepee Village or dive off the pontoon in the middle of the lake. I learned to make a dream catcher and decorate a pillow case. But most of all I realized how special just being at camp is.

You could look back to when I was a child and think, "How does she go somewhere for a week or two without bringing a friend or relative along?" It's easy. Every year I look so forward to returning come summer and couldn't imagine spending a summer without going to camp. I really would have to say the great outdoors and new friends and pen-pals is what makes me want to return. If I've ever felt lonely someone's always there to help.

Camp Foley is sort of like a dream with a happy ending. If it is a rainy day they always find something to keep us busy. Jeff and Marie and all the counselors make you feel so welcome.

Through my years at Foley I've learned some lessons I think will help me later in my life. I also have overcome challenges and fears. I've grown up at camp over the years and each year I come home with at least one new goal accomplished and a new goal set for the following summer.

Camp Foley means a summer filled with fantastic things you couldn't imagine and another warm great thing to think about on cold winter days.

*A Friendship made at camp.

One-on-One with You!

A portion of the last "Girls Only" Newsletter was dedicated to finding more information about you – the camper. In a section entitled, "One-on-One with You", we asked you to answer some questions so we could highlight fun facts on our campers. The following are fun facts about the special campers who sent their information to us!

Melissa Farrell has been at camp for two years. Her favorite camp activity while at camp is sailing. Melissa is a sophomore at Visitation Academy in St. Louis, Missouri. She enjoys rollerblading and biking. She is involved with drama at school and has been in school plays. Her best memory at camp is doing a "photo shoot in the Bradley".

Greta Goerss enjoys cheerleading, one act plays, and speech. She is freshman at Spirit Lake High School in Spirit Lake, Iowa. She has been coming to camp for four years. Greta's favorite camp activity is sailing. She likes to sing to the radio in the morning while doing cabin clean up. Greta will be coming to camp for two weeks in 1997.

Jennifer Hagen spent her first summer at Camp Foley in 1996. Her favorite activity at camp is Drama and her silliest moment in camp was when she dressed up as poison ivy. She is 9 years old and is in the fourth grade at Countryside Elementary School in Edina, Minnesota. Jennifer likes to draw, act, and ride horses.

Breen Hagerman is seven years old and is in the second grade at the Nativity School in St. Paul, Minnesota. Her favorite camp activity is tennis and her favorite camp memory is meeting Buckley. Breen likes reading class and recess best at school. She will be coming to camp for two weeks in 1997.

Molly Hagerman has been to camp for four years. Her favorite activities are waterskiing and sailing. Her favorite camp moment is when Molly, Laura and Erica Schmid were the only ones in their cabin! She is in the sixth grade at the Nativity School in St. Paul, Minnesota and her favorite subject is Spanish.

Lauren Hartzell has been coming to camp for 9 years! She is a sophomore at St. Paul Academy in St. Paul, Minnesota. Her favorite activity is sail racing. It is hard for her to pick one favorite memory, but the North Shore trips have some of the best memories. Lauren will be a CIT for the first four weeks of camp in 1997.

Martha Kaskie's favorite camp memories are receiving and giving away the Anchor Award. She has been coming to camp for four years. Her favorite camp activity is waterskiing. Martha is fourteen years old and is a freshman at Marian High School in Omaha, Nebraska. She is active with her school's student council.

Mackenzie Sinard's favorite activity at camp is snorkeling. She is in the fifth grade at Birchview Elementary School in Plymouth, Minnesota. Her favorite subject is art. She likes to make and sell jewelry and write poetry. Mackenzie is 10 years old and was born on a Friday the 13th! She is coming to camp for 2 weeks in 1997.

Jessica Timmington is ten years old and is in the fifth grade at Deephaven Elementary School in Minnetonka, Minnesota. Her favorite subject is reading. She enjoys riding horses and collecting Beanie Babies and Felicity things. Last summer was her first summer at camp. She enjoyed waterskiing and fort making best.

Thanks to Amanda Jenson for sending us this awesome picture of her and her counselor, Danielle Pilon.

Where In The World

Where in the world are the rest of those cabin chain letters? Some of you may be wondering what this is all about. Way back in October we started a chain letter for each girls' cabin from the 1996 summer. The instructions that were included encouraged cabin mates to write on the letter or add their own and send it on to the next cabin mate listed. Out of the 32 cabin chain letters that we started, we have received 6 letters back. What we have discovered is that the letters we have received back at camp are from cabins without foreign campers! So we truly mean it when we say, where in the *world* are the rest of those cabin chain letters? Here is a listing of the cabins and cabinmates in the order in which we received their chain letters. It is not too late...get those letters in and we'll copy them and send them back out!

What is a Friend?

A friend is one of the nicest things you can have, and one of the best things you can be. A friend is a living treasure, and if you have one, you have one of the most valuable gifts in life.

A friend is the one who will always be beside you, through all the laughter, and through each and every tear. A friend is the one thing you can always rely on; the someone you can always open up to; the one wonderful person who always believes in you in a way that no one else seems to.

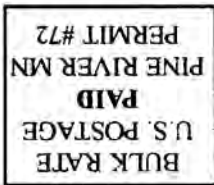

A friend is a sanctuary.

A friend is a smile.

A friend is a hand that is always holding yours, no matter where you are, no matter how close or far apart you may be. A friend is someone who is always there and will always - always - care. A friend is a feeling of forever in the heart.

A friend is the one door that is always open. A friend is the one to whom you can give your key. A friend is one of the nicest things you can have, and one of the best things you can be.

Camp Foley Alumni

A Hundred Years From Now

...it will not matter what my bank account was, the sort of house I lived in, or the kind of car I drove...

...but the world may be different because I was important in the life of a CHILD

This saying is on a plaque hanging near the door in our camp office. We see it everytime we pass through the door. A different plaque with the same saying hangs in the staff lounge. They see it everytime they are there taking a break from their busy day. As camp counselors and directors, what we do and what we provide is important in the lives of many children.

Many of our campers are not as fortunate as others and are unable to come up with the necessary funds needed to attend camp. This is when many other people become important in the life of a child.

As we begin our 73rd summer, many children are in need of our financial assistance to make Foley an important part of their lives. Investing in the life of a child does make a difference and we hope that you will help us with our goal in providing scholarships for children to attend Foley. These children would not otherwise be able to have the experiences that numerous other campers so fondly remember. Through the American Camping Association Camper Scholarship Program, Camp Foley is able to use your tax deductible gift to provide youngsters with a camping experience. ***Your contribution will go directly toward a child's tuition*** and is not lost in administrative costs. Perhaps your place of employment has a Matching Gift Program or would be interested in our goal of increasing our scholarship program.

Your donations can honor family and friends at important occasions throughout the year—birthdays, anniversaries, achievements, acknowledging a staff member, or as expressions of sympathy. A gift to the Camp Foley Scholarship Fund is a very thoughtful expression of love.

Each year, names of donors are listed on a plaque that is displayed on the bell stand in the center of camp. It is our way of telling others that you believe that "Camp Gives Kids A World Of Good." Give yourself a great feeling knowing that you helped a child to have an unforgettable experience this summer at Camp Foley. Thank you for your continued support – you too are important in the life of a child. ***Give the gift of a lifetime and keep camp memories alive...***

Scholarship Program

Donors from 1996

We'd like you to meet a few of our friends. They come from many walks of life. They live in different places, may not know each other, probably think differently, and feel differently about many things with the exception of one very important common interest that binds them - Camp Foley.

In some way or another, Camp Foley has touched their lives. Maybe they were a camper and now send their children or grandchildren. Maybe they were a staff member, parent, or camper who understands the benefits associated with Foley. Maybe they own a summer cabin in the area and attend Mass at the camp chapel. They share not only their love of Foley but have contributed to our Camper Scholarship Fund through the American Camping Association. This program enables a few children that would not be able to afford a residential camping experience to come to Camp Foley.

Our warmest **thank you** to our 1996's donors. Your names will be inscribed on a yearly plaque proudly displayed on the bell stand in the center of camp. If you would like your name listed differently than printed below, please contact us.

We think of you every time we see a child that has benefited from your generosity. We think of you when we receive their letters of gratitude expressing the importance of camp in their lives - camp friendships, new skills and experiences, and personal growth. Camp Foley also would like to thank the numerous parents who contributed \$10.00 or less of the remaining Canteen or Camp Store balance to our scholarship program.

What Are Our 1997 Scholarship Needs?

The need is always great and we continuously strive to do more and more each year. It is almost impossible for us not to accept a camper if the financial need is there and if the child could benefit from a camping experience here at Foley. We do full and partial scholarships. Some recipients have a parent or other giving adult or organization that can pay a portion of their tuition. Older campers are willing to work off part of their tuition in our camp kitchen in order to have the camping experience. The rest of the tuition comes from the generosity of our donors through ACA Camper Scholarship Program. Foley also absorbs a portion. These kids are important! Please, consider making a difference in the life of a child.

How To Give

Tax deductible gifts from alumni and friends can be deposited in a special account through the American Camping Association. Your check, payable to ACA Camper Scholarship Program and designated for use at Camp Foley, can be sent directly to us and we will forward it onto ACA.

Help us continue this special scholarship fund. Send your tax deductible donations to: Camp Foley, HCR 77 Box 172, Pine River, MN 56474.

New 5 Day Program

Why not spend five, wonderful, fun days at Foley right before school starts? Why not enjoy the many activities and the laughter of friends? Why not enjoy floating from one activity to the next? Can you imagine shooting a rifle or playing a game of tennis on a cool morning, sailing or boardsailing when the wind is up, and diving into lake on hot afternoon? These five days, from **August 13 – August 17**, are for new and past campers alike! It is five days packed with fun and more fun before school starts. It is for ages, 6 to 16! It is for both boys and girls!

Sleep on a camp bunk, wear a camp T-shirt and have a blast! Foley's staff will be ready with campfires, games, and assistance at all activities. The camp bus will transport campers to and from Minneapolis. The dining room will be serving three meals a day. All this for \$420.00 and no other expenses.

Let your grandchildren, neighbors, and friends know about these five days! Perhaps someone in your family is ready to say yes to "Fun and Friends at Foley"! Spread the word.

A Super Group of Alumni

If you had visited camp over Memorial Day Weekend last year, you would have seen dock sections being created, docks and lifts being put into place, boardsails and sailboats being put together, and many people everywhere working hard and having fun! Thanks to many past staff and friends, our Marina had a facelift that left it new, improved, and ready for more action than ever without being scrunched for space. These people have been supporters of camp in many different ways and we want to thank them for their help in aiding us to maintain our quality programs: Beth Berger, Heidi Bruecker, Mary Burnett, Andy Dotson, Rob Elam, Jeff Husmann, Mollie Juelich, Peter Kronschnabel, Ted & Kara Kronschnabel, Mike Norman, John McManus, Mark Osborn, Michelle Wood, and Brad Yerhot.

Thank You, Thank You

Thank you to all of our alumni who are supporting Camp Foley by telling others about Foley, giving of their time and talents, and/or donating to our scholarship program. It is also the support of prayer, encouraging words, and fond memories that helps us to know that we are making a difference in the lives of young people! Thank you!

Water Skiing

Did you know that our water ski program was noted as one of the top 100 summer camp water ski programs in the United States? Did you know that our water ski program was specifically noted as one of the TOP eleven summer camp water ski programs in the United States?! In an article by Mark Gilchrist entitled, "Water Skiing and Summer Camp: How Could Kids Complain About this Combination?" found in the March 1996 issue of *WaterSki*, Camp Foley is one of the 100 summer camps mentioned. The article touches upon the benefits of attending summer camp over attending a specific water ski camp. He writes:

"You may be a good skier, but can you teach your kids to carve? Few are the parents with the patience, knowledge and resources to turn the young'uns into ski prodigies. How about hometown ski lessons? Good luck. Finding a water ski class at your local rec center is about as easy as, say, calling up NASA for a tow behind the shuttle for a couple of orbits--'Roger, Houston...hit it!'."

"So, this means you'll have to shell out some dough and send him to a private ski school, right? After all, schools are great for serious water skiers--children who routinely take their ski and gloves to bed with them. But if your kids don't sleep with their ski gear next to them, why not send them camping instead? Among the thousands of summer camps scattered around the U.S., there are more than 300 where kids go to ride horses, play soccer, make handsome wallets and--usually the most popular activity at these camps--water ski."

A Special Thank You

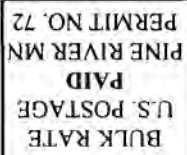

A special thank you to Judy and Bob Klauer and their son Justin for the large donation designated for the purchase of waterfront equipment. Justin, a past camper, holds a special place in his heart for sailing, boardsailing, and skiing. All of the Foley campers are grateful for this extra help in maintaining quality equipment.

Special Days, Packing, etc

Mardi Gras Theme as Final Banquet

Dig out your most colorful costumes! Grab your beads, bells, and feathers! Mardi Gras is hitting Camp Foley in full force. Unlike the big Mardi Gras held only once a year in New Orleans, our version will be held four times—at the end of the every session as our final banquet theme. Both campers and staff will be encouraged to add to the festivities by wearing bright colorful clothing, feather boas, bells and silly hats, by bringing beaded necklaces to wear or trade, and of course having a sequin or feather mask. Don't worry if you don't have a mask, you will be able to create your own in art! Don't have the beaded necklaces? That's okay too! Inexpensive bead necklaces will be available through the Camp Foley package service!

Winter Holiday Storms Foley

During the two and three week sessions, we will be trimming trees, singing songs, and consuming cookies! A special Sunday schedule will be made that will include "snow" crafts, and pictures with Rudolph. In-camp costume contests will be held with categories, such as, best winter character, most red, green or white, and sparkliest snowflake. The spirit of the season will be here without the snow, what better way to celebrate? So dig out your winter holiday costumes and decorations and come prepared for a festive day.

Foley's Guide to Priority Packing

If you are coming to camp this summer, there are some very important items on the packing list that you should know about. These items may seem insignificant at first glance, but in the reality of their use at camp, they have great value!

If you see sailing or boardsailing as an activity in your future, **aqua socks will be a requirement**. They work great to reduce slipping and sliding across the boats and boards. We have found that aqua socks are wonderful for many facets of camp: canoeing, overnight trips, walking around camp (especially if there is wet grass), and even walking on the lake bottom are all great rea-

sons to own a pair of aqua socks. Another suggested item to bring to camp, is a pair of UV blocking **sunglasses** and **Croakies** (they keep the sunglasses around your neck if they fall off). They are great too have for eye protection when it is a sunny day and the glare off the water is intense.

If you are going to be participating on a hiking, backpacking, or the North Shore Trip, you need to pack a pair of **hiking shoes/boots or cross trainer tennis shoes**. Shoes that will not be accepted are ones that do not give good support or shoes that are similar to Keds. Also, make sure that these shoes are comfortable and well broken-in before your trip. It is not fun hiking with blisters!

Our **mesh net bag** laundry experiment worked well last year and we encourage campers to bring those bags to camp again! The mesh net bag can be found in the laundry section of such stores as Target or Wal Mart. These bags will also be available to campers through special canteen. Make sure that the bag is large enough (we found that sweater size is best) to hold a week's worth of socks and undies and can be fastened securely. All of your socks and undies will be laundered together at the laundromat.

Sunscreen is something that always seems to be forgotten when packing for camp. Although people are led to believe that Minnesota weather is cooler than most states, the sun still shines down upon us and can leave campers red and sore. Please send sunscreen that you feel is best for your camper. We recommend at least a 12-15 spf waterproof sunscreen.

If you are fortunate enough to be experiencing the Fourth of July at camp, come prepared! The Fourth of July is always a festive! The day is filled with silly contests and incredible talents! Play an instrument? Bring it! You might need it for our talent show. In order to be part of the spirit of the day, bring **red, white, or blue** clothing and any other patriotic items that you have. You will need them for the contests and cabin decorating! A cool special Fourth of July surprise will be offered through the Foley Package Service.

Whatever you may bring to camp, **make sure to mark the camper's name on everything!** Iron-on labels and laundry marking pens work the best!

Suggestions for Swimmers

Learning to swim is a valuable lifetime skill and safety on the water is a primary concern both at camp and throughout your lifetime. Because campers typically spend at least half of their day at camp on or near the lake, swim testing gives us the security of knowing if campers have the strength and composure to handle themselves in an emergency situation. In order for a camper to test out of swim lessons, they must possess Red Cross Level 5 (Intermediate) swimming skills. The first part of the swim test will include a lifejacket check, watercraft safety information and a five minute interval of treading water to evaluate endurance. The second part is a stroke check. The five strokes that will be tested are the front crawl, elementary backstroke, sidestroke, breaststroke, and back crawl. In order for a camper to pass out of swim lessons, they must complete the five minute tread and be able to demonstrate complete proficiency in three out of the five strokes. Campers must also show adequate ability in the other two strokes.

All campers who have been to Foley in the past and have passed the Level 5 skill test will not be required to retake the stroke check. Notes from swim coaches and copies of certifications from other aquatic facilities will be taken into consideration when evaluating camper's swimming abilities. We encourage parents to sign their campers up for swim lessons prior to their arrival to camp. For many campers swimming at camp may be the first swimming they have done since last summer, by taking swim lessons before camp they have the advantage.

Smile Pretty for the Camera!

Out with the old and in with the new! The traditional memory book is now part of the Foley history! The new memory book, produced by Jostens for **each session**, will be approximately 16 pages long with over 120 colored photos of activities, cabins, friends and memories! The cost for this awesome new book will only be \$15.00! What a great value and keepsake!

Coming your way in May

Next month your mailbox will be filled with all sorts of good Camp Foley stuff! This big packet of information will include the Foley Package Service Ordering Form with lots of games, T-shirts and fun things to do in camp; the Canteen list containing all the cool things that campers can purchase at the camp store; our Parents Guide full of helpful hints and information that every parent should know before sending their camper to Camp Foley; and luggage tags to mark every bag that will be traveling with your camper to Foley. Keep watching for this packet so you can be well informed!

Reminder to all Flying Campers!

If you are coming to camp from out-of-state and are planning on flying into the Minneapolis/St. Paul airport, have you made your reservations yet? You should start thinking about this as many flights are already booked for the summer, especially from St. Louis! You can contact camp's travel agent from TravelOne, Judi Bestler, at 1-800-245-1111 or you can choose to make reservations through your own travel agent. The advantages of booking tickets with Judi include: special arrangements for all the campers from the same city to be on the same flight thus making it efficient for our staff to meet these flights, special discounts for camp families, and the waiving of an unaccompanied minor fee. We urge you to use TravelOne!

What Makes Camp Rock?

One Foley camper was overheard telling his grandma that he felt like there were 400 hours in a day at camp because he 'got to do SO MUCH STUFF!' Many of you contact us when you return home and complain because you are so bored -- "There is nothing to do!". Take a minute and think back to your time at camp and of the things you learned, developed, created, discovered, and encountered. Wow!

Thanks to You!!

A special thank you to each and every one of you for making this past summer one of the best ever. Smiles and positive attitudes were abound and there seemed to be such a definite spirit of fun in the air. We hope you can join us again next year for another summer of fun and excitement.

What's New?

Everybody always wants to know what's new at Camp? What have you done for next year? Well, if you can believe it, a lot has already happened at camp since the last camper left on August 17! Plans have been made, dates have been set, and ideas are flying to make the 1998 summer better than ever!

- The tennis courts have a new look! They have been resurfaced, repainted, and are ready for action!
- Tipi Village no longer has 2 tipis, but rather 1 brand new one! So the question is, is it still a village? One of the tipis has been cleared away to make room for a larger fire pit for cooking and sitting around.
- Lower Mosquito has become an official sleepover site, complete with platforms and tents.
- Slimy Thursday has been added to our list of evening program activities. We've decided that our campers just aren't getting messy enough! The last Thursday evening of the session will be filled with mess, slime, and just good 'ol fun! Watch out for flying eggs, crème filled pies, and flour-filled socks!
- Instead of having just a plain old dance where a counselor plays some tunes, a Grand Dance Festival is in the planning. Music will still be played, but special dance contests will be held along with silly crazy challenges for all campers to compete in. The tennis and volleyball courts will be open and horseshoes will find their way out of the closet. Group dances will find their way back to Foley as campers participate in various line dances, square dances, and other dances where the lyrics tell you what to do!
- A drinking fountain will be surfacing on the soccer field. Water will be readily available to all soccer players and any trippers needing a refill.
- A new element will be added to the Teams Course. An 'Acid River' will soon be flowing through the course area and campers are needed to figure out ways to cross it!
- Tekawitha is being remodeled this winter to allow for more light and better use of space!

North Shore Trip - June 24 to 26, 1997.

North Shore Trip

The 1998 North Shore Trip will find us experiencing a grand adventure - rock climbing above Lake Superior! It is a totally safe experience that will be led by the University of Minnesota - Duluth Outdoor Adventure staff and chaperoned by Foley staff. Besides rock climbing, we will be camping at various state parks located along the beautiful Lake Superior shoreline and hiking to overlooks with some of the most breath-taking views in Minnesota. Come join us on this unique trip! All you need to do is register for one of the four-week sessions, either June 17 to July 14 or July 15 to August 11, and be ready for an awesome experience!

North Shore Trip - July 29 to 31, 1997.

1997 Awards

Gold Paddle Voyageur Award

The highest honor that any camper can achieve was presented this summer to an outstanding individual! The Gold Paddle Award is the top award presented to campers over the age of thirteen and since 1968 when the first one was given, only 19 people have received this Award. In order to receive the Gold Paddle, campers must master skills in a minimum of 11 activity areas. During the Three-Week Session, **Alli Faricy** earned this award for exemplifying sportsmanship, a positive attitude, and leadership during her 10 years as a camper. Some of the high activity awards Alli has received are Expert in water-skiing, Skipper in sailing, and Advanced Canoeing. Alli is only the second female to receive this high award! Congratulations!

Alli Faricy with her two favorites: Gedney Pickles & a Gold Paddle Award.

Gold Birchbark Award

The Gold Birchbark Award is awarded to campers over the age of 13 who complete at least half of the requirements for the Gold Paddle Award. These campers must also exhibit a good and positive attitude and behavior towards everyone. Congratulations to **Lauren Hartzell** for working hard and receiving this award!

Silver Paddle Voyageur Award

This summer also proved to be very rewarding for three particular campers who received their Silver Paddle Award, the highest award presented to campers age twelve and under. Since 1969, only 35 campers have achieved this award. Congratulations to **Molly Hagerman, Erica Schmid and Laura Schmid** who received this high honor this summer! (Editor's note: Laura and Erica's dad was the first recipient of the Silver Paddle in 1969 while their brothers were the 29th and 32nd recipients.)

Anchor Award

The Anchor Award is an award that honors outstanding campers who demonstrate qualities of being friendly, well-mannered, respectful, and enthusiastic. All

nominees for the award must have attended camp for a minimum of 5 weeks. The recipients are chosen by written vote of both the campers and staff during each session. The 1997 Anchor Awards were presented to the following campers:

June 25 - July 15.....**Ryan Grelle and Kyle Young**

July 16 - July 29.....**Erica Davis and Tom Kelly**

July 30 - August 12.....**Priscilla Sheridan and Brian Girgen**

Higher Activity Awards

Special recognition also goes to the following campers who, through their own personal goal setting, have achieved some of the highest activity awards at Camp Foley.

- In boardsailing, the Daggerboard - **Alli Faricy and Sarah Rhomberg**

- In bicycling, Top Rock - **Christian Papayanopulos and Eric Schroeter**

- In canoeing, Advanced Canoeing - **David**

Barnes, Alli Faricy, Lauren Hartzell, Webster Heffern, Tom Kelly, Sarah Rhomberg, Mike Schmid, and Steve Schmid

- In diving, Flying Eagle - **Sophie Benoist, Lisa Lachky, and Tom Robinson**

- In rifery, Expert - **Mike Schmid**

- In sailing, Mates - **Brian Girgen, Molly Hagerman, and Kristi Pflanz**

- In tennis, Advanced Intermediate - **Alli Faricy**

- In water-skiing, Expert - **Alli Faricy**

Many other awards, far too numerous to list, were given to other hardworking campers. Congratulations to every camper who worked for and received an award or achieved a

personal goal this summer!

Erica Schmid, Molly Hagerman and Laura Schmid. Silver Paddle Award recipients.

Paddle and Birchbark Requirements

Just like Alli, Laura, Erica, and Molly, you too can set your sights towards the Silver or Gold Paddle Awards. Use this as your guide and check off the awards you already have. Which awards are you close to getting? Set your goals for the various activity awards and come back to Foley in '98 with thoughts of "paddles" going through your mind! Or perhaps thoughts of "birchbark" going through your head like Lauren.

Parent Comments About 1997

"[Our son] says that each year at camp is better than the last. He can't wait for the summer of '98 to return again." Mother of a 3rd Year Camper - St. Paul, Minnesota

"[Our son] came back virtually 'bubbling' about camp this year. In his words he 'had a blast' and it was 'awesome'. He really enjoyed his cabin he was in and the people who were in it." Mother of 6th Year Camper - Cumming, IA

"The first thing he said when we picked him up from the bus was, 'That was great! Can I go all summer long next year?'" Mother of 1st Year Camper - Minnesota

"The international aspect of Camp Foley was of particular interest to me. I felt [our son] gained an unexpected experience from living with someone from another country. The activities can't be beat - just to have the opportunity to do so many things outside of the possibilities of home. This is very positive for the kids and again makes them feel positive. I think the main focus I perceive from [our son's] camping experience is an overall feeling of specialness, raised self confidence in accomplishing the feat of being on 'his own' for 2 weeks, and raised self esteem is fantastic for young kids especially in this day and age. I am overwhelmed with good positive thoughts about Camp Foley and all it has to offer. I applaud your efforts in this wonderful place for young people." Mother of 1st Year Camper - St. Cloud, Minnesota

Hats Off to You - the Parents!

Thank you for helping to make the 1997 summer such a success in terms of fun and happy campers! Thank you for recognizing the benefits of a camping experience and choosing Foley to provide this for your child. Thank you for your telephone calls and for completing your comment forms. We need the feedback you give to us to help keep our program up to your standards. Thank you for mentioning camp to a family friend, a relative, or a neighbor. By doing this, you are helping us to promote Foley and spread the word so that other children may also enjoy the benefits of Foley. Thank you for the 'behind-the-scenes' support. Prepping your child for their time at camp, offering them support for this experience, and writing to them while at camp all makes such a huge difference. Finally, thank you to all those 'child-sick' parents that we enjoy talking to every other day while their child is at camp. You help us to realize just how important our job is. You have entrusted us with your child and our goal is to offer your child the best experience possible!

Save Money

Register by November 15 and:

- Save \$40.00 per week off camper's tuition.
- Receive a copy of the 1997 Summer Video to give to your camper.

You can register now and save the money without deciding on a session. Just let us know of your session choice by January 15.

Fall Calling

During the month of October, we will be taking the time to try and call every one of our camp families in the United States. We feel that it is very important to speak to the parents or to the camper to find out just how the summer went. We like to find out what your camper liked best at camp. We also like to find out the parent's point of view. How was the communication home? What was the part of camp you liked best? Our "Fall Calling" also enables us through your comments and suggestions, to find out how we can improve our program. We listen to all comments and try to change things that need to be changed. So talk to your child about his or her experiences at camp and be ready to answer the telephone!

For Parents and Inquisitive Campers

Parent Comments (continued)

"[Our son's] camping experience was really great! We were advised that he adjusted to camp life very quickly, that means that he was very happy and the most important was that all his instructors and staff welcomed him warmly. He felt at home. We are very thankful to all of you because this was an unforgettable and valuable experience for [our son]." Mother of 1st Year Camper – Mexico

"To put it in one word: TERRIFIC! [Our son] was extremely excited about all aspects of his camp experience. There wasn't a single thing about which he complained. It appears that he enjoyed all of his cabin mates and counselors. He certainly appreciated all of the programs in which he was involved. By the way, we had the opportunity a week or so after [our son] was with you to visit the camp and take a tour. We were most impressed. Actually, we really wanted a chance to come up and stay ourselves!" Mother of 1st year camper – Waterloo, Iowa

"The counselors [my daughter] go to know really seemed to be caring, conscientious individuals who wanted to make sure the kids had fun." Mother of 1st Year Camper – Edina, Minnesota

"As best we could tell, the counselors are all serious about their work but also fun loving and very intent on providing a life long memory for the campers. Camp Foley was a fun, positive, and rewarding experience for both of my children. They had a chance to gain a bit of experience by being away from home while at the same time enhancing their life experiences." Mother of 2 1st Year Campers – Chanhassen, Minnesota

"[Our son] commented that since being there, he felt more independent. Just what I'd like to hear from a camp experience." Mother of 1st Year Camper – Minnetonka, Minnesota

On the Road Again!

Our travelling schedule is arranged according to camper fairs, college job fairs, and the convenience of our camp families. If you can believe it, some dates are already set for 1998. We will be in the following areas next year:

- Chicago area from January 24th through January 27th
- St. Louis area from January 31st through February 1st
- Dubuque area from February 17th through February 18th
- Des Moines area from February 18th through February 20th
- Minneapolis area on January 13th, February 10th, and March 10th

Be a Foley Ambassador!

Camp Foley needs people like you! If you would like to help us, there are many ways to do so. Promoting camp to new families is one of the best ways in which to help. Telling neighbors, school friends, church friends and others about Foley is an easy way to promote camp. Are you interested in hosting a meeting in your home? In all of the areas into which we travel, we are looking for families willing to open their homes for us. All a host family needs to do is provide a TV, and a VCR. The director who will be coming will provide the food, drink, pictures, videos and the answers to the questions prospective families will answer. If you are interested in hosting a meeting or helping out in any other way, please do not hesitate to contact our camp office.

Choose a Longer Session!

Two Weeks vs. One Week

- Campers quickly discover that two weeks are ideal for forming lifetime friendships.
- Campers can take twice as many activities. They can try all new activities every sign up or continually take the same ones to increase their skill level and achieve awards.
- Cabin groups have more time for bonding and sharing together.
- There is time to compete with other camps. Race in a regatta, participate in a soccer or tennis match, or compete in a riflery or archery tournament.
- The tripping program comes to life as campers progress from day trips via canoe, bike or backpack to extended overnight trips in these areas.
- Two weeks gives our staff more time to give personal attention to each camper, increase self-esteem and form a stronger camp community.
- Campers are able to participate in more special events such as, friendship campfires, late night adventures, dances, final banquets, and closing campfires.

Four Weeks vs. Two Weeks

- Campers receive everything listed above times two! The possibilities for greater skill development, independence gained and personal growth are increased immensely during the four week session.
- The North Shore Trip, a unique and special trip, is offered to four-week campers only!

The Camper/Parent/Guardian acknowledges that a wide variety of activities are conducted at Camp Foley and give permission for the above camper to participate in these activities assuming all ordinary risks normally inherent to the nature of the activities which include but are not limited to the following: waterskiing, sailing, boardsailing, canoeing, biking, archery, riflery, group sports and games, fencing, teams course, woodworking shop, and camping trips of various lengths. It is also understood that the camper may be transported and be out of camp while competing against other camps or on various camping trips from one to five days. Camper agrees to abide by all rules set by Camp Foley especially in regards to personal safety. Camper/Parent/Guardian realizes that some of these activities may subject him/her to certain stresses and hazards, not all of which can be foreseen. I have read, understand, and will comply with the terms on the reverse side of this application.

Parent/guardian Signature _____ Date _____ Camper Signature _____ Date _____

Registration: The application complete with signatures and the required \$300.00 registration deposit is needed to retain a place.

New! **Tuition/Extra Expenses:** After the initial registration deposit of \$300.00 the following billing schedule applies: Due on May 1 is an additional \$300.00 for a two week session or \$900.00 for a four week session. This payment is applied toward tuition and is required to maintain a place in the session of your choice. Two weeks prior to the start of the session the remaining tuition, transportation, and canteen deposit is due. Late fees will be charged at 1.5% per month. At the close of the season, a final statement will be mailed to the parent/guardian for an adjustment of the account. The tuition fee covers the full program including all candy and pop treats, memory book, laundry for campers staying two weeks or more, and the North Shore Trip for four week campers. The following exceptions are:

Bedding or Sleeping Bag Rental: Blankets and pillows are available to foreign campers at \$15.00 for length of stay. Sleeping bags can be rented at fees between \$10.00 - \$25.00 per camping trip.

Canteen (Camp Store): Optional expenses average about \$30.00 for one week, \$55.00 for two or more weeks, and \$100.00 for foreign campers. Available items include camp apparel, toiletry articles, film, stamps, stationery, life jackets, water bottles, fun items, etc. More details will be sent in the spring mailing.

Transportation To and From Minneapolis: There is an estimated one way cost of \$35.00 including lunch or snack. Overnight accommodations in Minneapolis, if necessary, average about \$35.00 per night not including food.

New! **Cancellation:** If a camper cancels prior to April 1, \$250.00 of the \$300.00 registration deposit will be refunded retaining a \$50.00 service fee. The registration deposit is not transferable to other campers. After April 1, the \$300.00 registration deposit is non-refundable. Additional tuition payments, not including the registration deposit, will be refunded 100% up to May 1. After May 1 and four weeks before the start of the session 75% of the tuition, not including the registration deposit will be refunded. Tuition will not be refunded if the camper leaves prior to the end of the session, except for personal medical reasons, but not including dismissal for disciplinary reasons. No adjustment in tuition is made for late arrival or early departure.

Transportation: Parents/guardians are invited to bring their children to camp but are encouraged to send them on our special buses as an aid to their camp adjustment. At the beginning of the session, our buses leave from Our Lady of Grace Church parking lot in Edina, MN off Highway 100, at 5051 Eden Ave. at 10:30 a.m. At the end of the session, the camp buses will return to the same location around 12:30 p.m.

Judi Bestler at Travel One, 1-800-245-1111, will coordinate flights to and from the Minneapolis/St. Paul International Airport. More information will be sent to you in early spring. However, parents/guardians may book flights on any airlines so that arrival in Minneapolis is **before 9:30 a.m.** and departure is **after 2:00 p.m.** Campers will be met as flights arrive and will be bused directly to camp. If necessary, supervised lodging can be arranged for campers needing to fly the night before to connect with camp transportation. Please clear all flights arriving or departing on different days or times with the camp office. We assume no liability until the camper is under our supervision and once the camper leaves our supervision enroute home. Please use duffle bags for packing. Camp Foley luggage tags will be sent to you in the spring.

Health: The Camper Health Form will be mailed to you upon receipt of registration. **The health form must be completed yearly within 6 months of camp attendance. Campers will be limited in their activities until this form is properly completed and on file.** The medical evaluation must be completed within 24 months prior to camp attendance and signed each year.

A resident nurse is available to meet camper needs. The nurse will dispense only FDA medications that are in the original, labeled containers. Medical attention is available in Pine River and Brainerd.

Camp Foley does not carry individual camper medical insurance. Parents are responsible for all expenses incurred by illness or accident of camper. This includes cost of transportation for medical reasons.

Activities: Campers of all ages and abilities can participate in the major activities such as sailing, canoeing, swimming, fishing, camping, archery, tennis, nature studies, soccer, group games, shop, fencing, camp craft, and art. All activities are progressive and challenge both the beginner and advanced camper. To participate in the following activities one must meet these minimum requirements:

All-terrain biking - Tall enough to ride a 26" bike safely.

Boardsailing - Level 4 (Advanced Beginner) swimming skills, sailing experience, and strength to pull up the sail.

Diving - Level 4 (Advanced Beginner) swimming skills.

Riftery - Eight years of age.

Snorkeling - Level 4 (Advanced Beginner) swimming skills.

Trap Shooting - Twelve years of age and target shooting experience.

Waterskiing - Level 5 (Intermediate) swimming skills.

***Swimming lessons are required through Level 5 unless a parent makes other arrangements.** Level 5 (Intermediate) skills include swimming 50 yards of front crawl, elementary back stroke, breast stroke, side stroke, back crawl, survival float, treading water and diving. Endurance is also considered.

North Shore Trip: Campers staying for four weeks from June 17 - July 14 or from July 15 - August 11 will be off touring and exploring the north shore of Lake Superior. Fun includes hiking, camping and rock climbing. Trip dates are from June 30 - July 2 and July 28 - July 30.

To Let You Know:

- Camp Foley assumes no liability for loss or damage to camper's personal property or for injury incurred as a result of use of personal property. Foley discourages all borrowing and lending among anyone living or working in camp. Campers may never use "special personal equipment" owned by other campers or staff such as: watercraft, skis, bows, rifles, musical instruments, aquatic equipment, or other items that are associated with specific risks (health, financial, accidents, etc.).

- A list of names, addresses, phone and email of campers and staff may be distributed for camper's use. Parent permission is assumed for use of any pictures or videos of campers used in camp promotion and fun mailings throughout the year. Upon request, your child can be excluded.

- Any money or valuables in the camper's possession upon arrival at camp may be deposited at the office for safe keeping. The camp assumes no responsibility for funds or valuables not so deposited.

- Campers will be held responsible for damage to property and equipment caused by their negligence and will be charged accordingly for repairs or replacement.

- Camp Foley reserves the right to dismiss any camper whose conduct is harmful to the camp or to other campers. It is understood and agreed, by campers and parents, that possession or use of tobacco, alcohol, or controlled substances while enrolled in camp will bring immediate dismissal.

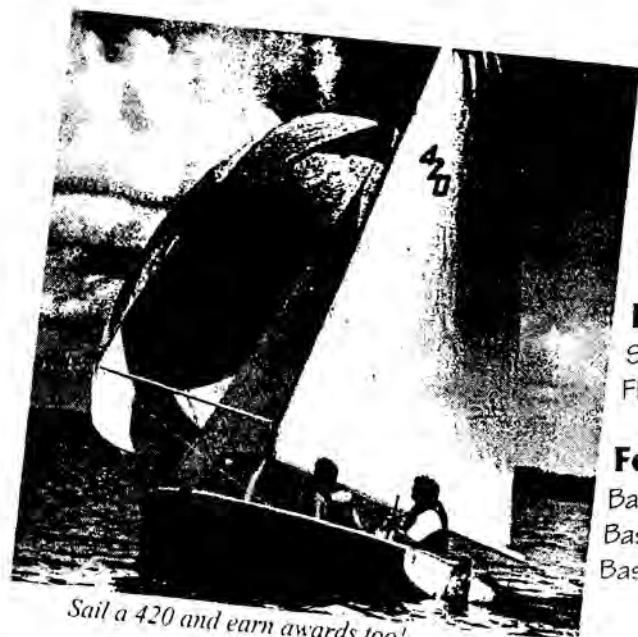

- The *Five Days of Fun* program is less structured, more experiential than instructional, and less focused on skill development. Not all activities are offered. Inquire for more details.

Clothing List and Camper Health Form will be sent with registration acknowledgment.

For your records, please make a photocopy of both sides of this application and save.

Hall of Fame Awards

This summer was a grand one for exceptional awards! Besides our traditional Gold Paddle, Silver Paddle, and Birchbark Awards that were distributed to deserving campers, a new distinguished award was added to these high ranks – The Hall of Fame Award. To achieve this award, a person needs to spend 10 summers at Foley. The person doesn't necessarily have to have spend all of those summers as a camper. He or she can have a combination of camper, CIT, Junior Counselor, and Senior Counselor years at Foley. Hall of Fame prospects also have to write an essay entitled "What Camp Foley Means to Me" and complete a biography sheet describing their years at Foley. This special award was given to only 5 people this summer. Congratulations to the first inductees into the Foley Hall of Fame: **Andrea Anthony, Alli Faricy, Lauren Hartzell, Colleen Huey, and Jana Schmid!** Their pictures will grace the walls of the dining hall for all to see.

Andrea Anthony

There were two other special awards created this year that only certain qualified campers could receive. The qualifications needed for the Stepping Stones Award was attendance at Foley for at least 3 years. The 1997 campers who received this recognition signed a special board that will hang in the dining hall. The qualifications needed for the Bridge Crossing Award was attendance at Foley for at least 5 years and completion of the "What Camp Foley Means to Me" essay. There were many eligible campers for this award, but only a few decided to make the great effort of writing the essay. Congratulations to **Andrea Anthony, Matt Bussmann, Erica Davis, Tom Dolan, Kyle Doyle, Willy Enz, Alli Faricy, Brian Girgen, Lauren Hartzell, Colleen Huey, John Iverson, Noah Johnson, Martha Kaskie, Lauren Kelly, Tom Kelly, Tim Knutson, Chad Messer, Brendan O'Brien, Devin O'Brien, Christian Papayanopoulos, Kristi Pflanz, Sarah Rhomberg, Jana Schmid, Jim Snediker, John Stielow, Rachel Tierney-Chavez, and William Urion.**

Colleen Huey, Lauren Hartzell, Alli Faricy and Jana Schmid

Bridge Crossing Member Invitation

If you have been a camper at Foley for four years or more and are planning on returning to Foley this summer, you have the opportunity to become a member of the Bridge Crossing group. This special group is for those individuals who have spent five or more summers at Camp Foley. Although you have spent the summers at Foley, you are not automatically a Bridge Crossing Member. In order to become a member, you must write an essay of at least 500 words of "What Camp Foley Means to Me". If you choose to return to camp in 1998 and write this essay to become a Bridge Crossing Member, please send in a version of your essay to the camp office. A special ceremony will be held during each session for all new members.

Foley's Winter Wonderland

Stuffed snowman.

Third Session, cabin Kewaskum Sung to the tune of Jingle Bells

Third Session, cabin Kewaskum Sung to the tune of Jingle Bells

Dashing across the lake
In a 55 horsepower boat
All the waves we make
Skiing while we float
Splash, splash, splash.
Bells about to ring,
Almost time for lunch,
When we go inside, we want to munch!
Oh, Camp Foley, Camp Foley, Camp Foley's for you!
We have riflery, archery, soccer, so much to do!
Oh, Camp Foley, Camp Foley, Camp Foley's for you!
We go skiing, sailing, fishing, and have fun too!

Soda Bread
Soda Bread
Soda Bread rules
Especially on Sundays, it's really cool
Ice cream at lunch time and salad bar too
Sundays at Foley, they really rule.
Free swim, sailing, art projects too.
We're never bored with so much to do.
Hurry up grab your suits so we can dive
Put on your bug spray or get eaten alive
Peanut butter, jelly, eating outside
Sunning on Foley Green
Lake side, campers, we got it all....
Sundays at Camp Foley rock!

A sparkly snowflake.

Holiday fun at camp.

Second Session, cabin Matoaka Sung to the tune of Rudolph the Red-Nosed Reindeer

Fourth Session, cabin Mandan Sung to the tune of Joy to the World

Joy to the campers
Summer camp is fun
So let's all shout and scream
With sailing, nature archery
Shop, art and riflery
We all have so much fun
When we're playing in the sun
So we're sure you'll all agree
Foley's the place to be.

Jeff, the bald headed director
Had a very shiny head
And if you ever saw it,
You would even say it's red....like sun burnt
All of the other campers
Used to laugh and call him names
They never let poor Jeff
Play in any Foley games
Then one rainy afternoon
Marie came to say
Jeff with your head so red
Won't you put more sunscreen on
Then all the campers loved him
As they shouted out with glee....."yippee"
Jeff, the bald-headed director,
You'll go down in Foley history.

Santa and Rudolph make an appearance.

*May the gentle falling of the snowflakes remind us of the joy and
peace found in this holiday season.*

*May the uniqueness of each snowflake remind us of the beauty
found in all mankind and in our natural world.*

*May your wishes and dreams for 1998 be carried into the new year
on your own special snowflake.*

And when it snows this holiday season, we will think of you....

Warmest Wishes.
