

CAMP FOLEY

Celebrate 80 Years of Programming Fun!

80 Years

Come celebrate Foley's 80th Season! How? When? Where?

Be a camper! If you are between ages 8 to 16 years of age, you are lucky! Register today to be part enjoy the best of Foley's 80 years! In our activities during the day, our evenings and on Sundays, the programming will take you back through time to some of the favorites over the years and to the new, never been done at Foley events. This will happen all one season!

Alumni Invited to Visit! Too old for camp? Come visit! We are inviting you to relive your camp memories and visit camp this summer. Tour the facilities, join us for a meal in our camp dining room, go through the old memorabilia of Foley – photos, newsletters, etc., and visit the canteen to get your new Foley T-shirt!

When? June 18-27, July 2 – July 11, July 16-July 26, July 30-August 8 *We kindly ask that you do not come on the other dates as we are focusing on the arrival and departure of our campers.

Meal Times: Breakfast 8:15, Lunch 12:15, Supper 6:00
Sundays' meal times vary depending on program.

Do I need to make a reservation to eat at camp?

It is up to you! On any given meal, we will have a table reserved for 8 guests. So you can just "stop by" on a first come basis and join us. We do take reservations! This would guarantee you a meal in the noisiest dining facility on Whitefish Lake! We would personally suggest this on weekends in particular.

Check In: We ask that you check in at the office when you arrive. We will assist you in making your visit memorable.

Calling Alumni Counselors!

Return to Foley and relive a "counseling moment". Give Marie a call to arrange for a time for you to go back to your younger years to instruct in your past activity area, sing a song, lead a game, or share a special talent. Be part of our "80 Years of Programming Fun". Of course, we will deck you out in your special camp T-shirt.

Make Your Summer Shine!

Celebrate 80 Years of

The Great Umgawa Festival

The Great Umgawa Festival was long part of the camp tradition with tales of its events being recorded in the 50's, 60's and 70's. Chief Umgawa would reign over the tribes as they would compete in swimming, sailing and canoeing competitions. Recorded were fearless games of **greased watermelon**, the famous **tug of war**, the spirited game of **counselor versus CIT/LIT water basketball game**, the victorious **sailing regatta against Camp Lincoln** and the awesome **canoe fill**. Campers challenged themselves to distant races - canoeing and swimming! All of this will come back to Foley complete with the long distance, **1 mile Swim Across the Lake**.

with pageantry! Campers will be creating their floats on canoes! Fun for all!

After a day of tough competition, campers will enjoy a **ski show**, the **parade of floats** and a **floating campfire** complete

Foley Follies

This was an evening highlight in Foley's history where individual campers and counselors or cabin groups would perform. In 1967 it was written, "The acts, always varied and refreshing, included skits, singing and even poetry readings. Some of the greatest performances were, Yakama at the Breakfast Table; Skee Thoma singing and thinking he was Mike Jager; Ray (Brother of Big Red) Condon coming out in his monster suit and 'attacking' Wally." This summer we will once again, create camp history by making the Foley Follies a "smashing success." Once again, we will be gathering to be entertained by the talents of our camp community.

A picture of a skit from the 1960's.

Movies Through the Years

Beginning in the 1950s, the 16mm movie projector would be set up on Saturday evenings and the camp would gather in Foley Hall for movie night. Our alumni can recall being scared by the Alfred Hitchcock tales! In the 80's, the younger campers would gather around the TV/VCR on the cement floor of the Wabi building. The older campers would gather in Foley Hall for their "Late Night Adventure" which included two movies with an intermission of pizza! The plush loft with carpeting above the dining hall found cabin groups venturing for a sleepover complete with movie - a Video or DVD on a larger screen TV beginning in '00. A highlight of '02 was the first official "Flick and Float" where campers and counselors sat in boats and on the dock while watching an old time movie shown on land! To celebrate "80 Years of Programming Fun", a new twist will emerge. Campers and Counselors will find themselves in an outdoor theater! Bring a sleeping bag and pillow and join us for a movie under the stars complete with popcorn!

Flagpole Time Returns

Beginning in 1956, the younger campers known as the Chippewa would meet on Foley Green by the flagpole for creative, challenging and fun activities planned just for them! This year, our Fox Campers, ages 8, 9 and 10, at designated times will meet at the flagpole to repeat in history some of these events or to make history in participating in new ideas. Events will include boarding a "pirate ship" for a special lake adventure, hiking in the woods in search of a Snipe, departing on an overnight trip, and other fun events. Surprising things are planned!

Programming Fun!

Throughout the Years - July 4

With a bang or the loud cries of Paul Revere our campers will be wide awake! Put on those outlandish red, white and blue outfits and celebrate our country's birthday! The Fourth of July will be a blend of colorful programming pulling from the fun of hundreds of campers throughout Foley's history. Flag raising, patriotic songs and skits, an all camp picnic on the soccer field, a

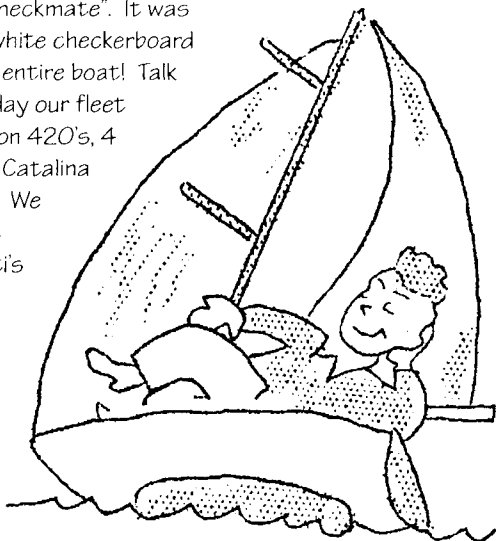

swim at Hidden Lake, a watermelon seed spitting contest and those famous cabin challenges. Enter writing, drawing or other creative contests. Of course, there will be the fireworks at night!

Sailing Program

Sailing became an official activity in 1949 complete with five award levels. Since that time it has grown to be one of the most popular activities at camp. We have had a number of campers learn to sail at camp and then go on to have successful racing careers in college and beyond. Sailing is truly a sport that you can continue doing throughout your entire life.

One of the most popular boats over the years was called the "Checkmate". It was literally red and white checkerboard pattern over the entire boat! Talk about Retro! Today our fleet includes 4 Johnson 420's, 4 Catalina 14.2's, 2 Catalina 13's and 6 Opti's. We may be looking at replacing the Opti's with a very user friendly boat designed for kids. Keep an eye out for upcoming articles to see if this becomes a reality!

A graphic from the April 1950 camp newsletter.

Handicrafts to Crafts

Did you know that "Handicrafts" as it was called earlier in camp's history was located back in the late 40's in Osawaka? It was later relocated to the present Shop building. In 1974, "handicrafts" became two programs, Woodworking Shop and Art. Art, really crafts, was first located in a building behind the kitchen (now gone), up to the garage (now the girl's weight room), to picnic tables in the Center of camp, to the art tent (now gone) and back to Osawaka in the summer of '03. The program split again in '99 with Art becoming the painting, drawing, sketching and crafts.

To celebrate, "80 Years of Fun", we will be doing craft projects that will take you back through history - tooling **copper pictures**, making **leather bracelets**, painting **Plaster Paris** and making **lanyards** - traditional handicraft projects in the 50's and 60's! Join us for a variety of crafts since our first girls came in '74 too - weave a basket, macramé and owl, make a key chain and more! NEW will be making all sorts of things out of **duck tape** - wallets, sandals, boxes and more!

A couple pictures of shop from the 1960's.

Celebrate 80 Years of

New Athletic Events

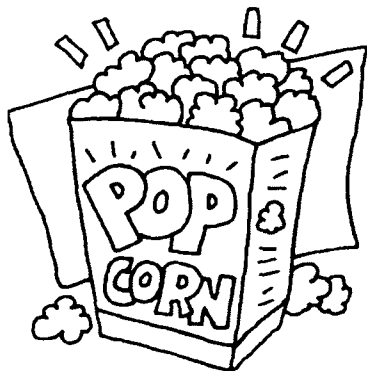

The new athletic area is going to be bouncing with activity! In the early years of Camp Foley the popular sports were sometimes different than what they are now. The sports of badminton and horseshoes were quite popular back then and we're going to bring those back. This spring we will put in 2 badminton courts and a couple horseshoe pits. For a different twist to the ever-popular tetherball, we have constructed what just may be the world's largest tetherball pole! Having a pole over 25 feet tall should make for some interesting, and long games. For something new to celebrate our anniversary we have installed a Human Foosball court. The Human Foosball court will allow 20 participants to work as a team to kick the ball while being "locked" into your position with only being able to slide side to side along the pipe. It is a blast! We have also built a large 40' by 80' arena complete with a roof. This large enclosure will be used for all sorts of games with floor hockey and broomball immediately coming to mind. We can also let our imaginations run wild and think about Pickle Ball, Shuffle Board, 4 square, pogo sticking or hopscotch! Perhaps the camp dance will be held there on a rainy night!

Our new athletic court!

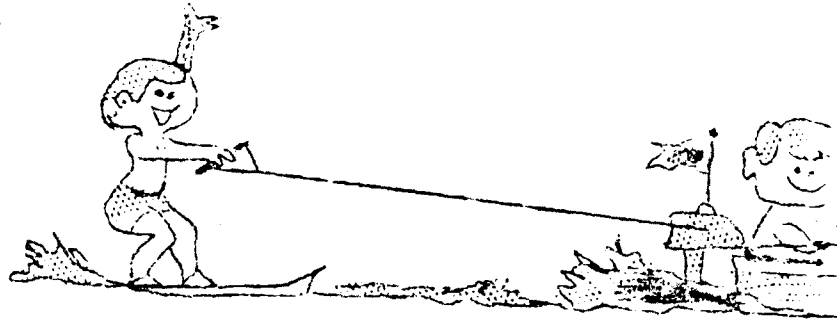

Cabin Popcorn Night

Chat with an alumni of the 70's or 80's and see if they remember the "popcorn box" complete with an electric popper, oil, popcorn, salt and a large pan. Long gone are the poppers, but this year to celebrate "80 Years of Programming Fun" a new twist will emerge. A small microwave with popcorn will be circulating the cabins to bring back this fond memory!

Water Skiing

The history of skiing at Foley is written in very colorful language. In an old newsletter dated, 1956, it was written, "A new fiberglass run-about has been purchased with a 30 horse power Johnson motor to give the activity of waterskiing the necessary zest. Thirty boys a week were able to participate." In 2003 for comparison with our new 310 horsepower Gekkos, 68 boys and girls per day skied! This year, come play "Watiki" a skiing game invented by the counselors in the 1960s or be part of the Ski Clinic in the first two sessions and ski the chain of lakes as did the campers in the 1990s.

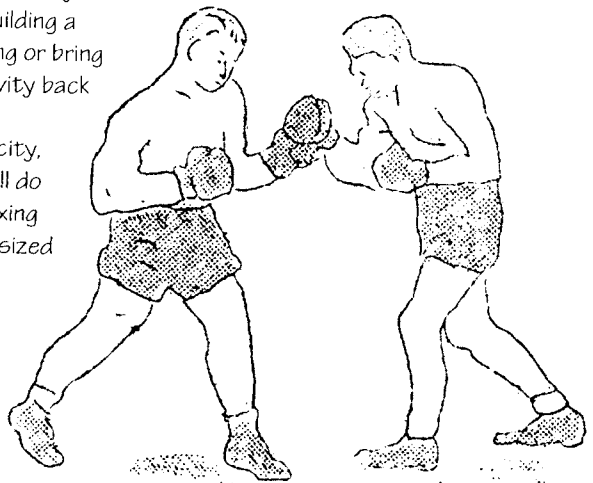

A graphic from the October 1968 camp newsletter.

"Foley Square Gardens" well remembered by our

alumni of the past! Weigh Ins! Rounds! Lights! Mouthpieces! Bells! Blood! Gloves! Cheers! **BOXING!** Foley had an official boxing ring in the 50s and 60's! Our alumni will have memories of bloody noses, black eyes, or perhaps of being victorious! Our camp nurse, dressed in white

was busy! Foley will not be building a boxing ring or bring this activity back with any authenticity, but we will do Giant Boxing with oversized gloves complete with all of the "hoopla!"

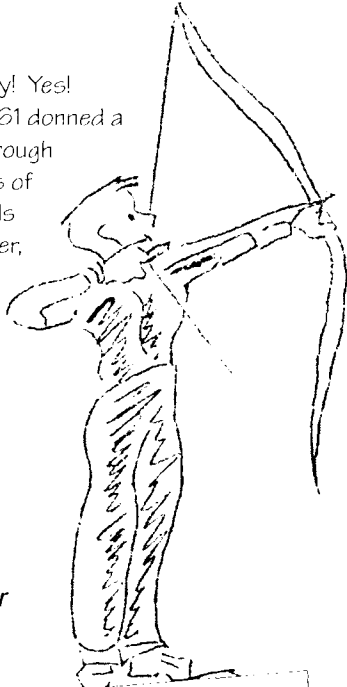

A graphic from the November 1955 camp newsletter.

Programming Fun!

F-O-L-E-Y – Foley’s own radio show will return to the air on its traditional day – Sunday. Will the ‘04 radio personalities follow in the footsteps of the famous Spin and Smarty of the 60’s? Will counselors and campers with stand the vicious attacks of the show? Will your name be mentioned? Will your activity or cabin group make the news? What events will be newsworthy?

Field Archery

Not hockey, but archery! Yes! Campers for the first time in 1961 donned a quiver of arrows and trekked through the woods searching for a series of seven targets, cardboard animals hidden in the woods. This summer, follow the trail of our previous campers searching for “animals” hidden in the woods!

A graphic from the October 1968 camp newsletter.

Retro Banquet – Old Fashions Return

Join us for a more “formal” banquet with white table clothes, candles and a blend of creative décor. Campers will simply need to raid the attics of their parents or grandparents or have the fun of rummaging through the racks of clothes at the thrift stores. The funkier the better! Dig deep! Find your costume from the 1950s, 1960s and 1970s or from vintage clothing and retro styles inspired by earlier eras.

Humor Department

December, 1951 of the Foley Bugle

The human race is getting stronger. Back in the 1930’s it took two men to carry 10 dollars worth of groceries. Now any little girl can carry that much.

“I fell over fifty feet today.”

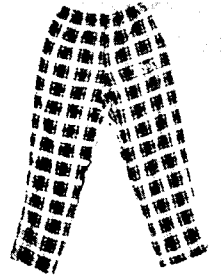

“Were you hurt?”

“No, I was just going through a crowded bus.”

Meetings and Video Showings!

We invite everyone to stay involved with Foley and join us at one of our meetings. Invite a neighbor, a friend from work, or another family member. Help spread the word about Foley! Mark it on your calendar when we will be in your area. Other reunions/gatherings are in the scheduling. You can keep updated at www.campfoley.com We hope to see you!

Every camper from 2003 that attends one of the showings will receive a copy of the "memories" video tape that we show that day absolutely free! You can also purchase a pair of the famous Camp Foley flannel pants for \$18.00!

Camp Foley Accredited Thank You by the American Camping Association

This past summer Foley, once again, earned the distinction of being accredited by an organization that has been trusted by parents for over 50 years. Only one in every four camps seeks and earns it. To earn accreditation, our camp complies with 280 specific health, safety and program quality standards. Accreditation is time consuming and expensive. We invest in accreditation because the children we serve deserve our best. It's a behind the scenes risk management process that assures us we are prepared for the uncertainties so we can concentrate on the children. Foley passed with a perfect score!

Thank You

A special thank you to all of our alumni who are supporting Camp Foley by telling others about Foley, giving of their time and talents, and/or donating to our scholarship program. It is also the support of prayer, encouraging words, and fond memories that helps us to know that we are making a difference in the lives of young people! Thank you!

Alumni Alert!

Please help us with updating and collecting accurate information about our campers and staff for our alumni database. Encourage past alumni to go to our web site and use the update form or complete the form in this newsletter if they would like to receive future mailings from us.

A new alumni page is in the making on our web site. We will be adding information that you email us - weddings, graduations, new jobs and pictures of those future Foley campers.

2003 Scholarship Donors

The 2003 Scholarship Donations fell short of our goal of \$7000.00! Our grand total for 2003 was \$6211.62 (including direct scholarship donations and donations via remaining canteen balances and cancellations)! Camp Foley would like to extend a big THANK YOU to everyone who supports this program through contributions. You guys are AWESOME!! A total of 10 2 week campers (6 were repeat campers) benefited from these donations and came from both inner city and rural settings. Some of these campers are wards of the state, being raised by a grandparent, from low income families struggling to make ends meet, or from needy families seeking opportunities to provide their kids with positive alternatives to inner city gangs, drugs, rural isolation and/or other challenges. Every one of our scholarship campers had a great time at camp- they made new friends and were able to try many new FUN activities! Thank you all for making a difference in the lives of Camp Foley's scholarship campers!

New goal for our 2004 Scholarship Program

Our goal for Summer 2004 is to raise \$6,000.00, a slight increase over 2003 donations (scholarship dollars plus canteen balance to scholarship program), to support 12 campers to come to camp on scholarships in Summer 2004! Foley is committed to increasing the number of spaces we offer. So far, we have \$23.62 in the account (a bit behind last year at this time!) With the downturn in the economy, there is an even greater need for programs like this to help fund a camping experience for a well deserving child. Let's hope things turn for the better and we will achieve our goal for 2004!

Foley works with past scholarship campers to expand their camping experience for a subsequent year and gives them first option at returning for a second, third, or more, year. Foley is committed, as are you, to providing positive camping experiences that aid to build an individual's self-esteem and skills, and build relationships with persons who serve as positive role models in both peers and adults. **Please send your tax deductible donation to Camp Foley. Checks can be made to the "American Camping Association" and designated for the Camp Foley Scholarship Program.** Thank you, in advance, for your continued support of this valuable program.

It's not the 16mm movie projector of the past, or the tiny TV/VCR or the larger screen TV in the loft above the dining hall, or the "Flick and Float" of '02 where campers and counselors sat in boats and on the dock while watching an old time flick shown on land! To celebrate "80 Years of Programming Fun", a new twist will emerge. Campers and Counselors will find themselves in an outdoor theater! Bring a sleeping bag and pillow and join us for a flick under the stars complete with popcorn and **cotton candy!** For the first time in Foley history we will be making **cotton candy** for our campers!

F-O-L-E-Y

Foley's own radio show will return to the air on its traditional day – Sunday. Will the '04 radio personalities follow in the footsteps of the famous Spin and Smarty of the 60's? Will counselors and campers with stand the teasing of the show? Will your name be mentioned? Will your activity or cabin group make the news? What events will be newsworthy?

Colors, Heroes and Quotes

What do you stand for? How can you be a person of strong character? How can you rock the world? How do you take healthy risks? How can you make a difference in the world? How do you stand up for your friends or others being bullied or ridiculed? Tough questions!

Who are your heroes? Can you name a famous sailor, archer or tennis player? (Ellen MacArther, Howard Hill, or Venus Williams) Who has rocked the world with their contributions to our society? (Margaret Knight, Susan Eloise Hinton, Nelson Mandela or Chico Mendes)

What are your colors? Remember to pack those fun colors to remind your cabin mates of being a person that displays

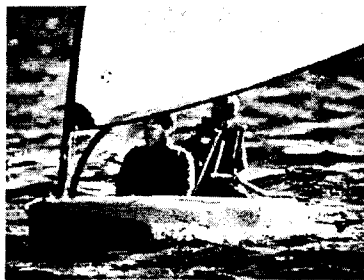

citizenship (purple), respect (yellow), responsibility (green), trustworthiness (blue), caring (red), or fairness (orange). Your counselor will be wearing these colors this summer – join them!

What quotes motivate you to be your best? Bring some quotes to share with your cabin mates at camp or to put up by your bed. “One can never consent to creep when one feels an impulse to soar.” By Helen Keller

What is your favorite team building activity? Have you ever played Odd or Even, Patterned Ball or Mind Field? Come to camp this summer and have fun while establishing relationships with your cabin mates.

New Stuff in 2004!

New Sailboats!

In the last newsletter we mentioned we were looking at replacing the Opti's with a new kind of boat. Great news, we have purchased six new boats that will be a blast for all our campers! They are *Escape Mango's* and they are so easy to rig and sail you'll be wanting to sail all day long! The sail stays on the boat all the time and simply rolls around the mast (like the Catalina's jib) so you don't need to spend any time putting the sail on. In fact all you need to do is just pop them in the water, pull out as much sail as you want and off you go! As you can see in the pictures they have one sail and can be sailed by one or two people. They are built to take lots of bumping and should offer many years of fun sailing!

New Boardsails!

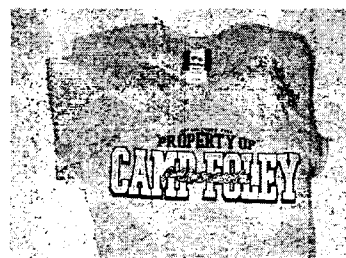

Boardsailors, do you find yourself swimming more than sailing? Are you frustrated by the difficulty of trying to pull the sail up and balance on the board at the same time? Have we got news for you!

The newest style of windsurfer has arrived at Foley and they promise to make learning to boardsail much easier! As you can see in the pictures they are much wider than the conventional style of board. This makes them much less tippy so lifting the sail up and keeping it up will be much easier because you won't be trying to balance at the same time! We have purchased three of these boards for this summer and if they work as promised, we will be replacing the rest of the other boards over the next couple of years.

Be in a simple "ski show" on the last Sunday of the session. Take part in the "Ski-a-Thon" as part of our 80th Anniversary celebration. This year we are bringing back some of the things that we did throughout the years. One year we had a "Ski-a-Thon" where a group of campers skied on 5 or 6 different lakes on our chain during a morning or afternoon. They were gone for a few hours and had a blast. We are also hoping to bring in an "expert" who runs special ski clinics in Minnesota. This is not for certain, but we are working on this.

Registration: If you are already registered, contact us immediately to add your name to our list. If you are not registered, register today and put "Ski Clinic" under special considerations on your registration form.

- Participating in team building activities as you work as a group to complete the trip!
- Continuing and creating new friendships!

Sign up today by contacting the camp office and join **Kylie Beltz, Emilia Kronschnabel, Bridget Moffet, Molly Moffet, Katy Torchia, and Kelsey Torchia**. We still have room for 4 more girls!

High Awards Earned in 2004

Silver Paddle Awards

The Silver and Gold Paddle Awards are considered the highest honors that a camper can earn at Camp Foley. The Silver Paddle is given to a camper 12 years old and younger who has achieved a rounded development in the various activities offered at camp and adjustment to group living. The award generally takes several years to complete and an individual must put a lot of effort into this honor. Congratulations to **Kylie Beltz and Adrian Villarreal** for receiving this award!

Birchbark Awards

The Silver Birchbark Award is awarded to campers 12 and under who complete at least half of the requirements for the Silver Paddle Award. These campers must also exhibit a good and positive attitude and behavior towards everyone. Congratulations to **Greg Huey and Mary Grace Pellegrini** for working hard and receiving this award this summer! The Gold Birchbark Award is awarded to campers 13 and older who, like the younger campers, have met the skill requirements and who exhibited strong character traits. We didn't have anyone eligible for this award in 2004, but hope to have a few campers in 2005 that will be up to the challenge!

Anchor Award

The Anchor Award is an award that honors outstanding campers who demonstrate qualities of being friendly, well mannered, respectful, and enthusiastic. All nominees for the award must have attended camp for a minimum of 5 weeks. The recipients are chosen by written vote of both the campers and staff during each session. The 2004 Anchor Awards were presented to the following campers:

June 16 – June 29 ~ Jessie Garretson and TJ Langdon
 June 30 – July 13 ~ Ronni Saxon and Bernardo Villarreal
 July 14 – July 27 ~ Taylor Hines and Lark Nierenberg
 July 28 – Aug. 10 ~ Charlie Sullivan and Anna Nagel

We do want to congratulate all of our campers who achieved awards this summer. Many ribbons were given out and we had many, many smiling faces at the Awards Campfire. 2005 is your summer to continue onward and accomplish another award in the same activity area and to try to achieve some new ones. Setting goals and challenging ourselves builds our character!

Hall of Fame, Bridge Crossing and Stepping Stones

Besides our traditional activity awards and Anchor awards that were distributed to deserving campers, The *Hall of Fame* is another important achievement. To achieve this recognition, a person needs to spend 10 summers at Foley as a camper and/or counselor or combination of the two. Hall of Fame prospects also have to write an essay entitled “What Camp Foley Means to Me” and complete a biography sheet describing their years at Foley. This year we had 1 camper and 2 counselors receive this distinguished award. Congratulations to **Krista Strobel, Lauren Kelly and Christine McGarvey!**

The qualifications needed for the *Bridge Crossing* was attendance at Foley for at least 5 years and completion of the “What Camp Foley Means to Me” essay. There were many eligible campers for this award, but only a few decided to make the great effort of writing the essay. Congratulations to **Hayley Babcock, Deanna Donald, Tali Driessen, Molly Herber, Amanda Jensen, Courtney Kronschnabel, Natalie Lunda, Rosie McCarty, Molly Moffet, Ryan Murray, Mary Grace Pellegrini, Lany Shaffer, and Ted Smith!**

The qualification needed for the *Stepping Stones* is attendance at Foley for at least 3 years. The 2004 campers who received this recognition signed a special board that is hanging in the Dining Hall.

LITs, CITs and Camp Knutson

This past summer at Foley introduced a new Leadership program that is designed to help anyone that is interested in learning more about how to lead groups of people. The campers that participated in the new LIT (Leader in Training) program as well as the revamped CIT (Counselor in Training) program impressed all of us who worked with them with their leadership, skills and devotion to trying new things. As part of the program, the groups got together with a group of participants from Camp Knutson, a neighboring camp that works with the mentally and physically challenged. Each group did unique activities and overall, it was an incredible experience that will last in the minds of all that were involved for the rest of their lives.

Session 1: The first session group went to Camp Knutson to help out with an Autistic group of kids. Each member of our LIT and CIT program were matched up with a Camp Knutson staff member and assigned a station to run. Arts and crafts, demonstrations and many tactile events were available. Our LITs helped to create the crafts, do the demonstrations and mostly interact with the kids. Although it was a difficult group of kids to get to know on a personal level, the Foley group walked away with a better understanding of Autism and many personal memories!

Session 3: Once again we worked with individuals with skin ailments although this time they were a little older. The Foley kids created and performed their own campfires for the Knutson group and got to play host as Knutson came to Foley for an evening of Human Foosball, Giant Tetherball and a campfire. Once again the evenings went very well and the Foley group did an amazing job making the Knutson kids feel welcome.

Session 2: The second session kids braved the waters of Whitefish Lake and went over to Foley's Tipi Island. This time, joining them from Camp Knutson, was a group of kids that had a variety of skin ailments. From slight to minor to major disorders including eczema, burns, to other major diseases. The Foley group prepared games, crafts and snacks for the Knutson group. The highlight of the day was overwhelming the time spent just hanging out with the other kids and getting to know them.

Session 4: The final session found us back at Camp Knutson for probably our most energetic experience. The kids at Knutson this time were younger children that have gone through some sort of heart complications. Many of them have had multiple surgeries, hospitalizations and are on many different medications. The Foley kids once again teamed up with the Knutson staff and were in charge of a station. The first night that we went there, the group dressed up in costumes for the Halloween based evening. The following evening we returned to Knutson to help out with a modern Olympic themed evening.

"To have another camp visit that was so much different than ours was so great. At first I was nervous to meet someone with a skin disease. But when I met them they were more normal than me. They had such high spirits and when that spirit mixed with ours there was an explosion of fun and joy and one of the most memorable times of my life!" Aaron Hellwig

"When Madi (Snyder) and were walking with some girls, I got to know a girl named Jill. It seemed like she was such a fun person...At the end she gave me a hug and told me how much fun she had." Gaby Driessen

"It was a lot of fun knowing that I helped bring a lot of fun not only into campers lives from our camp, but also campers from Knutson!" Chris Blahna

"Everyone had a fantastic attitude. They cooperated and ended up having a great time. I also thought that sharing stories with the kids from Camp Knutson was really fun! They were really friendly!" Willie Sarazin

"What I found most rewarding about my experience with Camp Knutson was a simple realization. No matter who you are or which camp you go to, we are all just kids who want an enjoyable break, whether it be from constant stares or annoying siblings. We find that break at camp. No one wants special treatment, just acceptance in a loving environment. That is what camp really is about."

You do **NOT** need to be a four week camper and space is limited, so apply today! If this will be your first time as an LIT, please be sure to download the **LIT Packet** from the website. You can find all the forms you need in the **Forms** section of the website. We have several applications into the office already and are awaiting the interviewing process to finalize them. **Bevy Lehman, Diana Burke, Lauren Kenner and Ryan Schaefer** have already interviewed and are the first official members of the LIT team this year! **Contact us if you have any questions about the details of the program!**

Returning LITs

Those of you that completed the LIT program last summer, never fear, we have some new and improved opportunities for you! Not only will you be a part of the returning group of LITs that can now plan and carry out some great camp programs, but the program will have some new twists for next summer. The **LIT Packet 2nd Year** is available on the website so download the forms and send them in! **Contact us if you have any questions about the details of the program!** Remember, even though you did the program last year you still need to apply for next summer! Spots are filling up, so you may want to get those forms in!

Counselor In Training (CITs)

This exciting, revamped program is for those campers going into 11th grade in the fall. If you would like to learn valuable skills to work with younger campers as well as all of the leadership skills talked about above, this is the program for you. You must be a 4 week camper to be eligible! The **CIT Packet** is on the website under the **Forms** section. The last four weeks are already filled up for girls with **Gaby Driessen, Krista Strobel and Lark Nierenberg** joining us and we have only 2 spots left for the boys, with the first filled by **Aaron Hellwig**. There are still spots open for girls at the beginning of the summer and boys anytime, so send in those forms!

Dishwashers

Did you know that some of your fellow campers are responsible for doing your dishes? If you would like to be a part of a great team of kids that help out the camp community, and are between the ages of 14 and 16, download the Dishwasher Application from the **Forms** section of the website. We are looking for kids for all sessions and your hard work will earn a discount on your tuition! Join **Nick Westra, Cory Hasselstrom, Peter Beltz and Lauren Kenner** to have the fun of running the Hobart Dishwasher (trust us, you'll learn to love it)!

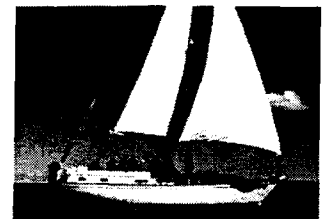

Lake Superior Hiking Trip

For the past few summers, we at Camp Foley have taken on the task of hiking the Superior Hiking Trail on the North Shore of Lake Superior in sections as part of our tripping program. In '03 we made it to Canada and have started our trek back toward Duluth. This trip is geared for the true tripper. We spend 3 days hiking the trail, camping along the way, and averaging a total distance of 20 miles per trip. The Superior Hiking Trail is one of the top ten best trails in the country, offering views of Lake Superior, hikes through gorges, over trout streams, through white pine, aspen and cedar forests, and many opportunities to explore one of the most beautiful parts of Minnesota. **Pre-registration is required for the trip so contact the camp office ASAP!**

Lake Superior Sail Trip

Summer 2005 Foley boys will have the opportunity to sail around the beautiful Apostle Islands of Lake Superior on the *Flyaway*, a 38.5' Pearson with Captain John Crabb. Share in the sailing and cooking of meals on board this craft and explore the many islands. Spend your nights on board and have the experience of a lifetime. Foley has booked many voyages with Captain Crabb in the past and has been very pleased with his leadership. Campers come away with an increased ability in sailing and plenty of fun and lasting memories. This opportunity is available only to five campers who are 12 years or older. The cost of this trip is approximately \$550.00. **The trip will leave the morning of July 10th and return July 14th. Please call or Email for details!**

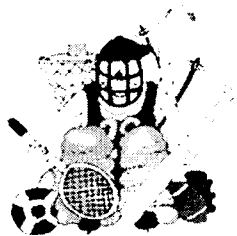

What's Fun for 2005

Sports Heroes Banquet:

June 22-July 5 & July 20-Aug 2

What do I wear? Come dressed as your favorite sports hero, in the colors of your favorite team or simply with the gear of your favorite sport. Dig out your parent's sports garb or combine the sports that you play into one fun costume. Band together with your friends to support your home sports teams or come as an obscure athlete that deserves the recognition.

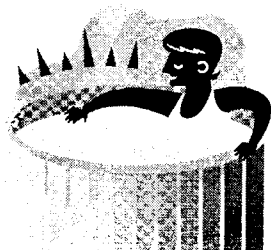

After receiving your official sports event ticket, join us at Foley's Stadium for an afternoon of fun, farewells and food! Have fun with your pack mascot.

1. Put your ticket stub in the official container for a drawing.
2. Break a piñata with your cabin mates.
3. Pick up your Camp Foley pennant and collect autographs.
4. Take pictures of your friends at the photo shoot site.
5. Go to the concessions for popcorn, peanuts or cotton candy.
6. Paint your face with your favorite team's colors.
7. Join a team and play a team game.
8. Enjoy Stadium Food! Make an ALL STAR Hot Dog or Corn Dog adding condiments such as mustard, ketchup, relish, onions, chili, pickles, etc. Have some Grand Slam Chicken Wings. Dip into Energy food (in other words VEGETABLES and dip). Eat up those Strike Out Nachos and Cheese and don't forget those sugary Churros.
9. Pick up your official stadium cup with your favorite beverage.

Girl's Spa Night

It's an all camp girls' night! The girls' end becomes transformed into a giant spa complete with a hot tub! **Get a pedicure, manicure, a facial, or a massage or try out a new hair do.** Perhaps you want to work out or join a Yoga class. Enjoy a cup of herbal tea and some fruit while listening to music or reading a book. Make a toe ring or ankle bracelet or decorate your flip flops. Relax in a hot tub and rinse off with a shower.

Caribbean Island Banquet:

July 6-July 19 & Aug 3-Aug 16

Join us on the Foley Island (new to the Caribbean) arriving with your flight coupon for an afternoon full of the rich Caribbean music (the African drum beat, the salsa rhythm of the Latino beat or Reggae), colorful attire and decorations, good food, and friends. Girls think of flip flops, tank tops, sarongs, wide brim hats and other islander wear. Boys consider flip flops, board shorts and fun Jamaican hats. Also look into the heritage of the islands and consider their pirate plagued background.

1. Break a piñata in Cozumel.
2. Enter your ticket for the drawing of prizes in Curacao
3. Make a beaded bracelet in Jamaica.
4. Escape the pirates in the British Virgin Islands - Tortuga.
5. Take pictures of your cabin mates in Belize.
6. Play resort games and contests in Anguilla.
7. As is custom on the Dia Di San Juan in Aruba search for the rooster while blindfolded.
8. Fill your stomach full of Caribbean cuisine in Barbados - fruit, pasta, spicy chicken or pork, etc.

Foley World Records

Did you know that the Foley World Records began in 1980? We are excited to add some new challenging and bizarre events for our 2005 campers to participate in this year. **Here are 14 of our ideas.** If you have a new one, let us know!

1. Arranging a deck of cards by suit.
2. Coin spinning.
3. Furthest marshmallow nose blow.
4. Golf ball stacking - vertical.
5. Most arrows shot in a minute and hit target.
6. Most books balanced on head.
7. How far you can walk with a book on your head.
8. Raisin spitting.
9. Swimming events - breast, back, front crawl, and back crawl.
10. Longest shallow dive.
11. Around the bouldering wall.
12. Ball and cup.
13. Egg toss.
14. Paddle board race.

Pajama Rama Sunday

On the first Sunday of the Session, come to breakfast in your favorite pajama pants, a T-shirt or tank top, and flip flops. Enjoy festive music, soda bread, and fruit by the stick.

Have some fun jammy dancing or enter the costume contest. Then it is off doing things with your legs! Join in leg wrestling, soccer, kickball, the three legged race, three goal soccer and more! Start looking for a creative pair of long cotton knit or flannel pajama pants – find ones with a sport theme, a character print or a wild color or plaid. Be creative and decorate your flip

flops to match!

Wet 'n Wild

It's crazy! It's wet! It's fun! Put on a swimsuit and be ready for a wild and wet afternoon or evening on the field dodging sprinklers, sponges, or water balloons. Be ready to laugh, get wet and work with a partner or as part of a team! It is all fun and games as you play sponge tag, do a variety of water balloon and sponge relays and games, or games involving sprinklers! Wet 'n Wild!

Giant Pac Man

The game that changed all video games comes alive! Before Sonic the Hedgehog or Mario, Pac-Man was around as the original video game superhero. Modeled after the giant games that are played in New York City, Giant Pac Man will allow you to become Pac-Man and try to eat all the "Power Pellets" or perhaps become Inky, Pinky, Blinky or Clyde – the ghosts that must hunt down and stop Pac-Man before he finishes the board. A game board, complete with moving fruit, large ghost stopping power pellets, costumes and of course Pac-Man will take over the soccer field!

Underwater Snorkeling Park

On a windy October day, this large, tall birch tree came crashing down upon this small, aluminum boat perched upon its storage bench. It was a death sentence for this craft which has a large gaping hole and ripped aluminum where a branch tore mercilessly through its underside - or so we thought! A new idea immersed – an underwater snorkeling park. We will sink our boat, add some ceramic lawn ornaments, signs, etc. and set up a fun area for our snorkeling enthusiasts. **Donations and suggestions are being accepted.** Do you have an extra pink flamingo or two? How about a fisherman?

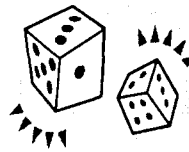

Happenin' Halloween...Just Foxes! (5th Graders & Younger)

If you think you have done everything there is to do on Halloween, think again! For one night a session only, a Halloween party like none you have ever been to, will come to Foley! **Bob for apples, eat marshmallows off of a string, pin the wart on the witch, stick your foot in the mystery goo, drink hot apple cider and reach into the forbidden box!** Prizes will be won, games will be played and fun will be had by all!

Casino/Game Night...Solely Coyotes! (6th & 7th Graders)

Arrive to the sounds of carnival music and immediately go to the bank to receive your envelope of tickets. You are then off! Challenge another player in a game of **Battleship, Cribbage, Checkers, or Chess** by each of you putting a ticket in the center of the table. The winner takes the pot. Do you like to play games in a foursome? Why not play **Dominoes, Yahtzee, Boggle, Sorry or Spoons?** Everyone puts a ticket in the pot and the winner takes all! Perhaps you like a larger group and you are off to play **Bingo**. At the end of the event, turn your tickets in for a prize! Play additional games or some with a new twist. Snacks and beverages add to this festivity.

CampJam...Wolves Only! (8th-11th Graders)

It's back!! In the summer of 2001 the Wolf campers got their first look at **CampJam** and after taking 3 years off, it returns if full force! Once again the Wolves will enter the dining hall and will jump in to all that CampJam has to offer. In order to have the maximum element of surprise, little will be told of the happenings inside, but **be prepared for a team competition unlike any you have ever competed in!**

Foley Hall (Rec Room)

Laughter, ping-pong, billiards clashing, and music from the piano were all sounds echoing from Foley Hall in the summer of '04. This upcoming summer campers will find **air hockey and a foosball table** for more fun with their camp friends.

Campers Elect to Reach Out

At the end of each session, **Sara Spiess**, a Foley Counselor would share a story about a young boy named Connor who lost his father in 9-11. Connor wants Congress to instate a National Firefighter's Days to honor such men and women who risk their lives every day for the people in the United States. Connor was sending around an email requesting signatures of support that he would eventually take with him to Congress. When Sara received this email, instead of just signing her name she brought Connor's story to camp. Each session all of the campers had a chance to sign their name on a sheet to help support Connor's goal. It was not required, but 416 signatures were added. Here is a web site that you can go to for more information:

www.spiritoftruth.org/911/. Sara took the initiative to send all of these signatures to Connor with a letter about Camp Foley. Sara says, "We talk about citizenship as one of our main character traits, and supporting Connor is a perfect example of how we can be good citizens both inside and outside of camp. I know that Connor is going to be very grateful of Camp Foley's help - thanks to everyone who signed their name to support Connor!"

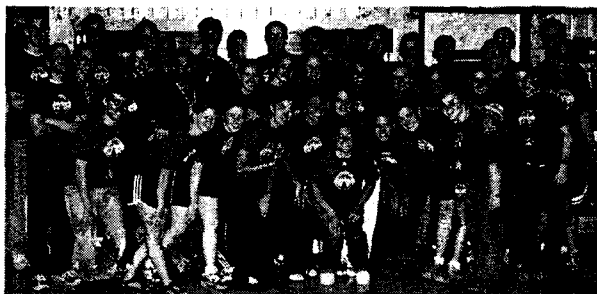

Summer Memories

"Camp Foley has provided me with so many fun and exciting memories. However, my favorite memories come from my 3-day bike trip to **Savannah State Park** during second session. While out riding the trails on the second day of the trip, the skies opened up and..."

"One of my favorite memories from this summer took place fourth session. I will never forget making **marshmallow shooters** with all the guys in cabin Kewaskum! What started out as a small piece of PVC pipe and a few fittings..."

Want to know more? Check out the website for the continuation of these stories as well as many more from our staff! Just go to the **"Summer Memories"** page directly off the **"Campers"** page.

In the Works for 2005!

Although 2004 is not quite over, we are in full swing getting things ready for the summer of 2005! With the camper registrations rolling in we are beginning to organize all the fun program ideas for next summer, so here is a quick look at some of the exciting things that will be happening next summer!

We have two different final Banquet themes this year, **Sports Heroes Banquet**

(June 22-July 5 & July 20-August 2) and **Caribbean Island Banquet** (July 6-July 19 & August 3-August 16). All of the days will have a carnival like theme with campers and staff participating in outdoor activities prior to dinner.

This summer we will be doing a special event day or night for each "Pack" of campers. The Foxes (grades 5th and younger) are headed to a **Happenin' Halloween** evening complete with costumes, games and trick or treating! The Coyotes (6th and 7th graders) will be working up their best card and game playing skills for a **Casino Night!** They can win tickets, prizes and snacks while taking on their counselors and other campers in card games and group board games. The Wolves (grades 8th and up) are headed into the dining hall for **CampJam!** Done 4 years ago, this program returns to Foley and although it promises a night of excitement and fun, very few details can be given in order to protect the surprise of the evening!

We have many events planned for the entire camp as well! **Foley World Records** (an event that we have been doing since 1980), **Pajama Rama Sunday**, **Wet N Wild** and **Giant Pac Man** are just a few of the things in the works! Check out the website for more information as well as more programs that are planned for 2005!

Make Your Summer SIZZLE!

Highlights of 2004

LITs, CITs and Camp Knutson

This past summer at Foley we introduced a new Leadership program designed to allow our returning campers to enhance their skills. The campers that participated in the new **LIT** (Leader in Training) program as well as the revamped **CIT** (Counselor in Training) program impressed all of us who worked with them. As part of the program, the Foley LITs and CITs got together with a group of participants from **Camp Knutson**, a neighboring camp that works with the mentally and physically challenged adults and children. It was an incredible experience that will last in the minds of all that were involved for the rest of their lives.

The LITs lead a group from Camp Knutson in Human Foesball

Silver Voyageur Awards

Started back in 1969, the **Silver Voyageur Award** (Silver Paddle) has become a great tradition and honor for those campers that are 12 years of age and younger. This summer the Foley community saw two more of its members join the ranks.

Kylie Beltz became the **38th person and only 11th female** to accomplish this award! As she pogosticked with no hands, she was handed a bag that contained her paddle. Several days later, **Adrian Villareal** also received his paddle making him the **39th person**. Adrian was surprised at the very end of the closing campfire! **We are proud of both Kylie and Adrian and congratulate them once again!**

Silver Birchbark Awards

Since 1984 the **Birchbark award** has been in existence in order to award those campers that make a valiant effort at completing their Voyageur award but run out of time to complete it. At least half of the Voyageur award requirements must be met in order to receive this honor. Again this past summer several kids were able to achieve the award! **Greg Huey, Valerie Pellegrini and Jeff Pflanz** became the **29th, 30th, and 31st** recipients respectively! Congrats to them all!

Foley Firsts for 2004!

Another summer, another set of brand new things! This year Foley had many new experiences and happenings that will forever be remembered by both the campers and staff! Besides the

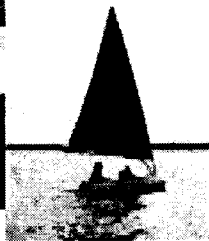

events and activities below, we also had the first ever **Microwave Popcorn Nights** in the cabins, **shot rockets with glow sticks** in them, and used **wide windsurfing boards** for better balance!

Used Laptop Computers Needed!

Once again, the Foley parents were very pleased with the letters they received from our staff letting them know how their kids did at camp! In order to continue to provide that service to the parents we are still in need of some old computers. Due to the number of staff and campers living in the cabins, we are in desperate need of old laptops running Windows 95 or better (really all we need is Microsoft Word!) and have a functional 3.5 inch floppy drive.

For more information or if you are willing to make a donation, please contact Camp Foley at 218-543-6161 or fun@campfoley.com! **Thank you in advance!**

Alumni Alert!

Please help us with updating and collecting accurate information about our campers and staff for our alumni database. Encourage past alumni to go to our web site and use the update form if they would like to receive future mailings from us. We will be adding information that you email us to our website – weddings, graduations, new jobs and pictures of those future Foley campers. We hope to hear from you all soon!

Thank You!

As the 80th year of Foley comes to an end, we want to thank all of our alumni who have taken the time to share their experiences with new families, given their time and talents for the betterment of camp and/or donated to the scholarship fund so that more kids can have the same incredible experiences that you did! It is this support as well as all the prayers, encouraging words and stories that help remind us that we really are making a difference in the lives of young people! Thank You!

Alumni Visits

With 2004 marking **Camp Foley's 80th anniversary**, we extended an invitation to our Alumni to stop by camp to reminisce and join us for a meal. We were pleasantly surprised by the number of past campers and counselors who took advantage of this opportunity. They came from all over the United States and brought their spouses, children and grandchildren to see the place that holds so many fond memories of the summers of their youth. **This was such a success that we would like to offer this invitation again in 2005!** The dates we have available for 2005 visits are: **June 27-30, July 11-14, July 25-28, and August 8-11.** Be sure and call the camp office prior to your visit so we will be expecting you, and to reserve your spot in the dining hall! **Thank you to all who visited in 2004 and helped make our 80th year extra special - it was great having you!!**

How much candy??

This summer campers and staff consumed **7536 packages** of candy! Some favorites included Skittles and Nerds, however the all time favorite this summer had to be Peanut Butter M&M's! What will be the hot sweet next summer? We also ate **1296 Hershey's Bars** - that is a lot of S'mores!

Go Figure - In 2004...

Camp Foley and Youth Development

Over the last few years there has been a shift in the perception of what "camp" is and what it can do for the youth of today. There has been a realization that camp is much more than activities and in fact it is the human relationships or community that really have the most impact on the campers and staff that attend. If you are an older alumni, there was much more emphasis on developing the person and less on the skills one learned. The 80's and 90's saw a shift to the activities offered and there was less intentional growth of the person. No matter when you attended camp however, what most people remember is the relationships they had with other campers and staff.

We saw this change towards activities, and over the last four or five years have been making more of an effort to get back to being intentional about bringing out the best in the campers and helping them grow as people. In September 2003 when Jeff was at his American Camping Association's National Standards Commission meeting he met a woman from Youth Development Strategies, Inc (YDSI). YDSI is committed to helping youth serving organizations get better at meeting the developmental needs of youth, much like one tries to meet the developmental needs of an infant. The four main areas they measure are: Supportive Relationships, Safety,

Youth Involvement and Skill Building. In the past YDSI had only worked with community, school and church based youth organizations from across the country. In the summer of 2003, the American Camping Association (ACA) contacted YDSI and asked them to survey the youth at four camps. The results were stunning! Camps did far, far better in all areas compared to the other youth organizations, so much so in fact that YDSI wanted to find out why camps do so well. Last summer we contracted with YDSI to administer the survey in two of our sessions. We did very well! We, along with 19 other camps are now working hand in hand with both the ACA and YDSI to take the results of the survey and develop strategies that will be implemented next summer. The goal of course is to increase the effectiveness of what we do so we (camp) can truly make a contribution in the development of the campers we serve into becoming healthy, successful adults.

Although the activities at camp are an important part of the program, it is often the community spirit and close relationships that are remembered in the future. We hope the research from YDSI will better help us to aid the youth of today to become balanced, well rounded adults!

Schmid Family Update

This past summer as our alumni toured camp and chatted with us, many were amazed at how time slips through our fingers. Foley's past directors who are now deceased were remembered fondly - **Father Foley (1964)**, **Robert Schmid (1973)**, and **Viola Schmid (1985)**. Questions were asked of the Schmid children - **Rob, Marie and Tom (Tommy Joe)**. For those of you who are curious, here is an update.

Rob Schmid, the eldest, is currently living in Minneapolis with his wife Mary. Rob does new product introductions for specialty markets and owns Air, Water & Snow Marketing. Mary heads up the transplant unit at Fairview University in Minneapolis. Their daughter Jana graduated from Colorado University at Boulder and will be beginning graduate school in Minneapolis at Branco University.

Tom, the youngest, is a management trainer and property evaluator for the AmericInn International Franchise. Tom also does the camp's accounting. Tom and his wife, Patty, share their time between living on Whitefish Lake and in Brainerd, Minnesota. Patty works as a pharmaceutical technician at the Cuyuna Regional Medical Center in Crosby. The twins - Tom's four children - are grown! Steve is in his third year at the University of Iowa and is a premed student. Mike, who is also in his third year, is at Indiana University and is into the computer field. Laura followed her brother to Indiana University and is in her second year looking at a Spanish and education major. Erica is attending the University of Minnesota, Duluth and is looking into a pharmaceutical major. Laura, Steve and Mike are following in their father's footsteps and are all sail racing competitively for their schools.

Tom's stepson, Devon is employed at Cub Foods in Brainerd, Minnesota.

The faces you are most familiar with are **Marie's family** - Marie is the middle child. Marie and her husband Jeff have been the directors since 1985. Their eldest daughter, Alli, graduated with a Marine Biology degree from the University of North Carolina, Wilmington and is working full time for camp. Peter is an 8th grader at Pequot Lakes Middle School, runs cross country, plays basketball and truly enjoys hunting. Kylie is a 6th grader at the same middle school, dances and plays basketball and went deer hunting for her first time this fall. Kevin is a 4th grader at Eagleview Elementary in Pequot Lakes, plays football and basketball and plays the guitar. We all enjoy living year around at camp.

2004 Scholarship Donors

The 2004 Scholarship Donations exceeded our scaled back goal of \$6000.00!! Our grand total for 2004 was \$7183.91 (including direct scholarship donations and donations via remaining canteen balances and cancellations). Camp Foley would like to extend a big **THANK YOU** to everyone who supports this program through contributions. You guys are AWESOME!! A total of **12 2 week campers** (3 were repeat campers) benefited from these donations and came from both inner city and rural settings. Some of these campers are wards of the state, being raised by a grandparent, from low income families struggling to make ends meet, or from needy families seeking opportunities to provide their kids with positive alternatives to inner city gangs, drugs, rural isolation and/or other challenges. Every one of our scholarship campers had a great time at camp- they made new friends and were able to try many new FUN activities! Thank you all for truly making a difference in the lives of Camp Foley's scholarship campers!

New goal for our 2005 Scholarship Program

Make your Tax Deductible Donation before December 31, 2004

Our goal for Summer 2005 is to raise **\$7500.00**, a slight increase over 2004 donations (scholarship dollars plus canteen balance to scholarship program), to continue to support **12 2 week campers in 2005!** Foley is committed to increasing the number of scholarships offered. We are off to a great start with a **current balance of \$945.36**. Hopefully this trend will continue and we will surpass our goal for 2005!

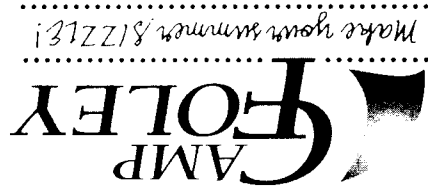

Foley works with past scholarship campers to expand their camping experience for a subsequent year and gives them first option at returning for a second, third, or more, year. Foley is committed, as are you, to providing positive camping experiences that aid to build an individual's self-esteem and skills, and build relationships with persons who serve as positive role models in both peers and adults. **Please send your tax deductible donation to Camp Foley. Checks can be made to the "American Camping Association" and designated for the Camp Foley Scholarship Program.** Thank you, in advance, for your continued support of this valuable program.
